ATTENTION

Water/Sewer charges are billed on a quarterly basis:

1. Charges are based on metered water usage. However, there is an account user charge based on meter size even if there is no water usage. A flat rate is charged for sewer only accounts.
2. Payments must be received in the Department of Finance on or before the net due date to avoid late fees.
3. A 10% late fee is assessed to the unpaid balance if payment is not received in the Department of Finance by the net due date.

If payment has not reached the Department of Finance on or before the due date the gross amount will be applicable and a "Past Due Notice" will be issued. Failure to pay the "Past Due Notice" will result in discontinuance of service. Turn-off and turn-on charges will then be assessed.

Bills are not forwarded. All forwarding addresses must be submitted to the Department of Finance. The forwarding addresses with the postal service do not allow the water/sewer bills to be forwarded. Water/Sewer charges are a property lien. The property owner is responsible for payment of this water and sewer bill. Howard County does not pro-rate between buyer/seller or landlord/tenant.

If you enroll in Round Up, your bill will be rounded up to the nearest dollar when you are billed. You may cancel enrollment at any time on your bill or by contacting the Division of Water and Sewer Billing. You can also make a one-time donation on your bill stub. These donations fund the Help 2 Others (H₂O) Fund. For more information see our web site.

If your sewer line has a blockage call the Bureau of Utilities Office (410) 313-4900 before calling a plumber.
