Indoor Facilities

We appreciate your interest in reserving one of the facilities managed by the Howard County Department of Recreation & Parks. Please review the following information.

- Approved reservations apply only to the indoor facility and related items listed in this book.
- Your reservation must include enough time for set-up and clean-up.
- Parking is limited.
- Fees (subject to change) are used to recover some maintenance, reservation and staffing costs associated with our facilities.
- Tables and chairs are not included in all rentals; please ask about them when making your reservation. You are welcome to use tables and chairs at the site but if more are needed, it is your responsibility to supply them.
- Snow, severe weather and other emergencies may result in a delayed opening or facility closure. In such situations, call the facility status line at 410-313-4452.
- Facilities are in high demand. While we make every effort to accommodate all requests, if we do not receive your signed permit and payment by the due date, we must cancel your reservation and give others the opportunity to reserve that date.
- Building attendants open and close the facility, monitor your event and are available for questions. Attendants also set up tables and chairs but the renter is responsible for setting up additional decorations and restoring the facility to its original condition before leaving (remove all trash, clean room, etc).

Policy Guidelines for Indoor Facilities

All applicants for indoor facilities must be at least 21 years old. Requests are reviewed on a first-come, first-served basis after facilities are allocated for programs and organized leagues. The Department of Recreation & Parks (HCRP) is pleased to comply with the Americans with Disabilities Act (ADA). Applicants must comply with all ADA regulations.

Applicants agree to follow and enforce the policies included in this document and the “Rules and Regulations for Howard County Parks” as abbreviated from Section 19.200 through 19.211 of the Howard County Code. The applicant’s responsibility extends to its participants and spectators. See the County Code for penalties for violations of these sections. All facilities (excluding park fields and pavilions) scheduled by the Department of Recreation & Parks are open year-round, weather-permitting. Some indoor facilities can be reserved up to one year in advance.

The County has limited indoor facilities to satisfy a multitude of organized recreational interests. HCRP has a responsibility to ensure that a variety of opportunities are provided in a safe, non-threatening and participant focused environment. For organized and ongoing activities, this has been achieved through a programming focus as opposed to a permitting focus. Organized activities in these facilities must reflect Department sponsorship/involvement and are coordinated through the appropriate recreation programmer and not the permit process.

Rules of Conduct

The applicant agrees to enforce the following rules of conduct for participants.

1. The applicant must be present at all times. This individual is responsible for damage to the property and the supervision and control of all group participants using the facility.
2. All tobacco products are prohibited in all buildings and parks.
3. Soliciting or loitering is prohibited.
4. Interference with employee and volunteer duties is prohibited by law.
5. Inappropriate or indecent conduct, harassment and/or explicit language are strictly prohibited.
6. Use of illegal drugs and weapons is strictly prohibited by law.
7. Parking in unauthorized areas and driving/parking on grass/turf areas is prohibited.
8. Defacing of property (indoors or outdoors) is prohibited.
9. Any other conduct that may jeopardize the safety of others is prohibited.
10. Full compliance with the rules and regulations for Howard County Parks is required.
11. Any furnishings must be returned to their original arrangement at the conclusion of the event.

Trash Pick-up

Trash/Recycling Pick-up: The Department holds rental applicants responsible for the removal of all trash and recyclables that may have been used or deposited during or after their event. Recyclables can be placed all together in the same container; lids, caps and labels do not need to be removed. This effort is essential for the Department to continue the maintenance of its facilities. The Department reserves the right to withhold the security deposit or assess fees for clean-up and/or removal of trash or recycling.

Originally constructed circa 1883, the Pfeiffer's Corner Schoolhouse is one of the very few remaining one-room schools in Howard County and is now fully restored. Children were educated within its walls for over 50 years until it was converted into a residence in the 1940s. It was almost demolished when new homes were built on the property in the 1980s, but was saved through the efforts of local school children. They raised funds to have it moved in 1988 to county-owned parkland along route 108 near Clarksville, where it stood for several years until a permanent location could be found. In 2003, it was moved to Rockburn Branch Park where it illustrates the changes over a 100-year time span of our schools, serves as a historic exhibit and is used for demonstration classes, interpretive tours and small meetings.

Enjoy this restored mansion, furnished with period antiques. It is open for special programs and for tours by appointment. It is also a popular place for weddings, parties and meetings. This property is associated with many of the "founding families" of Maryland and is listed on the National Register of Historic Places. Nathan Dorsey, son of Colonel John Dorsey, built the main section of the mansion between 1756 and 1764. The property was later sold to Revolutionary War hero, Colonel John Eager Howard, Governor of Maryland from 1788 to 1790. Colonel Howard gave the house and land to his son, George, who later also served as Governor of the state (1831-33). George Howard and his wife, Prudence, a member of the Ridgely family, named their estate after the popular Sir Walter Scott novel, *Waverley*.

Pavilions

Pavilions can be rented up to one year to the day in advance. Reservation applicants must be at least 21 years old. The person who signs the permit is responsible for the guests who come with him or her to the park.

Most pavilions are available from April 1 through November 30, rain or shine; no refunds for inclement weather. Rental may begin as early as 10 AM and must conclude by dusk. RECREATION & PARKS

Howard County Recycles

A new effort has been implemented this year to promote recycling in Howard County Parks. Park patrons may recycle by placing their glass and plastic bottles and metal cans “All Together Now” in the designated recycling containers. Note: Unacceptable items for recycling include cups, utensils or plates. Please place these items along with your other trash in the trash receptacles. Thank you for keeping cans and bottles out of the landfill!

Did you know?

- The energy we save from one glass bottle is enough to light a bulb for four hours.
- Recycling benefits the air and water by creating a net reduction in ten major categories of air pollutants, and eight major categories of water pollutants.
- Every ton of paper that is recycled saves 17 trees.
- A national recycling rate of 30% reduces greenhouse gas emissions as much as removing nearly 25 million cars from the road.
- Recycling conserves natural resources, such as timber, water, and minerals.
- Recycling prevents habitat destruction, loss of biodiversity, and soil erosion associated with logging and mining.

The Howard County Department of Environmental Services accepts, cans, bottles, paper, and cardboard for normal recycling practices from your home, or office. Visit www.howardcountymd.gov or help@howardcountyrecycles.org for further details. And remember, *It Starts in Parks!*

All Together Now!
Reduce, Reuse, Recycle!

General Pavilion Information

Alcoholic Beverages

Everyone who consumes alcoholic beverages MUST BE 21 YEARS OLD. Alcoholic beverages are allowed within the pavilion only. They are not permitted outside of the pavilion. Glass containers are prohibited. The applicant is responsible to assure that members of their group conform to all rules and regulations of the Howard County Liquor Board. Pavilion permit holders may charge for alcoholic beverages if they obtain the required liquor license from the Howard County Liquor Board. The telephone number for the Liquor Board is 410-313-2008. Caterers are not issued liquor licenses in Howard County; they cannot sell alcohol, only serve it.

Sporting Equipment

Alteration or installation of equipment (such as volleyball nets) is prohibited. You must bring your own sporting goods such as horseshoes, volleyballs, etc. We do not provide sporting goods.

Bees and Insects

Bees and insects are a potential problem and can spoil your event. Please keep food and beverages covered to discourage bees and other insects. Cleaning up any spills immediately and placing a ring of soap suds around the plastic liner of your trash bags can help. Bees are especially troublesome from August through October. The Department sprays for bees on a regular basis; unfortunately we cannot guarantee success. Applicants are responsible for bringing a first-aid kit to treat bee stings and other minor injuries that may occur.

Capacities and Fees

The Department has established fees based on each pavilion's capacity, amenities and surroundings. BECAUSE OVER-CROWDED PAVILIONS CAN LEAD TO SERIOUS PROBLEMS, THE DEPARTMENT WILL HAVE THE POLICE CLEAR ANY PAVILION THAT EXCEEDS ITS STATED CAPACITY. Any activity other than that usually associated with a picnic requires approval from the Department. A special request must be made at the time of reservation. Restroom water and water fountains are turned off during winter months (December-March).

Concessions

Applicants are prohibited from operating concessions without written approval from the Department.

Field Reservations

Softball/baseball and multi-purpose fields are available by permit. Call: 410-313-4626.

Pavilion Maintenance and Services

The level of maintenance and facility preparation services are dependent upon available funds. The Bureau of Parks and Program Services attempts to supply a level of service that provides regular mowing, charcoal removal, etc. Under no circumstances can an organization or individual make an alteration, move picnic tables, install equipment, prepare a facility for play or make attempts to maintain a facility except cleanup. The facility must be returned to its original condition. Before use, inspect your permitted pavilion for safe conditions. Report unsafe conditions to the Department immediately. Once again, please be aware of potential bee problems.

Trash Pick-up

The Department holds the applicant responsible for the removal of all paper, cans, food, tape on walls, etc., used or deposited during or after their event. Put refuse in trash bags and place beside waste receptacle. This effort is essential for the Department to continue the maintenance of its facilities. The Department charges a fee of \$50 per staff per half-hour (\$50 minimum charge) for excessive trash clean-up.
