Howard County police have arrested an Ellicott City man for drug trafficking and other charges after various illegal drugs and weapons were located in his residence.

Tiba Conley, 27, of Oak Green Court, Ellicott City, was charged with multiple counts each of armed drug trafficking, possession of drugs and drug paraphernalia, possession with intent to distribute, and multiple weapons violations, a total of 19 criminal counts. The trafficking charges are applied based on the amount of drugs seized, which in this case have an estimated street value of \$12,000.

Police served a search warrant at Conley's residence and seized various quantities of cocaine, crack cocaine, cash, and drug-packaging paraphernalia, including baggies and scales.

In addition, police located several loaded firearms, loaded magazines and loose ammunition throughout the residence.

Conley, who was at the apartment when the warrant was served, was placed under arrest without incident. He is being held at the Howard County Detention Center on \$500,000 bond.
