Welcome to the 2019 Summer Camp Guide!

Welcome to the 2019 Summer Camp Guide!

As we commemorate our 50th year of the Howard County charter, we invite you to find the perfect camps for your children and grandchildren in this year’s guide!

At Howard County Recreation & Parks, our camps provide opportunity for kids to try new things, and to sharpen their skills at the activities they already know and love. Does your son or daughter want to give lacrosse a shot? We have a beginner’s camp that includes all the equipment they need to get started. Is your child a natural performer? Our drama camps are great for actors, singers and dancers of all ages. Have a future scientist under your roof? We offer camps focused on Science, Technology, Engineering, Arts, and Mathematics (STEAM), inspiring curiosity about robotics, programming, engineering, integrated arts, and more! Budding artists in the family? We have just the right camp for you painter, sculptor, or singer. Best of all, we offer half-day and full-day camps that work with your schedule.

We hope you’ll join us as we get up, get out, and get active!

Therapeutic Recreation & Inclusion Services

The Department of Recreation and Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs of their choice. Howard County Recreation and Parks Department has developed an inclusion process to better accommodate citizens with disabilities. This process has been recently updated. To ensure that we meet your program needs, please call Susan Potts, Therapeutic Recreation Manager 410-313-4628, or Chloe Hodge, Therapeutic Recreation Coordinator 410-313-1671 at least two weeks before the program begins to request accommodation services.

The Process to Request Accommodations:

1. Choose your fun! Look through the seasonal activity guide and find a class or program you or your family member would like. Howard County Recreation and Parks has a multitude of programs to choose from. You are always welcome to call us if you would like some guidance when choosing a program.

2. Once you know what program you’d like to participate in, the next step is to register. When registering, let it be known that you will need an accommodation. You can register online, over the phone, or in person at any of our community centers.

3. Once registered for a program, the next step is to request an accommodation through our Accommodations Portal found www.howardcountymd.gov/Therapeutic-Rec. This portal will ask you for information about the program you have registered for as well as what type of accommodation you are requesting. It will send out Therapeutic Recreation team a notification when your request has been submitted.
4. After your request has been made through our portal, an Accommodation Assessment link will be sent to you via email or the postal service. This assessment needs to be completed two weeks prior to the start of a program. This assessment will allow our team to better serve you and your loved one and gives our staff more information on how to make a program a success.

   a. Note: You only need to complete the Accommodation Assessment once a year; however you must send all accommodation requests through the Accommodation Portal for each and every program you register for.

5. Once our team has received the completed Accommodation Assessment, we will reach out to you within three business days with a phone call or an email confirming your request and to discuss strategies for inclusion. Please remember that increasing the staff to participant ratio is never guaranteed and is judged on a case-by-case basis. We will make every effort to provide reasonable accommodations on an individual basis.

   a. Please note that all required paperwork must be completed for requests to be reviewed.

If you would like to check the status of your request or if you have any questions regarding inclusion services, feel free to contact our therapeutic recreation team. We would be happy to help!

General Information

Program information provided in this Guide is tentative. Consult www.howardcountymd.gov/rap for the most up-to-date information.

Registration

Program fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 2.

*Waiver: In consideration of my (and/or my child’s) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the Organization and above mentioned parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any program or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and polices.

Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility.

For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program.

Children must remain with the program for the full period scheduled. To leave before a day’s program is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the program director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, please be aware that our staff does not change diapers.

Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

Canceled Programs

We don’t like to cancel programs, but each one must meet its minimum enrollment. Don’t be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants will be contacted immediately and a full refund credited.

Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your 2017 Federal Tax Transcript and
- Any proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

Make a Donation

You can make a tax-deductible contribution to our Scholarship Fund by www.howardcountymd.gov or call 410-313-4683. You may also donate online through our online registration site (click on “donation” button).

Refunds

We recognize that you may wish to withdraw from a camp for a variety of reasons, but we encourage early decisions so as not to inconvenience other participants or affect our ability to efficiently deliver activities.

Customers requesting a refund prior to three weeks before the camp starts will be charged a 20% administrative fee, however if you request the credit to be placed on your Howard County Recreation and Parks account for future use, no administrative fee will be charged.

All refunds requested within three weeks of the camp starting date will be charged a minimum 20% administrative fee. Additional fees may be assessed to recover costs (e.g. for shirts, supplies, tickets, equipment etc.) associated with the camp. There are no refunds given for missed camp days.

Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor classes will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If it snows on a weekend and the snow emergency plan is in effect in Howard County, scheduled programs will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If it snows on a weekend and the snow emergency plan is in effect at
7am, programs held in public schools for that day will be canceled. If a snow emergency is declared after 7am, programs in schools in progress may be completed but those later in the day will be canceled.

- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.
