

Bulk Collection Guide

One person's trash is another's treasure! Keep useable items out of the landfill. Schedule a pickup with a local organization.

Appliances

Clothing & Shoes

Howard County Government does not endorse vendors or services. Please check with individual organizations before scheduling a pickup.

Broken Items

Need an item mended or repaired?

Bring your broken items to **The Transition Repair Café!** Volunteers will evaluate, fix or help diagnose the problem with the items you bring. Schedule your repair at the next event at CommunityEcologyInstitute.org.

Last Resort

For large, broken items that cannot be donated (soiled mattresses, ripped furniture, etc.) and non-working appliances (grills, refrigerators, stoves, etc.) residents may schedule a bulk trash or scrap metal pickup. Smaller items should be transported to the Alpha Ridge Landfill (2350 Marriottsville Rd). **Bulk trash will be sent to a landfill.**
