## **PROGRAM SUMMARY**

Welcome to the MIHU Monthly Report. The report is posted monthly on the County website at [www.howardcountymd.gov](http://www.howardcountymd.gov) (click on “Departments – Housing and Community Development”).

The MIHU Program is an inclusionary zoning program that requires developers of new housing in specific zoning districts to sell or rent a portion of the dwelling units to households of moderate income. MIHUs are sold or rented through Howard County Housing at affordable prices and rents. MIHUs are interspersed throughout each development and residents enjoy all the amenities in the community.

A household of moderate income is defined as one whose household income does not exceed 80% of the Howard County median income for purchasers and 60% of the Howard County median income for renters. The Howard County median income for 2019 is \$111,473. All types of dwelling units are available for purchase or rent, from apartment-style dwellings and condominiums, to townhouses and single-family detached dwellings. The purchase price and rental rate for each type of MIHU is calculated according to an affordability formula established by the MIHU regulations. MIHU prices are set twice a year. Applications for the program can be obtained during open enrollment periods at the Howard County Housing office, by calling (410) 313-6318 or online at [www.howardcountymd.gov/MIHU](http://www.howardcountymd.gov/MIHU). Rental applications are accepted year-round on a first-come, first-serve basis at the rental communities that offer MIHU apartments. Visit our website for a list of participating rental communities.

As of January 1, 2019, new MIHU pricing and standards are in effect. Current pricing and standards are posted publicly and are also available by contacting the office or by visiting our website: <http://www.howardcountymd.gov/mihudevelopers.htm>. Rental rates and rental community contact information is also available by phone, email and on the department website.

In March, five new homes were sold in the Oxford Square/River Overlook, Shipley’s Grant and Waverly Grove communities, one MIHU resale transaction settled in the Oxford Square /Exeter Park Community, and LIHU/MIHU agreements were signed for the St. Charles Woods and Oxford Square/The Yards communities respectively. With the newly signed agreements, there are 10 new homes in the portfolio of affordable homes pending construction.

On March 20<sup>th</sup>, the department hosted a lunch and learn session to inform county employees of benefits that may assist them with becoming Howard County residents. Although other County and State programs were mentioned, most of the 45 employees in attendance were interested in the MIHU program. As a result, we anticipate receiving more applications from employees during the next open enrollment period. We also plan to host employee information sessions in other Howard County buildings before year end. April is the next open enrollment month for the MIHU homeownership program.

Lastly, our records indicate that 90% of all program homeowners have returned annual compliance audit forms. Additional efforts to call and/or email the remainder will take place over the next month. We are reviewing 2 potential violations and will work with other County departments to resolve any issues.

Additional MIHU information is available by phone, on the website or by emailing Lisa Wiseman at [lwiseman@howardcountymd.gov](mailto:lwiseman@howardcountymd.gov).

## **TRACKING – RESALES and RELEASES**

MIHU homes are perpetually affordable. In other words, once the units are designated as MIHUs, they remain in the program in perpetuity. When a builder requests a priority period for new MIHUs, the Department has 120 days to find eligible buyers to purchase the MIHUs. In the event the Department does not provide an eligible buyer within the priority period, the unit is released to the builder to be sold at market rate. When units are sold at market rate as a non-MIHU, the builder is required to split the net proceeds with the County 50/50. Upon receipt of the net proceeds, the department will execute a release of the unit from the program.

The County reached an agreement with Beazer Homes in December 2018 regarding the unsold MIHU townhomes at Morris Place in Elkridge. A combination of factors, including location, amenities and unit design, made it difficult for the Department to find MIHU buyers for their units. Beazer Homes agreed to pay \$56,000 per unit to the County for each MIHU townhouse that was sold at market rate. These funds were received in FY2019 and will be budgeted to be spent in FY2020 on another affordable housing initiative.

A similar process occurs for MIHU resales. When an MIHU homeowner contacts the Department to request a resale price, a 120-day priority period begins to find an eligible buyer for the home. If the home is not awarded within the priority period, the homeowner may sell the home at market rate as a non-MIHU and split their proceeds with the net proceeds with the County 50/50. The Department continues to update the database and increase marketing efforts to identify income eligible, mortgage ready candidates.

### **MIHU FEE IN LIEU**

One method of alternative compliance is a fee-in-lieu option. Developers of single family, detached dwellings may pay a fee-in-lieu instead of providing MIHUs in the following zoning districts: RC, RR, R-ED, R-20, R-12, and R-SC. Developers of age-restricted, planned senior communities, single family attached dwellings in R-H-ED and mixed-use developments in MXD are also eligible for the fee-in-lieu option. Developers contact the Department for an MIHU agreement when they receive a Technically Complete letter from Planning and Zoning.

The County's Office of Inspections, Licenses and Permits collects the fee in lieu. The Department is tracking this information to comply with the legislation's reporting requirements and to determine potential revenue for affordable housing units and programs. The Department has signed fee in lieu agreements for 140 units in 7 developments through March 2019. The FY19 budget spending authority for the fee-in-lieu revenue is \$1,000,000.

<b>Development</b>	<b>Zip Code</b>	<b>Zoning</b>	<b>New Lots</b>	<b>Agreement Signed</b>
Jack's Landing	21029	RR-DEO	3	3/4/19
McCoy Property	21029	RR-DEO	1	3/13/19
Ellicott Woods	21043	R-20	2	3/21/19

Section 13.402C(e)(8) of the County Code requires the Department to provide a detailed annual report to the Council of each collection and expenditure of all MIHU fee-in-lieu funds for the prior calendar year by February 1<sup>st</sup>. For the Calendar year ending December 31, 2018, the Department used fee-in-lieu funds to provide 20 Settlement Downpayment Loans and 10 Workforce Initiative Loans totaling \$460,145 and \$21,019 respectively to first-time MIHU homebuyers. In addition, \$400,000.00 is committed to fund financial education and credit counseling, rehabilitation of a home for a low-income family impacted by the Ellicott City flood, financial assistance for rental subsidies and eviction prevention, operational support for residents in a substance abuse recovery house, and the creation of three (3) single family units to rent to nine (9) low-income residents with disabilities in FY2019. Because fee-in-lieu revenues are committed when an MIHU agreement is signed, but not paid until a building permit is issued, the fees from these projects may or may not be collected in the same year that the agreements are signed. This letter was submitted to the County Council on January 17, 2019. The report is posted on the Department's website at [www.howardcountymd.gov](http://www.howardcountymd.gov).
