Teen killed in fatal single-vehicle collision in Elkridge

Howard County police are investigating a fatal single-vehicle collision that occurred shortly before 5:00 a.m. in the 5500 block of Landing Road in Elkridge.

Preliminary investigation has revealed that a 2014 Infinity QX60 SUV was traveling southbound on Landing Road when the driver lost control in a curve and the vehicle traveled off the road, striking several trees and a utility pole.

The driver, a 16- year-old male juvenile, was pronounced dead at the scene. He will be identified following notification of next of kin.

A 17-year-old male passenger was transported to Howard County General Hospital with non-life threatening injuries. There were no other occupants in the vehicle.

Preliminary investigation indicates speed may have been a contributing factor in the collision.

The 5500 block of Landing Road remains closed while police continue to investigate.
