Note from Your Camp Director:

Welcome to Abby's Creations Jewelry and More Camp. We are going to have a blast!!! Come each day ready to use your minds and create wonderful works of art. **Make sure on the first day you wear closed shoes, we will be working with glass.**

Each day we will work on many different projects. Bring a non-perishable drink and snack; in-between projects we will take a short snack break. No nut products please. Please make it clear to your child not to share food with their friends. With all of the allergies around we need to be sure no one is eating food they are allergic to.

On Friday we will have a small gathering 30 minutes before the end of class, beginning at 11:30 for the am class and 3:30 for the pm class, for the children to display their work to their friends and family. Please join us and bring family members and friends.

I am looking forward to working with all of your children. Please call me if you have any questions or concerns. 410-964-2151.
