

2022 Senior Tax Credit Application – Deadline: October 1, 2022 Guide to the Application Process

Howard County provides a credit for the real property tax bill for homeowners 65 or older who qualify based on gross household income. Since eligibility for the program is based upon income, it may be convenient for you to complete this form at the same time you prepare your federal income tax returns. Applications are processed by the Howard County Department of Finance Tax Credit Section.

The amount of credit equals 25% of the County property tax due in the current year **after** applying the Homestead Credit. The amount credit is calculated after all other allowable credits granted for the property are applied. You **MAY NOT** receive an Aging in Place Tax Credit and a Senior Tax Credit in the same tax year.

****IMPORTANT**** If your combined gross household income does not exceed **\$45,000** and your Net Worth does not exceed **\$200,000** (excluding the value of your home, and excluding the value of qualified retirement plans, and individual retirement accounts), you **MUST** also submit a completed Homeowner Credit application to the Maryland State Department of Assessments and Taxation no later than October 1, 2022. More information on the Homeowners' Property Tax Credit Program can be found on the department's website at www.dat.maryland.gov or by contacting the program at 410-767-4433 or 1-800-944-7403.

A homeowner may claim credit for only one principal residence.
