Committee Invite Language

According to county code and the LCB by-laws committee members do not all have to be Board members. Board members can appoint a representative from their organization to attend in their place and committees can also identify additional expertise needed and recruit additional members. In order to have clear and consistent language the Board agrees to include the following information when onboarding committee members. The Chair of each committee should either do the onboarding themselves or designate another board member on that committee. Information should include:

- Overview of the Local Children's Board and it's vision
- Four priorities of the Board
- Dates, times and location of committee meetings
- List of member organizations
- Purpose of the committee
- Timeline
- Benchmarks/major deliverables
