Revised 3/12/2024

HoCoGro Compost and HoCoGro Mulch

Made Locally Spread Locally

The County sells **HoCoGro Compost**, a US Composting Council STA-Certified compost, **HoCoGro Mulch**, a naturally-colored double-shredded hardwood mulch, and a **blended topsoil** made with compost, directly to contractors and the public.

Contractor services do not include the cost of the compost, mulch or blended topsoil, but are for the delivery services of the requested quantities to properties within Howard County. These contractors have agreed to pass the cost of the material directly on to the residents with no additional mark-up. Contractors will charge the retail cost of the product and the pre-priced delivery services. Some contractors may request that you pay for the material directly. Others may limit their delivery location to a location on or adjacent to pavement.

Most of these contractors also provide other landscaping services such as aeration, bed turning, spreading and other landscape or lawn services. It is up to the resident to negotiate for any services other than product delivery.

This is not a complete list of contractors who deliver **HoCoGro Compost** and **HoCoGro Mulch**. It is only the best pricing that was offered in April 2024. Ask your favorite landscaper to use **HoCoGro** products.

The staff at Alpha Ridge Landfill is proud of the quality and value of our compost, mulch and topsoil. We thank you for considering and using our products. We want to make it as convenient as possible for residents of Howard County to use these products in their gardens and lawns. The listed contractors have agreed to deliver our product at a nominal cost with no compensation made for this listing. In order to make our products and services better, please call us and give us feedback on both the material and the delivery services. Comments should be provided to Operations Division Chief, Joshua Gliptis at 410-313-6419.

Helpful Tip: Spread mulch in a ring like a doughnut. Mulch volcanos encourage disease and pests.

General Disclaimer

This list of contractors provided as a courtesy to Howard County residents and is not intended to be construed or relied upon as an endorsement, recommendation, or favoring by Howard County Government (“the County”) for any services provided. None of the contractors listed are agents of the County and the County assumes no responsibility or liability for any resident’s use of the pre-set pricing. All transactions are private matters between the resident and the contractor. It is the responsibility of each resident to evaluate whether the prices and terms associated with the delivery are in their best interests.
