

Acknowledgements

The Howard County Department of Fire and Rescue Services thanks the following individuals for their effort, dedication, and professionalism through the difficult process of examining the circumstances involved in Fire Fighter Nathan Flynn's line of duty death. Fire Fighter Flynn was the first career line of duty death in the history of Howard County Department of Fire and Rescue Services. By sharing this report, the Department aims to educate all first responders and recommend changes in order to prevent any future line of duty deaths.
