

Wood Pallet Disposal

The Alpha Ridge Landfill now charges a commercial tip fee for wood pallets.

Pallets will no longer be accepted in the Wood Waste Area for mulching. Loads will be directed to the Transfer Station for disposal. The change is a result of the marketplace no longer accepting mulch containing pallets.

Below is a list of companies that may accept pallets for recycling and reuse:

King Pallet - kingpallet.com

Edrich Lumber, Inc. - edrichlumber.com

Frank's Pallets Service - frankspallets.com

Peter's Pallets - peterspallets.net

Valleywood Pallets - valleywoodpallets.com
