## **Cyclist critical after crash into embankment in Savage**

A local Ellicott City cyclist is in critical condition after his bicycle crashed into an embankment in Savage today.

Police were called around 11 a.m. to the area of Guilford and Vollmerhausen Roads for a report that a bicyclist, identified as Robert Grossman, 68, had run off the road and sustained serious injuries.

Through preliminary investigation, police believe Grossman was traveling southbound on Guilford Road just prior to Vollmerhausen Road when his bicycle left the roadway for an unknown reason and struck a rocky embankment. He was transported by ambulance to Shock Trauma where he remains in critical condition.

The incident is being investigated by the Collision Reconstruction Unit of the Traffic Enforcement Section.
