Section 1.7 Bargaining Unit Work

The County will establish an internal protocol to control and balance the use of supervisory efforts which intrude upon traditional bargaining unit work responsibilities. It shall be the intention of the Union and the County to limit non-emergency tasks performed by management that are within the purview of the bargaining unit. In the event the Union believes these protocols are ineffective, the Union reserves the right to reopen this section. The Union shall notify the County no less than 30 days prior to July 1, 2010 of their intent to reopen this section.

ARTICLE 2 – AUTHORIZED DUES DEDUCTIONS

The Union shall provide each employee executing an authorization, a copy of such card clearly indicating that such authorization is irrevocable and shall continue as a condition of employment except that the employee may elect to withdraw from Union membership and pay a service fee not to exceed the then current dues rate. Employees desiring to terminate Union membership must give written notice to the Office of Human Resources at least 30 days prior to the anniversary date of the authorization. An information copy of the notification to terminate Union membership will be sent to the Union.

- (a) Employees covered by this Memorandum of Agreement who are newly hired employees and elect not to join or remain members of the Union, or were employed prior to the effective date of this Memorandum of Agreement and had previously executed membership or dues authorization cards as members of the Union but who later elect to terminate such Union membership shall pay a service

fee to the Union in an amount not to exceed the then current Union dues in order to defray the costs incurred by the Union in the negotiations, administration and implementation of the terms of the Agreement, and all subsequent modifications and amendments, including related proceedings before an impasse panel or arbitrators in the processing of grievances; in the conduct of disciplinary proceedings and in the appeal thereof, and in any and all other proceedings and matters for which the Union is the employees' exclusive representative.

- (b) In no case can the funds, or any part thereof, be used for political purposes.

Section 2.4. - Failure to Pay Service Fee.

If an employee fails to pay the required service fee by refusing to authorize the deduction or for any other reason, AFSCME Local 3085 may take appropriate legal steps to collect the fee. Howard County will not be required to terminate an employee or take any disciplinary action against an employee for failing to or refusing to pay said fee or for refusing to authorize payments of the agency shop fee.

Section 2.5. - Condition Precedent for Dues and Fee Deductions.

Sections 2.1 through 2.4 of this Article shall be contingent upon the receipt of membership or dues authorization cards as described above by the County from a majority (51%) of the classified employees in the bargaining unit. The periodic dues/service fees deducted during any month from the pay of the employees pursuant to this Article shall be remitted to the Union as soon as practicable after the close of the month.

Section 2.8. - Authorization for Dues Deductions.

The authorization for deductions pursuant to this Article shall be made on a form supplied to the employee by the Union that has been approved by the County. The form of a proper authorization card is attached to this Agreement as Exhibit A. A deduction regarding any employee shall not be made by the County during any month unless the authorization form signed by the employee has been delivered to the County not later than the first day of the month in which the first deduction is to be made.

Section 2.9. - Insufficient Pay for Dues or Service Fee.

The County will not deduct the Union's dues/service fees when an employee's net pay for the pay period involved is insufficient to cover the dues/service fees after other legal deductions have been made.

Section 2.10. – Amount of Dues/Service Fees.

The amount of the dues/service fees deducted will remain the same until the Union certifies to the County, in writing, over the signature of an authorized officer of the Union, that it has been lawfully changed and what the new deduction will be each pay period. The County shall be notified at least two months in advance of the effective date of such a change.

Section 2.11. - Indemnification Clause.

The Union shall indemnify and save the County harmless of and from any and all claims, grievances, actions, suits or other forms of liability or damages arising out of, or by reason of, any action taken by the County for the purpose of complying with any of the provisions of this Article, and the Union assumes full responsibility for the disposition of the funds deducted under this Article as soon as they have been remitted by the County to the Union.

- (a) Employees have the right to represent themselves individually or designate their personal representative in any or all of their employment relations with the County.
- (b) The Union recognizes and will not interfere with management's right to investigate incidents or question employees regarding job related activities. However, when an employee is ordered to leave his/her immediate job site for a private conference, interview, hearing, or any other meeting with a representative of management within the department, other than the employee's immediate supervisor, the employee shall be entitled to Union representation if it is reasonably expected that such interaction could lead to disciplinary action.
- (c) Notwithstanding any other provision of this Agreement, an individual employee may present a grievance or meet with members of management at anytime without intervention of the Union, provided that the Union is advised in advance of said grievance, and is notified of the specific disposition of the matter and provided further, than any adjustment made shall not be inconsistent with the terms of this Agreement.

Section 3.4. - Union Visitation.

With permission of the appropriate Department Head or his/her designee, representatives of Council 67, AFSCME shall have reasonable access to the County premises for the purpose of conferring with a shop steward while investigating a grievance. The County shall not unreasonably withhold such permission.

Section 3.5. - Union Representation.

Presuming there will be no abuse, the County agrees to hear grievances filed by the Union on behalf of an employee, pursuant to a provision of this Agreement, during normal work hours. Only one union representative employed by the County shall be permitted to attend these hearings at Steps 1 and 2 as set forth in Article 13 of this Agreement on a paid basis. Presuming there will be no abuse, two union representatives employed by the County, to include the Union President, shall be permitted to attend grievance hearings at Step 3 and above on a paid basis if held during their regular working hours. The County reserves the right at its option, after five days notice to the Union, to schedule grievance hearings during non-work hours.

Section 3.6. - Use of Bulletin Board.

The County agrees to provide a bulletin board to the Union for the purpose of allowing the Union to inform its membership of Union business. Such material shall not violate criteria generally applicable to the posting of notices on County property; furthermore, the Union agrees to provide copies of all notices being posted to the Department Head and the Personnel Officer.

Section 3.7. - Union Office.

Based on space availability, the County shall provide a furnished office, including a telephone at the work site of the Union President. Said office will be used for the purpose of storing records and conducting official Union business at such times and by such persons as provided for in this Agreement.

Section 3.8. - Orientation.

- (a) The Office of Human Resources will notify the Union President when New Employee Orientations contain employees hired to fill vacant positions in the bargaining unit. The Union will be allowed to make a presentation during the orientation.
- (b) The Union will work in good faith to ensure that orientation sessions will be covered on a rotating basis by Union officials when the President is unable to attend to prevent a disparate impact on any one agency or bureau.

Section 3.9. – Pension Disability Appeals Board.

The Executive Board of AFSCME Local 3085 shall forward the name of the individual selected as the Peer Representative to the Pension Disability Appeals Board to the County Human Resources Administrator for appointment to the Board.

- (b) (1) Except as otherwise provided in this Subsection, at the option of the employee, in lieu of payment for overtime, the County shall grant

compensatory time at a rate of time and one-half for each hour worked in excess of 40 hours in one week, not to exceed a total accrual of 120 hours. When scheduling use of compensatory time, the supervisor shall attempt to accommodate the wishes of the employee. Compensatory hours not used within six months of the date that they are earned shall be paid to the employee at the prevailing overtime rate. Compensatory hours can be taken in periods of one-half (1/2) hour or more.

- (2) Employees who volunteer to work overtime in departments other than those to which they are normally assigned shall not have the option of accepting compensatory time in lieu of paid overtime without the approval of their department head. Except as provided in Section 8.10 or for snow removal-related work, employees ordered to work overtime for another department shall have the option of accepting compensatory time in lieu of paid overtime.
- (c) Scheduled overtime is overtime which is scheduled at least 48 hours in advance. As provided under rules mutually agreed upon by the Union and the County, if a supervisor is unable to fill a shift with scheduled overtime from within the specific work unit, the supervisor may fill the shift with employees from other work units.
- (d) A roster for overtime will be established and posted at each work site to ensure that overtime is administered fairly. Overtime will be made available on an equal basis to all qualified employees. An employee's refusal of overtime, as well as his being on a leave status when overtime would otherwise be offered, counts the same as if the employee had worked overtime for purposes of record keeping.
 - (1) A separate roster of qualified employees will be established when overtime is expected for duties not typically associated with the employee's position, work site or general assignment.
 - (2) The overtime roster shall allow for 3085 bargaining unit members to voluntary opt-out of the roster rotation negating the requirement to call for an overtime situation. The County may reopen this provision in the event that such opt-out provision fails to relieve the timeliness of assembling a work crew. The County shall notify the union no less than 30 days prior to July 1, 2010 of their intent to reopen this provision.
- (e) If an employee at the Wastewater Treatment Plant is scheduled to work a shift beginning between 3:00 PM and 8:59 PM on Sunday and is required to stay over to work the following shift, representing a new pay period, the employee shall be paid at a rate of time and one half the employee's base hourly rate of pay for the hour(s) worked during the subsequent contiguous shift.

- (f) A copy of the overtime roster for each work location shall be provided to the Union on a monthly basis.

Section 8.3. – Call-in-Pay.

- (a) Employees called in to work hours not contiguous to their regular shift shall be paid a minimum of 4 hours pay at time and one-half. Pay shall start when the employee reports to work. Employees called in will only be required to complete the original task that prompted the call-in and related tasks. Should unrelated tasks be required, the employee will be paid time and one half for all hours spent on any work performed not related to the initial call-in.
- (b) Employees officially assigned to stand-by status as defined in Section 8.4 below shall receive minimum call-in pay, in addition to their stand-by pay, for the first call-in during any one stand-by period. Any additional required work time during the same stand-by period shall be paid as overtime (i.e. time and one-half) for actual hours worked.
- (c) Employees not being paid stand-by cannot be disciplined for failure to report or respond to a call-in, except in cases where a bona-fide public safety emergency exists. An emergency can only be declared by an employee whose rank is no lower than Bureau Chief.
- (d) For the purpose of determining call-in pay, if an employee is officially assigned to stand-by status under Section 8.4 below, pay shall start when the employee receives notice to report to work.

Section 8.4. - Stand-by Pay.

- (a) An employee who is specifically assigned to stand-by status and scheduled through Central Communications as the Bureau's representative shall be granted two hours of pay at straight time for the stand-by period between his/her regular shifts or for each 24 hours in between his/her regular shifts. If the employee works 40 hours in the workweek, then the additional hours will be paid at time-and-one-half. To qualify for stand-by status and pay, the employee must be in immediate communication with the dispatcher and assigned to respond to all emergency calls.
- (b) Being on-call for snow removal or other emergency weather conditions does not qualify for stand-by pay.
- (c) Stand-by pay is in addition to any pay for time actually worked during the stand-by period unless such stand-by pay is in violation of Section 8.7 of this Agreement.
- (d) Employees receiving stand-by-pay shall be considered as receiving additional or

overtime pay. Stand-by assignments shall be rotated in the same manner as overtime among qualified employees. Records of working stand-by shall be recorded and maintained on a stand-by roster to ensure fair and equal distribution.

Section 8.5. - Welder's Premium.

- (a) Motor Equipment Mechanics who are required to spend at least fifty percent (50%) of their time welding or who are required to frequently fabricate by welding will have \$1,000 added to their base pay.
- (b) Unit members not meeting the requirements of paragraph (a) whose assigned job duties include welding and who spend at least 5% of their time welding and have the appropriate American Welding Society (AWS) certification will have \$500 added to their base pay. No more than 12 unit members may receive this premium.
- (c) The County will pay the renewal costs for the appropriate AWS certification for unit members meeting the requirements of (a) or (b).

Section 8.6. - Commercial Driver's Licenses (CDLs).

An employee whose regular assigned duty requires that they possess and keep current a CDL will have the annual renewal cost paid by the County.

An additional 30¢ per hour will be paid to an employee for hours worked, if the employee is required to obtain and maintain a commercial driver's license (CDL). The CDL payment is not applicable to overtime or pension calculations.

Section 8.7. - No Duplication or Pyramiding of Premium Pay.

There shall be no duplication or pyramiding in the computation of overtime or other premium wages and nothing in this Agreement shall be construed to require the payment of overtime more than once for the same hours worked. If more than one of the provisions of this Article shall be applicable to any time worked by an employee; the employee shall be paid for such time at the highest rate specified in any one applicable section, but the employee shall not be entitled to additional pay for such time under any other section.

Section 8.8. – Reserved.

Section 8.9. - Mechanics' Certification Premium.

Mechanics who obtain and maintain ASE certifications pertinent to their shop assignment will receive \$.05 per hour for each separate certification maintained. Section 8.10. - Emergencies.

- (a) Some unit members will be required to work during an emergency, which is defined as an unforeseen event or an event requiring critical action that results in the closing of County offices for normal business operations.
- (b) An employee who is required to work during an event under subsection (a) of this section shall be compensated at the regular rate or in compensatory time for hours worked during the employee's regular assigned shift when County offices are closed. An employee shall also be credited with compensatory time or pay equal to the number of hours that County offices were closed. The County shall determine whether compensation under this Subsection shall be pay or compensatory time.

Section 8.11. – Multi-Task Certification.

- (1) The position to be filled temporarily is an authorized budgeted position.
- (2) There is no incumbent in the position or the incumbent is absent from duty.
- (3) The assigned employee meets the minimum qualifications for the classification.
- (4) The assigned employee is able to perform all the normal duties expected of a person occupying that position. Employees who are directed to perform duties of a higher classification will be told from the outset whether they will qualify for temporary assignment pay or are being assigned higher duties for training purposes which will be explained to them.

Section 8.13. – Snow Removal Premium.

- (a) An employee who is required to operate a motor vehicle or motorized equipment for purposes of snow removal will be paid an annual premium of \$25. For the

purposes of this section, a motor vehicle or motorized equipment includes a skid steer loader, ATV, small tractor, and ride-on mower adopted for snow removal, but does not include a walk-behind snow blower. This premium does not apply to employees who receive a CDL premium under Section 8.6.

Such decision shall be made on a case by case basis. The Union shall be notified whenever an employee is denied the ability to engage in secondary employment. If the County fails to give its answer to a grievance within the time limits set forth in any step, the Union and/or employee may appeal the grievance to the next step at the expiration of such time limit.

The time limits prescribed herein may be waived by mutual agreement, in writing, by the parties hereto. A grievance not appealed within the time limits herein set forth shall be considered settled on the basis of the answer provided by the County at the last step of the procedure utilized by the Union or the employee, which answer shall be final and binding upon the aggrieved employee member or the Union.

The parties may, by mutual agreement, waive certain steps and/or extend stated time frames. Such mutual agreement shall be reduced to writing and signed by the parties prior to the expiration of said time frames. In no event may waiver or extension of any time limit hereunder for presentation or appeal be implied by any action or inaction of the County or the Union.

Section 13.4. - Procedural Steps.

Step 1

The aggrieved employee, with or without his/her Union representative, shall meet with the lowest level County supervisor capable of resolving the grievance to present the grievance orally. Step 2

In the event that the supervisor's decision at Step 1 is not satisfactory to the employee or the Union, the employee or the Union may, within 10 working days of receipt of that supervisor's answer at Step 1, present the grievance, in writing, to the Bureau Chief on a form to be supplied by the County. Step 3

In the event that the Bureau Chief's decision is not satisfactory to the employee or the Union, the employee or the Union may, within five working days from receipt of the Bureau Chief's answer at Step 2, present the Step 2 grievance form to the Department Head. All grievances concerning suspension or discharge shall begin at this step. The Department Head or his/her designee shall arrange to meet with the employee and/or the Union within five working days after receipt of the grievance, and shall reply to the grievance, in writing, to the employee and/or the Union within five working days of the meeting.

Step 4

In the event that the Department Head's decision is not satisfactory to the employee or to the Union, the employee or the Union may, within five working days from receipt of the Department Head's decision at Step 3, present the grievance form to the Personnel Officer. The Personnel Officer or his/her designee shall arrange to meet with the employee and/or Union within 10 working days after receipt of the grievance. The Personnel Officer shall reply to the grievance, in writing, to the employee and/or the Union within 10 working days of the meeting.

Step 5

Any grievance that has been properly processed through the above procedure and has not been settled at Step 4, may, at the request of the Union, be appealed to binding arbitration.

A grievance related to suspension or termination shall be appealed to binding arbitration. The Union shall serve written notice of its intention to proceed to binding arbitration upon the Personnel Officer within 14 calendar days of receipt of the Personnel Officer's decision at Step 4.

The County and the Union may use the services of either the Federal Mediation and Conciliation Service or the American Arbitration Association. In any event, the arbitration shall be conducted in accordance with the rules of the American Arbitration Association. The Arbitrator shall have no authority to amend, alter or modify any provision of this Agreement or to limit, diminish or in any manner interfere with the authority of the County and its administration as provided by State law and/or County Charter. The written decision of the Arbitrator shall be rendered within 30 days after the hearing and shall be final and binding upon the aggrieved employee, the Union and the County. The cost of arbitration shall be shared equally by the County and the Union except that costs incurred in presenting or defending the grievance to the arbitrator shall be borne by the side incurring the expense.

Section 13.5. - Other Conditions.

No reprisals shall be invoked against any employee for filing or processing a grievance.

If an employee is given a directive by a supervisory authority, which he/she believes to be in conflict with a provision of this Agreement, the employee shall comply with the directive at the time it is given, and thereafter, may exercise his/her right to grieve the matter. The employee's compliance with such directive will not prejudice the employee's right to file a grievance, nor will his/her compliance affect the resolution of the grievance.

The County may present a grievance to the Union, in writing, at Step 5 of this procedure provided that it has filed a notice of intent with the Local 3085 President. The notice of intent, outlining the details of the complaint, must be presented 30 days prior to filing the demand for arbitration.

Section 13.6 - Class Action Grievance.

If such grievances affect a group or class of employees involving two (2) or more employees, the Union or the employees may submit such grievances in writing to the respective Director. The processing of class action grievances shall commence at Step 3. An employee may elect to file an individual grievance and thus not participate in the class action grievance.

ARTICLE 14 - PERSONNEL FILES

Section 14.1. - Employee Access.

The Personnel Officer shall permit inspection of an employee's personnel file as provided by law. All personnel records shall be treated as confidential information. Employees with or without Union representation shall have access to their individual personnel files by prior appointment with the Personnel Office. Presuming there will be no abuse, employees who do not work at the main County office complex will be allowed, with prior supervisory approval, to inspect their personnel files during their normal work day. All items contained in such file shall be available for review and copy with the exception of outside confidential references relating to original employment or promotion.

Section 14.2. - Removal of Information.

Any correspondence related to disciplinary action may be removed from the employee's personnel file if requested in writing by the employee, provided two (2) years have elapsed since the most recent entry.

Section 14.3. - Employee Additions.

Additionally, a Union representative selected by the Union shall be allowed to sit as a member of Departmental or Bureau Safety committees, except in Environmental Services where an employee selected by the Union shall be a member of the Departmental and Division Safety Committees.
- (b) If an employee believes a violation of Policy and Procedure 200.1 or other workplace-related safety law or regulation has occurred, the employee shall immediately notify his or her supervisor. A departmental form or Police Report must be filed by the employee to be eligible for recovery. Additionally, for these same employees and subject to prior approval, worn tools will be replaced in like kind. Supervisors, upon request may approve upgraded replacement of tools. All replacements will be initiated by reimbursement to the employee upon submission of a receipt. The employee will be required to turn in the worn tool.

ARTICLE 17 - USE OF TELEPHONES

- (a) Presuming there will be no abuse, a unit member may use County telephones, on the clock, to call the Union representative, President, or Shop Steward when a grievance occurs and the call is needed. The supervisor must be informed that the call will be made. If abuse occurs, the County reserves the right at its option, after five days notice to the Union, to withdraw this permission.
- (b) Presuming there will be no abuse, the Union and its members may use the County's GroupWise email system to communicate with and among members. ARTICLE 19 - PROMOTIONS

Section 19.1. - Vacancies.

Vacancies in higher positions shall be filled by promotion, as far as practicable, from the lower classes, provided that the filling of such vacancy thereby will enhance governmental efficiency and be compatible with the intent and spirit of the County's Affirmative Action Program. The County encourages employees to develop skills and attain greater knowledge of their work, and to make known their qualifications for more responsible and different work. No employee shall be required to obtain the permission of his immediate supervisor or appointing authority before applying to the Personnel Administrator for a promotion and/or transfer between departments; however, upon receipt of any such application, the Personnel Administrator shall give immediate notice of same to the applicant's present department head. In the event that personnel on the promotional list and replacement list have substantially the same qualifications as personnel on the open competitive file, they shall be given preference in the placement on the qualifying register, except where such preference conflicts with the intent of the Affirmative Action Program.

Section 19.2 – Work Standards – Trial Period.

When an employee has been promoted and does not meet departmental work standards in the higher position, he may be demoted prior to the end of the trial period, without prejudice, to a position in a class equal to the same pay level held prior to promotion. In such cases, his/her pay shall be restored to the rate, plus general pay plan changes, in effect as though the promotion had not been granted.

Section 19.3. – Demotions.

In such cases, an effort shall be made to place the employee being demoted in a vacant position so as not to interfere with those promotions, which were made possible by his promotion. An employee who is selected and promoted to a vacant or newly created position and is rejected due to his inability to carry out the responsibilities of the new position, shall be assigned to a vacant or newly created position by the appointing authority, subject to Personnel Officer approval, at the same pay level held prior to promotion, plus general pay plan changes.
