# Welcome to the Fall 2019 Activity Guide!

Welcome to the 2019 Fall Activity Guide, our first ever full-color activity guide! Within its pages, you'll find programs, special events, trips, sports leagues, and other amazing activities for Howard County residents and visitors of all ages and abilities to enjoy.

Highlights of the upcoming Fall season include August's Rockburn Open Car Show (page 10), our annual Celebration of Sports Hall of Fame induction ceremony (page 12), the Robinson Nature Center Anniversary Open House in Columbia, and the unveiling of the B&O Ellicott City Station Museum's Holiday Train Garden display (page 13) this November.

Additionally, we'll be offering a variety of Halloween-related programs for children and adults alike – including Roger Carter Community Center's Floating Pumpkin Patch (page 12), Ghostly Guides investigations in Historic Ellicott City (pages 11), and the popular Truck or Treat event at Gary J. Arthur Community Center (page 12).

Lastly, we hope you'll join us in recognizing the distinguished career of Recreation & Parks Director John Byrd, who retired this past June. Thanks to John's years of dedicated leadership, Howard County Recreation & Parks has grown to include an indoor pool, three new community centers, a nature center, and new public parks. He has also been an avid supporter of our financial aid program, which allows even more Howard County residents to enjoy our services each year.

We wish you a fun, fulfilling, and safe Fall in Howard County!

# CHILD CARE

*Our Early Learning Center has children laughing and smiling while preparing for Kindergarten.*

Howard County Recreation & Parks offers Recreational Licensed Child Care (RLC) programs for preschool (ELC) through middle school students, along with our Therapeutic Recreation Inclusion Opportunities (TRIO). Our goal is to provide a safe and structured environment for children to have fun while participating in meaningful group recreational activities.

Before a child can participate, parents must complete all licensing and required paperwork, including a health inventory, which requires a physical. All programs must meet and maintain minimum enrollment requirements to run. Fees are subject to change.

Special accommodations or interpretive services can be provided at no additional cost but are not guaranteed; a request must be made at the time of registration. Because of the presence of children with severe allergic reactions, nuts and nut products are not served or permitted at any RLC programs.

If space is available, a \$50 non-refundable registration fee is required to enroll. If a program has already filled, you may place your child's name on the waiting list at no cost.

All RLC programs have a behavioral policy with standards of conduct enforced through the use of discipline, up to and including suspension and expulsion from the program. The primary concern of the Department must be the safety and well-being of all participants, even though it may cause inconvenience to parents in a particular case. The Department makes every effort to assist children and their parents in modifying a child's behavior before their actions

become a serious enough threat to require suspension. See the Parent Manual for a complete policy statement.

For a list of who to contact and additional program information, visit [www.howardcountymd.gov/rap](http://www.howardcountymd.gov/rap) and click on Child Care. For space availability, call 410-313-7275.

## Early Learning Center

Early Learning Centers provide a safe, nurturing, active and creative learning environment for each child. Throughout the program, children enjoy building the skills needed for kindergarten (social and emotional development, reading and math readiness and fine and gross motor skills). They also participate in hands-on activities, including arts and crafts, science, nature, music, drama, and cooking. There are instructional and self-directed activities throughout the day. All programs are successful participants in the Maryland EXCELS program. Staff is trained in continuing early childhood education classes yearly. Parents provide snack/lunch. Children must be toilet-trained and meet the age requirement by September 1, 2019. If class minimums are not met, a combined class is offered.

## Aquatics

- Swimming lessons emphasize skills needed to be safe in an aquatic environment. All our instructors have been trained at our facility and are knowledgeable about the programs we teach.
- Be sure to register your child for the appropriate level. If space allows, a participant may be moved to a lower or more advanced level at the discretion of the swim lesson coordinator.
- For multiple sessions, register your child in the same course for a minimum of two sessions. Children often require more than one session to master the skills needed to proceed to the next level.
- Parents and guardians are not permitted to assist child during the lesson, except for the parent-child or Therapeutic Recreation classes. Accompanying adult for children under 16 must remain at the facility.
- Swimming diapers and/or rubber shorts must be worn.
- Read Concussion & Sudden Cardiac Arrest info. Your family's review of this info is required by law before you're allowed to register for sports/swim programs.

# General Information

Program information provided in this Guide is tentative. Consult [www.howardcountymd.gov/rap](http://www.howardcountymd.gov/rap) for the most up-to-date information.

## Registration

Program fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 2.

\*Waiver: In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the Organization and above named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any program or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

## Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility.

For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program.

Children must remain with the program for the full period scheduled. To leave before a day's program is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the program director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, **please be aware that our staff does not change diapers.**

## Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

## Canceled Programs

We don't like to cancel programs, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants will be contacted immediately and a full refund credited.

## Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your 2018 Federal Tax Transcript and
- Any proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

## Make a Donation

You can make a tax-deductible contribution to our Financial Aid Fund by [www.howardcountymd.gov](http://www.howardcountymd.gov) or call 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

## Refunds

We recognize that you may wish to withdraw for a variety of reasons, but our policy encourages early decisions so as to not affect other customers or our ability to efficiently deliver the programs. At a minimum, all refund requests are subject to a 20% administrative fee. Additional fees may be assessed to recover costs associated with the program. Class programs require at least two weeks advance notice of withdraw to avoid the additional fees. Trip refunds may reflect pre-paid admissions; but the option to transfer your ticket may be considered. Competitive sport program time frame for refunds reflects planning time and team selections; check refund details on website. There are no refunds for missed sessions.

## Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor classes will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If it snows on a weekday and the snow emergency plan is in effect in Howard County, scheduled programs will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If it snows on a weekend and the snow emergency plan is in effect at 7am, programs held in public schools for that day will be canceled. If a snow emergency is declared after 7am, programs in schools in progress may be completed but those later in the day will be canceled.

- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.
