IMMIGRANT BEHAVIORAL HEALTH SERVICES PROGRAM IN HOWARD COUNTY

The Immigrant Behavioral Health Services Program assists people who are foreign-born, live in Howard County, are low-income and do not qualify for services through the public behavioral health system*.

Funds are available to help with the cost of behavioral health evaluations, counseling and medication management.

Immigrant Behavioral Health Services Program helps clients:

- Get a behavioral health evaluation
- Find a therapist and/or psychiatrist
- Make appointments for counseling
- Get help with managing medications, counseling costs and medication costs

Visit hchealth.org, or call 410.313.6300 for more information.

*Interpreting services may be available for immigrant and undocumented/uninsured clients
