Welcome to the 2020 Fall Guide.

Everyone in Howard County has felt the impact of the COVID-19 pandemic. As we approach the end of the summer, Howard County Recreation & Parks continues to take necessary precautions while providing quality experiences for our residents and visitors. Over the past several months, we have transformed many of our popular in-person programs into online-only classes held over web conferencing platforms. As the state eased restrictions on outdoor activities, we were able to safely offer youth camps and other outdoor programs while continuing to practice physical distancing.

In the pages of this year's Fall Guide, you will find a mix of in-person events, classes, sports leagues and more alongside programs designed to be held online should the need arise. New events include the Robinson Nature Center's Archaeology Fest (page 11) and Halloween Tricks, Treats and Trees program (page 11) and old favorites like our Celebration of Sports Golf Tournament (page 11) and Rockburn Open Car Show (page 10). Additionally, we hope to continue to offer before and after school programs and School's Out activities that are so important to our youngest participants and their parents. Please stay up to date on any changes to programming by following the Department of Recreation & Parks on Facebook or visiting our website at www.howardcountymd.gov/rap. We thank you for your patience and your patronage while we all adjust to "the new normal." We strive to balance our community's collective need for educational, entertaining, and challenging recreational activities with an unwavering commitment to public safety.

Howard County Recreation & Parks is bringing some of our favorite classes and activities into your home as online programs!

This past May we began offering online programs and they continue to grow in popularity! We offer online programs for all age levels and topics include fitness, art, nature, and cooking. Each program is held through WebEx or Zoom. To find online-only programs  or programs that may move to an online format  due to COVID-19 or inclement weather, look for the icon next to program listings. For a list of up-to-date online programs and free video content, visit our At Home with HoCoRec page at the below url.

CHILD CARE

Howard County Recreation & Parks offers Recreational Licensed Child Care (RLC) programs for preschool (ELC) through middle school students, along with our Therapeutic Recreation Inclusion Opportunities (TRIO). Our goal is to provide a safe and structured environment for children to have fun while participating in meaningful group recreational activities.

Before a child can participate, parents must complete all licensing and required paperwork, including a health inventory, which requires a physical. Children must attend the same school as the child care program they are registered for. All programs must meet and maintain minimum enrollment requirements to run. Fees are subject to change.

Special accommodations or interpretive services can be provided at no additional cost but are not guaranteed; a request must be made at the time of registration. Because of the presence of children with severe allergic reactions, nuts and nut products are not served or permitted at any RLC programs.

If space is available, a \$50 non-refundable registration fee is required to enroll. If a program has already filled, you may place your child's name on the waiting list at no cost.

All RLC programs have a behavioral policy with standards of conduct enforced through the use of discipline, up to and including suspension and expulsion from the program. The primary concern of the department must be the safety and well-being of all participants, even though it may cause inconvenience to parents in a particular case. The Department makes every effort to assist children and their parents in modifying a child's behavior before their actions become a serious enough threat to require suspension. Please see the Parent Manual for a complete policy statement.

NEW! RecZone

Join us for an all-day program to keep your child safely engaged with their peers while schools are currently not in session. Participants will have the opportunity to engage in a variety of crafts, active activities, games and more! Program is licensed through the MSDE Office of Childcare; Specific Documentation required to participate. Participants, with proper technology, will have the opportunity to complete virtual learning assignments and work sessions. Temperature Checks and Health Screening required daily for admission to program. [Click here to register.](#)

General Information

- This is a new program. It is not affiliated with any before- or after-care program.
- The program begins on September 8 at select schools throughout Howard County.
- The program is licensed through the Maryland State Department of Education's Office of Childcare.
- [Click here to view the RecZone planner.](#)

Registration is open for all Howard County and non-Howard County Families.

For a list of who to contact and additional program information, visit www.howardcountymd.gov/rap and click on "Child Care." For space availability, call 410-313-7275.

Early Learning Center

Early Learning Centers provide a safe, nurturing, active and creative learning environment for each child. Throughout the program, children enjoy building the skills needed for kindergarten (social and emotional development, reading and math readiness and fine and gross motor skills). They also participate in hands-on activities, including arts and crafts, science, nature, music, drama, and cooking. There are instructional and self-directed activities throughout the day. All programs are successful participants in the Maryland EXCELS program. Staff is trained in continuing early childhood education classes yearly. Parents provide snack/lunch. Children must be toilet-trained and meet the age requirement by September 1, 2020. If class minimums are not met, a combined class is offered.

Elementary School Before & After Care

Before & After Care for Elementary School 2020-2021 Academic Year

This licensed program provides varied recreational activities. The Before Care offers low-key programming while the After Care incorporates a structured energetic format. Activities include crafts, games, sports, special events and intramural competitions throughout the school year. To promote good health and wellness, we implement heart-healthy activities. Our curriculum is weekly, theme-based and focuses on healthy eating habits and active play to encourage and educate children to make positive life choices. All programs are licensed through the Maryland State Department of Education's Office of Child Care and are participants in the Maryland EXCELS programs. Info: RLC office, 410-313-3706.

Middle School After Care

"Can-TEEN Club" Middle School

After-School Program

Our licensed after-school program provides a safe and high-quality environment for teens that enhances leadership skills and develops future leaders. Activities include educational and academic experiences while promoting positive thinking. Each location offers homework time, snack, sporting events and craft projects as part of the daily schedule and encourages healthy eating and exercise essential to everyday living. Participants engage in community service outings and events that include visiting Recreation & Park's sponsored after-school programs to mentor 4th & 5th grade students. Special events and outings may require additional fees. VOLUNTEER OPPORTUNITIES

The mission of the volunteer program is to enhance the programs and services of Recreation & Parks with additional resources while providing an opportunity for the citizens of Howard County to contribute to their community. Volunteer opportunities are available in many areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation, and special events. To volunteer with Howard County Recreation & Parks, you must meet the following requirements:

- Be at least 18 years old or 13-17 years old with parental consent;
- Complete the volunteer application;
- Be a good role model with a positive attitude; and
- If 18 years old or over, complete a Background Release Form, if required for the position.

To sign up for a volunteer opportunity or to find out what volunteer events are coming: www.HoCoVolunteer.org. Info: Shawnté Berry, 410-313-4624 or sberry@howardcountymd.gov.

Crafts & Fine Arts

School's Out Workshop with KidzArt!

School is out, but the fun continues with KidzArt Workshops! Come engage your imagination in a whole new way! Our format allows you to learn fine art techniques while encouraging creative thinking in a relaxed environment. KidzArtists explore a variety of artist grade materials through exciting drawings and 3D projects from popular summer camps. Breaks for snack, lunch and active play included too! Bring an apron, smock or wear old clothes.

Best of Club SciKidz

What better way to celebrate the last week of summer than participating in some of Club SciKidz' most amazing, fun, and engaging experiments and activities? During this week of camp campers will do a little bit of everything— science, technology, chemistry, and more! Campers will witness some of the classic demonstrations as well as participate in 20 hands on activities. It's also a great way to sample some potential camps for next year!

Animation using Minecraft via ZOOM with CyberTeck Academy

In this class, students will learn how characters move and look alive in movies and video games! They will be introduced to basic 2D and 3D animation techniques using Minecraft characters and stages. Kids will expand their perception, observation, and timing skills, as well as exercise their imagination and storytelling by studying motion in reality; then applying it to animation. Students will learn how animators work by completing a variety of short animation exercises and projects. They will apply acting theories and animation principles to scenes they create. Does your child aspire to become an animator for games and movies? Sign up for this class today! This class will be taught via ZOOM. Info: William Banks, 410-313-4721 or wbanks@howardcountymd.gov.

Art Lectures

NEW! Art Lecture: Picasso vs. Matisse with Ann Wiker ⭐

The relationship between the artists Henri Matisse and Pablo Picasso is the subject of this lecture. Hear about the influences each artist had on the other's creations. The two artists famously met for the first time at one of Gertrude Stein's dinner parties. From that time on, their lives and their artwork were affected by each other: Who was more prolific? Who was intimidated? Were they friends?

NEW! Art Lecture: Bridge Between Earth Science and Art with Ann Wiker ⭐

Art and science are often treated as two separate disciplines but when they are considered together, it is easy to see the connections and impact between the two. Both artists and scientists strive to see the world in new ways, and to communicate that vision. This presentation explores how artists have historically used science in their work. Enjoy discussing the drawings of Leonardo da Vinci (who said "Art is the queen of all sciences communicating knowledge to all the generations of the world"). Then review other artists who documented flora and fauna, birds, animals, and the sea world through their artwork.

Mat Pilates with Doreen Sheppard - Cert:

Balanced Body Pilates/Barre Above

Pilates strengthens the core muscles of the pelvis, abdomen and back to improve balance, trunk strength, flexibility, body awareness, and whole-body movement. Mat Pilates exercises are performed in a controlled, precise manner and require concentration. The slow and graceful movements make this format accessible for most regardless of age or fitness level. The benefit of Pilates mat work is that it can be done anywhere with just an exercise mat. Props (provided by the instructor) such as the Pilates ring (or Magic Circle) and mini-balls are used to challenge strength and stability. Bring a yoga mat.

Aquatics

- Swimming lessons emphasize skills needed to be safe in an aquatic environment. All our instructors have been trained at our facility and are knowledgeable about the programs we teach.
- Be sure to register your child for the appropriate level. If space allows, a participant may be moved to a lower or more advanced level at the discretion of the swim lesson coordinator.
- For multiple sessions, register your child in the same course for a minimum of two sessions. Children often require more than one session to master the skills needed to proceed to the next level.
- Parents and guardians are not permitted to assist child during the lesson, except for the parent-child or Therapeutic Recreation classes. Accompanying adult for children under 16 must remain at the facility.
- Swimming diapers and/or rubber shorts must be worn.
- Read Concussion & Sudden Cardiac Arrest info. Your family's review of this info is required by law before you're allowed to register for sports/swim programs.

Ki-Aikido by Russ Dauber

Martial arts and Ki training, taught by Japan's Shinshin Toitsu Aikidokai, promotes dynamic movement with unified mind and body. The Ki part is low impact; the Aikido part involves rolling on mats. Effective traditional self-defense techniques flow with and lead attackers' movements for safe conflict resolution. We develop the benefits of keeping one point and extending ki (www.aikidohoco.com).

USTA Tennis Play Day

Each USTA Play Day allows kids to compete with players of similar age and skill level. The action keeps moving in quick matches and so will your child. With the emphasis on fun, kids gain both confidence and play experience in a low-pressure environment with friends. Participants compete against multiple opponents in non-eliminating matches using red balls on 36-foot courts and/or orange balls on 60-foot courts. Ideal for those that have basic mastery of strokes and can rally but have not yet had as much match play experience. All participants will receive a prize.

Evening at the Theatre – Elf

Join us for Toby's production of *Elf: The Musical*. This is a hilarious tale of Buddy, a young orphan who mistakenly crawls into Santa's bag of gifts and is transported back to the North Pole. Unaware that he is human, Buddy's size and poor toy-making abilities cause him to face the truth. With Santa's permission, Buddy embarks on a journey to New York City to find his birth father, discover his true identity, and help New York remember the true meaning of Christmas. This modern day holiday classic is sure to make everyone embrace their inner elf. Participants must be able to function in 1:5 staff to participant ratio. Fee includes dinner and beverage.

Field Trips & Robinson on the Road outreach programs

We offer year-round virtual and in-person field trip programming for all ages as well as outreach programming. Programs may be booked Wednesday-Sunday during our hours of operation. Please see www.howardcountymd.gov/RNC/education for details on booking programs.

Rentals

Robinson has two classroom spaces, an auditorium, an outdoor patio space and the NatureSphere planetarium for birthday parties, meetings and special events. Wedding packages are available. Applicants must be at least 21.

General Information

Program information provided in this Guide is tentative. Consult www.howardcountymd.gov/rap for the most up-to-date information.

Registration

Program fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "Ways to Register" section on page 2.

*Waiver: In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the Organization and above-named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any program or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility.

For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program.

Children must remain with the program for the full period scheduled. To leave before a day's program is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the program director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, **please be aware that our staff does not change diapers.**

Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

Canceled Programs

We don't like to cancel programs, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants will be contacted immediately and a full refund credited.

Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your 2019 Federal Tax Transcript and
- Any proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

Make a Donation

You can make a tax-deductible contribution to our Financial Aid Fund by www.howardcountymd.gov or call 410-313-4683. You may also donate through our online registration site (click on "donation" button).

Refunds

We recognize that you may wish to withdraw for a variety of reasons, but our policy encourages early decisions so as to not affect other customers or our ability to efficiently deliver the programs. At a minimum, all refund requests are subject to a 20% administrative fee. Additional fees may be assessed to recover costs associated with the program. Class programs require at least two weeks advance notice of withdraw to avoid the additional fees. Trip refunds may reflect pre-paid admissions; but the option to transfer your ticket may be considered. Competitive sport program time frame for refunds reflects planning time and team selections; check refund details on website. There are no refunds for missed sessions.

Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor classes will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If it snows on a weekday and the snow emergency plan is in effect in Howard County, scheduled programs will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.

- If it snows on a weekend and the snow emergency plan is in effect at 7am, programs held in public schools for that day will be canceled. If a snow emergency is declared after 7am, programs in schools in progress may be completed but those later in the day will be canceled.
- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.

Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

Rules of Conduct

The following rules must be observed while participating in Recreation & Parks programs. Specific rules may be added for individual programs and needs.

- All tobacco products are prohibited in buildings, school property or County parks
- No food or beverages in unauthorized areas; glass containers are prohibited.
- No soliciting or loitering
- No interference with employee or volunteer duties
- No harassment, bullying, or inappropriate or indecent conduct, language, or clothing
- No unauthorized use of alcohol, drugs, intoxicants or weapons
- No parking in unauthorized areas or driving/parking on field areas
- No alteration or installation of equipment (such as basketball hoops, fences or lining)
- No defacing of property (indoors or outdoors)
- No conduct that may jeopardize the safety of others.

Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general

recreation programs. With your registration, please include information regarding your disability and any accommodations needed. We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided to Howard County residents at no additional cost. To ensure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or spotts@howardcountymd.gov.

Other Policies

Additionally, the Department reserves the right to

- Cancel a program for any reasonable cause;
- Deny registration or entry into a program when it deems necessary to assure public safety;
- Suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- Photograph programs, participants and volunteers for publicity purposes; and/or
- Adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.

Public Meetings

For information about Howard County Recreation & Parks Advisory Board meetings, call 410-313-4640. Your comments are welcome at these sessions. Park Board members are Sylvia Ramsey (Chair), Edward Coleman (Vice Chair), A. Raul Delerme (Recording Secretary), Mavis Ellis (Board of Education Designee), Thomas M. Franklin, J. David Grabowski.

Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department and County, visit www.howardcountymd.gov and scroll to bottom of page and click on "Careers."

The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit www.howardcountymd.gov/rap and click on "Forms and Publications" or call 410-313-4639.

Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you'd like to share your time and talent, visit www.HoCoVolunteer.org to view opportunities and register.

Sponsorships

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising. Please call Anna Hunter for more information at 410-313-4686.
