WORTHINGTON PARK

Worthington Park is located off New Cut Road at 8170 Hillsborough Road, Ellicott City, MD 21043. The Off-Leash area is open from 7 AM to dusk except for scheduled maintenance. You can call 410-313-4455 for an inclement weather/program status recording.

The 2.7-acre lower area is near the park entrance, has a separate section for smaller, timid or elderly dogs and has ADA-compliant access from the adjacent parking lot. There is also an upper area on the other side of Hillsborough Road. Look for signs telling you which area is being used.

To provide a safe environment for all dogs, the off-leash areas are surrounded by 6-foot high vinyl-clad chain-link fences with double gates. Water may be available in the lower areas during summer openings. The upper area does not have water.

For your convenience, you'll find Mutt-Mitt dispensers and containers for waste material. Please bring a water container (no glass) for your dog.

Area use is not restricted to Howard County residents. However, all users must purchase an annual or daily permit. (Daily permits available on-site.)

Call 410-313-2764 for directions and hours. Include proof (copy) of a valid dog license and current rabies certificate (all renewing applicants must provide copies of a valid dog license and rabies certificate) for each dog being registered with the completed registration form. Howard County pet owners can obtain a dog license at www.myHoward.info when a user account is created. It is your responsibility to maintain a current license and rabies certificate during the permit period. Failure to do so will result in expulsion from the park and suspension of your permit.

Daily Permits: You may purchase a daily permit on-site for \$5 per visit. You must present proof of a valid dog license and current rabies vaccination while at the park using a daily permit.

You may apply up to three daily permits purchased within a 15-day period toward an annual permit by returning the stubs with your application.

DOG BEHAVIOR 101

Dogs have very different styles of play. Some are rough-and-tumble, some like to chase, bark or nip, and others prefer limited physical contact.

Common types of potentially aggressive behavior include:

- Bullying - domineering dog does not relinquish control over a submissive dog.
- Mounting - common behavior, escalates into more combative actions.
- Ambushing - threatening behavior between unfamiliar dogs, often at entrances.
- Provoking - dog treating another dog as prey by chasing, stalking and nipping.
- Possessive - defending of property; barking, snapping and growling to prevent other dogs or people from approaching.
- Packing - more than four or five dogs packed and grouped can lead to trouble. Break it up before it starts by leading your dog to a neutral area at least 30 feet away.

Dog fights - What to do:

- Remain as calm as possible.
- Exchange information with all involved.
- If personal injury is incurred, contact the Health Department at 410-313-2640.

DOG PARK CLOSURES

Please be aware that there may be occasions where the Dog Park may have to close for safety reasons. We will make every attempt to utilize two of the three areas whenever possible, however there may be circumstances out of our immediate control such as extreme rain events that may saturate the grounds beyond normal wet turf which may create deep mud areas that would be considered unsafe for your pets. In these rare occurrences, we will make every effort to re-open as soon as possible.

Please keep in mind to accommodate all of our patrons, we must be able to have two areas available in order to open. Any closures for an extended period of time will be posted and updated on the Howard County Recreation & Parks website.

UPPER FIELD RENTALS

The Upper field is available to rent from May through November. Permit availability is dependent upon condition of the park and scheduled maintenance.

There is a \$30/hour fee for special event rentals and \$15/hour for training.

Contact Registration at 410-313-7275 (voice/relay) for additional information.

The Parking area for use of the Upper Field is limited to 60 spaces.
