## **UPDATE: Police identify drivers in multi-vehicle collision**

Howard County police are identifying the drivers involved in a four-vehicle collision that occurred at approximately 6:05 p.m. in the intersection of Baltimore National Pike (Route 40) and Marriottsville Road in Ellicott City.

Preliminary investigation has revealed that a Chevy 2500 was traveling westbound on Baltimore National Pike prior to Marriottsville Road when the driver failed to stay within the lane and struck a Ford Expedition. The Chevy then failed to stop at the red light and struck a Jeep Wrangler and a Jeep Compass.

The driver and sole-occupant of the Chevy, Michael Daury, 45, of Greenbelt, was transported to the University of Maryland Shock Trauma Center with serious injuries. He is currently stable.

The driver and sole-occupant of the Ford, Bobby Buhl, 48, of West Friendship, was not injured.

The driver and sole-occupant of the Jeep Wrangler, Steven Rifkin, 51, of Woodstock, was not injured.

The driver and sole-occupant of the Jeep Compass, Jeremy Feldman, 37, of Woodbine, was transported to Shock Trauma with serious injuries. He is currently stable.

Route 40 was closed in the area of Turf Valley Road/Marriottsville Road and Marriottsville Road was closed between Resort Road and Route 144 for approximately four hours. Charges have not been filed at this time; the investigation is ongoing.
