

How To Make Your Own Binoculars

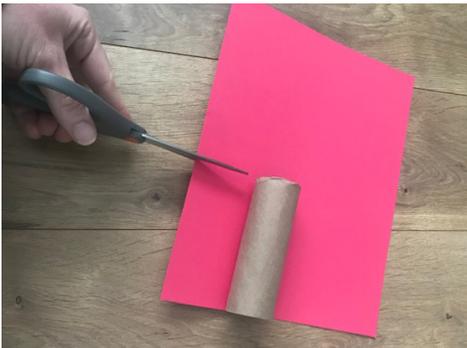

Share pictures of your completed project with us on Facebook, Twitter or Instagram with the hashtag **#AtHomeWithHoCoRec**

Instructions

Supplies

- 2 toilet paper rolls
- Stapler
- Construction paper
- Tape or glue
- Yarn or string
- Scissors
- Optional: Paint, stickers, etc. for decorating

1. Cut construction paper to fit the size of each toilet paper roll. Wrap the paper around each roll and either tape or glue in place.
2. With the paper rolls side by side, staple them together on both ends.
3. Punch a hole in the outside edge of one paper roll and on the opposite side of the other paper roll.
4. Tie the ribbon/yarn through the holes.
5. Optional: Decorate binoculars with paint, markers or stickers.
6. Head outside and start looking for birds!
