

Welcome to the 2024 Summer Camp Guide!

Things are heating up at Howard County Recreation & Parks as we prepare for our summer camp season. We know how important it is to ensure our young residents are staying active, having fun, and making friends during the summer months.

Whether you are looking for half-day or full-day camps, this guide has great options. Be sure to look for the sun logo 🌞 to find camps that run at least eight hours.

Our Recreation & Parks team works year-round to find new and exciting camps that are sure to be the buzz around town. Did you know we offer camps that combine activities with time at the Roger Carter Community Center pool? Camps with this option include Gateway to China (page 16), Basketball & Swim (page 41), Junior Tennis & Swim (page 50) and Tennis, Golf, & Play Camp (page 50), and Tennis & Swim (page 51).

Looking for NEW camps? In 2024, the science & technology (page 34) section offers the greatest number of new contractors and themes. Other new camps include Dance a Story Camp by Kinetics Dance Theatre (page 17), Baking from Scratch Cake Camp by Charm City Cakes (page 9), Little Brushes with Pinot's Palette (page 15), Nail Your Summer with Green Goals Teen Nail Camp (page 19), Snapology LEGO® Camp (page 24), Build-A-Voice Camp (page 28), Music Composition for Video Games (page 27), Living off the Land Camp (page 31), NFL Flag Football Camp (page 42), Overtime Athletics All-Sports Camp (page 47), and several new American Girl camps (page 20).

Don't wait because many of our camps fill quickly! Here's to a safe, fun summer for all. Sincerely,

Calvin Ball, Howard County Executive
Nick Mooneyhan, Director of Recreation & Parks

County Executive Calvin Ball

Director Nick Mooneyhan

5 EASY WAYS TO REGISTER

Howard County Residents:

Online registration begins January 31 at 6pm. All other methods begin February 1.

Out-of-County Residents:

Online registration begins February 7 at 6pm. All other methods begin February 8.

Financial assistance and payment plans are available for Howard County residents. We also offer financial aid. Information: 410-313-7275.

Online: www.HowardCountyMD.gov/rap

An online account is required and may take up to 48 hours to process.

Phone: 410-313-7275 (voice/relay) (8am-4:30pm, M-F)

Fax: 410-313-4658

Mail-in: Howard County Recreation & Parks Headquarters

7120 Oakland Mills Road, Columbia, MD 21046

Walk-In:

Howard County Recreation & Parks Headquarters 7120 Oakland Mills Road, Columbia (8am-4:30pm, M-F)

Gary J. Arthur Community Center 2400 Rte. 97, Cooksville (7am-9pm, M-Sa; 9am-6pm, Su)

Harriet Tubman Cultural Center

8045 Harriet Tubman Ln, Columbia (9am-6pm, M-F; 10am-2pm, Sa)

North Laurel Community Center

9411 Whiskey Bottom Road, Laurel (8am-9pm, M-Sa; 9am-6pm, Su)

Robinson Nature Center

6692 Cedar Lane, Columbia (9am-5pm, W-Sa; Noon-5pm, Su)

Roger Carter Community Center 3000 Milltowne Drive, Ellicott City

(6am-10pm, M-F; 7am-10pm, Sa; 7am-9pm, Su)

Individuals with disabilities are welcome in all camps and may request accommodations if needed. Recreation & Parks does offer therapeutic recreation camps for those needing a smaller staff-to-participant ratio (page 52).

All Howard County Recreation & Parks camps abide by our camp standards while maintaining the highest level of safety possible.

Information: www.HowardCountyMD.gov/recreation-parks/programs.

Are you receiving important emails from Howard County Recreation & Parks?

It has come to the County's attention that many emails from staff announcing a canceled class, location change, and/or class info are not getting to you.

Please check your spam/junk folder periodically for emails from Recreation & Parks (name@howardcountymd.gov). If you find a message, select the "not spam/junk" button or add the email address to your safe sender list.

VIEW CAMPS BY WEEK

www.HowardCountyMD.gov/CampsByWeek

Adventure & Outdoors

- Camps listed by age first, then alphabetical.
- Detailed information and camp participant forms emailed to registrants approximately two weeks prior to the start of each camp session.
- Special accommodations are available but not guaranteed. Requests must be made at least two weeks in advance.
- Camp may be canceled in case of inclement weather.
 In most cases, Friday will be used as a make-up day.
- Schedules subject to change.

Lil' Archers Camp

Experience the sport of archery in a fun, safe and supervised environment. Use plastic arrows with rubber suction cups to learn the basics of archery. No experience necessary and all equipment supplied. Info: Matt Medicus, 410-313-1769 or mmedicus@howardcountymd.gov.

4-5 yrs Meadowbrook Ath Comp Days: 4

RP9062.801 Jun 3 10-11:30am M-Th \$75

NEW! Outdoor Tykes

Join us this summer for a fun new camp exploring the great outdoors! Campers learn an appreciation for nature through a variety of activities such as archery using our Lil' Archers equipment, nature walks, and a scavenger hunt. Group games and arts and crafts add to the fun. Info: Kristen Coffee, 410-313-1754 or kcoffee@howardcountymd.gov.

GEMS:

Girls EmpowHERment Camp 🌞 **flick**r

Shine bright and leave a trail of sparkle wherever you go. This camp includes a variety of activities designed to cultivate creativity, explore the mind, and develop a positive self-image. Participants engage in leadership and team building exercises to manifest capable young individuals and build confidence. With a hint of beauty-inspired activities incorporated, participants discover personal style, learn self-care tips, and take away a few cosmetology-based skills. This camp provides a little bit of everything, with the hopes that participants leave with something they keep forever. Info: Teia Templeton, 410-313-4674 or ntempleton@howardcountymd.gov.

Chess Camp

with Magnus Chess Academy **flick**r

Play and learn chess with Magnus Academy! We've taught 100,000 children including national champions, but most students are beginners looking to learn and have fun! Campers are divided into groups by skill level. Activities include learning the rules, openings, tactics and endgames, studying master games, and playing lots of games against other students. At the end of the week, campers receive a T-shirt and chess set. All equipment provided.

Cooking Ever After with Club SciKidz: Our favorite children's stories and fairy tales come to life through cooking! Become a fairy and create your own Pixie Dust. Read and act out stories and create your own Stone Soup. The Three Little Bears comes to life as we create a bear mask and a "beary" cute treat. Join the Lost Boys of Peter Pan to create Pirate Ship Pizzas.

Culinary Artist Extraordinaire with Club SciKidz: Art makes the world beautiful, and cooking makes the world delicious! Culinary artists bring art and cooking together in an exciting, new way! Learn about different artists, kinds of art, and art techniques. Then prep, cook, and bake treats that use a technique, style, or specific artwork for inspiration. Learn how artists use color to express feelings and emotions and recreate Van Gogh's Starry Night on grilled cheese! Explore how different artists use geometric forms and make Kandinsky Cakes. This camp is the perfect combination of cooking and art. We can't wait to see what each culinary artist creates!

Culinary Creations with Club SciKidz: Come join us for a week of culinary creations! Focus on a new theme each day. Travel under the sea to learn about various sea creatures and make Octopus Cupcakes. Transport back to land and learn about insects and bugs by making Lady Bug Cookies and a healthy snack like Vegetable Bugs. Grab your camping gear to explore the great outdoors to make the cutest campfire cupcakes and some snacks that are perfect for your next camping trip! Enjoy learning about our world while making new and fun recipes.

Cupcake Wars with Club SciKidz: Tie on your apron and prepare for battle! Come learn about the principles of baking. Take these tools to the kitchen as you compete in a different cupcake baking challenge each day. Begin with the basics, and by the end of the week, make cupcakes and frosting from scratch. Each day has a different challenge theme (ex: Breakfast, Color Surprise, and Summer Fun)! Prepare to get creative and enjoy the competition while learning the basics of baking!

Galactic Kitchen with Club SciKidz: Blast off into space with this camp favorite! Using rockets as inspiration, make Rocketship Kabobs and Rocketship Pizzas. Use science to make your very own rocket. Learn about the cosmos through delectable treats and crafts. Bake and create Space Rocks from scratch; identify constellations; and bake your own Constellation Cookies. Prepare for a close encounter while making adorable alien cupcakes and magnets. Besides baking, enjoy some painting and creating out-of-thisworld picture frames and coasters.

Game On! with Club SciKidz: This camp uses the wonderful world of sports for its inspiration! Baseball, football, and basketball are our nation's favorite pastimes, and we're combining them with another favorite pastime — eating! Learn about (and play) our favorite sports and then create delicious recipes that connect to the sport. Make your own handheld basketball game and then move from the court into the kitchen to make basketball cake balls! Play an exciting game of tee-ball and then head back to the kitchen to do a baseball-inspired craft and make two different kinds of baseball pretzels! And golfers — never fear — you won't be forgotten! Make your very own Hole-In-One donuts! This camp is sure to be the MVP of your summer!

Hogwarts' Kitchen Adventures with Club SciKidz: Join Harry in the kitchen and try your hand at some magical and mystical culinary creations. Your adventure begins with Sorting Hat cupcakes and choosing and creating your own magic wand. Continue to Hogsmeade and create Butterbeer and Golden Snitch Truffles. What magical spells will you use in your creations? The Ministry of Magic will undoubtedly enjoy your treats! (Formerly called School of Culinary Wizardry. Same camp, new name!)

Jurassic Chef with Club SciKidz: Travel back in time to the land of dinosaurs. Learn about them through cooking! Create your very own Dinosaur Footprint Flapjacks. Hatch your own Dinosaur Egg by creating a chemical reaction. Explore the prehistoric era by making your own fossil egg and Dinosaur Dirt. Discover animals locked in time by creating Dino DNA Amber Treats.

Kitchen Chemist with Club SciKidz: In this camp, the kitchen becomes a scientific laboratory where you are both a scientist and chef as you learn about a variety of chemical reactions, oxidations, and the scientific method. Learn all about lemons and use this sour fruit as inspiration for a science experiment and a tasty treat. What do the Statue of Liberty, a penny, and ketchup have in common? Your camper(s) are able to tell you, along with telling you about the fourth state of matter! Who knew science could be so delicious?

Magical Mash-Up with Club SciKidz: Travel with us to the land of all things magical and sparkly! Glitz and glam is a key ingredient as we make yummy recipes and magical crafts. Make a feast of unicorn desserts and a DIY unicorn planter. Mermaid fudge keeps our bellies full; and mermaid sugar scrub keeps our skin feeling smooth! The final stop is the enchanted forest, where we make Dragon Scale Slime and mini-Witch Cheesecakes.

Nailed It! with Club SciKidz: Join us for another set of exciting baking and cooking challenges! Just like in the TV show, you are given a culinary task to recreate each day. Campers are provided with the inspiration and the recipe to re-create the masterpiece. Use creativity and resourcefulness in the kitchen to make a masterpiece. Take the challenge of making homemade hamburger cupcakes, melted snowman cookies, unicorn poop cupcakes, and more! Can your chef "Nail It?"

Financial assistance available to those that qualify. Info: page 53.

Abrakadoodle: Artful Eats – Culinary Creativity Camp

This fun camp is where we'll whip up a recipe for artistic fun without a pinch of real food involved! This camp is a culinary adventure like no other, where we explore the world of art through creative food-inspired projects. From crafting deliciously imaginative sculptures and designing whimsical food-themed paintings to cooking up your own artistic recipes that you won't find in any cookbook, we'll show you how to turn art into a mouthwatering masterpiece. No need to worry about real ingredients; our artistic ingredients are pure creativity, and the results are truly delectable. Join us for a week filled with deliciously imaginative art, where the only thing on the menu is your boundless creativity!

Bluey Ballet and Tap Adventure by Dance Connections, Inc.

Dance, create, and embark on an adventure with Bluey and her family where your imagination takes center stage. This camp is all about the magic of movement as dancers twirl, tap, and pirouette in the world of ballet and tap. Dancers are guided through exciting ballet and tap classes and explore their artistic talents by creating Bluey-themed crafts. Each day a new Bluey (the popular children's show) theme/episode is explored like *The Beach, The Creek*, and *Keepy Uppy*. Wear athletic attire including leggings and tank tops. Ballet and tap shoes are required, please wear light socks under shoes.

3-5 yrs Days: 4

American Girl Camps

by Rita Snyder & Associates flickr

Hands-on activities make each day especially fun with related arts and crafts, cooking, games, music, and more! Make different recipes for each camp. Personalize a cookbook of the recipes made in camp.

NEW! Journey to Fun with American Girls of Today 3

This camp is designed especially for you, an American Girl of Today! Design and make theme-related crafts, doll accessories, and recipes for you and your doll! Themes may include STEM Discovery Day, Get Creative with Art Day, Bling Your School Supplies Day, Doll Fashion Design and Room Decor Day. Each day's activities also include cooking, games, and hands-on activities for you and your doll!

NEW! Learn to Bake with American Girls Claudie and Grace

Bake treats like Claudie, the newest historical American Girl doll and American Girl of the Year Grace! Make homemade goodies from scratch. Have fun measuring and mixing ingredients, putting them in the oven and waiting for the magic to begin. Each day has different treats on the bakery menu (example: cookies, cupcakes, and even French pastries) just like Claudie and Grace would make! While waiting for the goodies to cook, make different baking accessories and crafts. Baking emphasizes reading comprehension, math and chemistry.

NEW! Journey to Fun with the American Girls of Today 2

This camp is especially designed for you, an American Girl of Today! Each day is made special with theme-related arts and crafts, cooking, games, music and other hands-on activities! Themes may include Gardens Galore, Pet Celebration, Fun in the Sun, and Slumber Party Spa Day! Design and make crafts and accessories for you and your doll!

NEW! Journey to Fun with the American Girls of Today and Yesterday 2 Have fun with some of the American Girls of the Year: Joss Kendrick, who was born with hearing loss, is an avid surfer and beginner cheerleader; and Luciana Vega who loves outer space and dreams of being an astronaut, and the first person to explore Mars. Travel back in time to 1774 and learn about colonial America with Felicity Merriman. In addition, learn about life in the 1930s and the Great Depression and the resourcefulness of Kit Kittredge. Each day is made even more special with related arts and crafts, cooking, games, music and other hands-on activities for you and your doll!

Journey to Hogwarts with Harry Potter by Rita Snyder & Associates **flick**r

Pack your bags and meet at Platform 9 ¾ to travel to Hogwarts School of Witchcraft and Wizardry. The books come alive as you visit each house (Gryffindor, Hufflepuff, Ravenclaw, Slytherin) and take classes with Harry through his years at Hogwarts. Each camp includes creating different crafts, participating in plenty of hands-on activities, playing Quidditch (on brooms!) and competing for the House Cup with Harry Potter trivia. You'll have more fun if you've read the books, but it's not required. Each camp offers a unique experience. Campers do different activities based on the book for each camp, but Quidditch is played at every camp! Camps can be taken in any order.

Harry Potter 1: The Sorcerer's Stone

Your invitation to Hogwarts has arrived! First-year students visit Diagon Alley to make your necessary school supplies, transform ordinary clay into wizard money, and make your own spell book. Learn to write with a quill, brew a special potion in Potions class, and play Quidditch.

Harry Potter 2: The Chamber of Secrets

Welcome back to Hogwarts for your second year! Activities include learning spells and joining the Dueling Club, creating your own unique magical creature during Care of Magical Creatures class, making mandrakes during Herbology, creating your own wizard trading card, concocting Polyjuice in Potions class, and playing Quidditch!

Harry Potter 3: The Prisoner of Azkaban

Third-year students have a special trip in store for them — visiting Honeydukes and making wizard candy! You'll also make your own Marauder's map, learn the art of reading tea leaves in Divination class, realize your worst fear as you create your own boggart and the spell to banish it in Defense Against the Dark Arts class, make a special edible potion to bring you luck in Potions class, and play Quidditch!

Harry Potter 4: The Goblet of Fire

For fourth-year students, camp begins at the Quidditch World Cup! Find out what country you'll be playing Quidditch for in the playoffs. Write predictions with a quill in Divination class and contribute an article in this summer's edition of the Daily Prophet to take home! The biggest adventure of all is competing in the Triwizard Tournament, and completing each of the three tasks, if you dare!

Harry Potter 5: The Final Saga (Based on books 5-7 in the Harry Potter series:

The Order of the Phoenix, The Half-Blood Prince, The Deathly Hallows) Your last years at Hogwarts find you testing your wizarding mettle against the dark forces of Voldemort. Train for Dumbledore's Army, take apparating lessons, design and make your own product for Weasley's Wheezing Wheezes, make food and attend Slughorn's party, and hunt for horcruxes!

Harry Potter 6: The Magic Continues

Want more Harry Potter? Explore in-depth Hogwarts classes including Potions, Defense Against the Dark Arts, Divination, and Quidditch! Discover the "muggle" history of the magic at the heart of the Harry Potter stories. Learn about fantastic beats and where to find them as described by the famous magizoologist, Newt Scamander. Concoct potions, create other new crafts based on Hogwarts subjects, learn "real" magic tricks from a visiting professor, play Quidditch (on brooms!) as well as do some activities you've loved from the other Harry Potter camps.

Harry Potter 7: Baking Magical Sweets and Treats

Experience the world of Harry Potter in an entirely different way — by making foods from the Harry Potter books! Learn to bake scratch-made cauldron cakes and pumpkin pasties sold on the Hogwarts Express, special cookies from the Hogwarts School of Witchcraft and Wizardry, yummy treats found at Honeydukes, and edible Golden Snitches! While waiting for the magical concoctions to bake, you'll play Quidditch (on brooms!), cast spells, and make wizardry crafts, including your own wand and broom. Compete for the House Cup with Harry Potter trivia. You'll have more fun if you've read the books, but it's not required. Personalize a cookbook with all recipes made in camp to have on hand for your next Harry Potter party!

Junior Counselor Training Corps

- Registration: Complete step 1 (register starting January 31 at 6pm, online). Those that secure a training spot can proceed to step 2 (registration opens March 1 at 8am).
- Info: Melissa Byrne, mbyrne@howardcountymd.gov or tinyurl.com/HCRPJR.

Seeking 13-16-year-olds who...

- · Are proactive and take initiative.
- · Possess a positive attitude and cooperative spirit.
- · Have a genuine interest in working with children and developing leadership skills.

Step 1: Training (Required) flickr

Training is designed to prepare Junior Counselors (JRCs) for on-site field experiences. It is high-energy, interactive, and hands-on. Please note that JRCs who attended training but did not serve any field experiences in 2023 are considered new counselors in 2024 when registering. All new and returning JRCs must complete training prior to serving at any field experience, no exceptions. Returners must attend one-day refresher training. New counselors must attend three-day training. All counselors can extend your day for an additional fee, noted below.

Registration begins January 31, 6pm.

-	_

Step 2: Field Experience (Required)

Choose from a wide variety of Howard County Recreation & Parks summer camps! JRCs are required to serve a minimum of two weeks (service at more than two is welcome). Field experience selections are first-come, first-served and fill quickly. Not every summer camp offered is a field experience placement, but there are hundreds! View online (tinyurl.com/summerjrc) one week prior to March 1. Weekly fees range, starting at \$25. Fees change based on half-day, full-day or multi-week field experiences. **Registration begins March 1, 8am.**

LEGO®

- All-day camps: bring a non-perishable, nut-free lunch, snack, and reusable water bottle.
- Half-day camps: bring a non-perishable, nut-free snack and reusable water bottle.
- Pair with another half-day camp at the same location for a full-day experience with supervised lunch hour (noon-1pm).
- Club SciKidz: www.clubscikidz.com or Carson Nickell, 410-313-4721 or cjnickell@howardcountymd.gov.
- Play-Well TEKnologies: Patrick Hughes, 410-313-4622 or phughes@howardcountmy.gov.
- Snapology: Patrick Hughes, 410-313-4622 or phughes@howardcountmy.gov.
- Whiz Kid Academy: Carson Nickell, 410-313-4721 or cjnickell@howardcountmy.gov.

Club SciKidz LEGO® Camp flickr

Come join Club SciKidz this summer! Learn how to build and program LEGO® WeDo Robots. Pair with another half-day camp at the same location for a full-day experience with a supervised lunch hour (noon-1pm).

4-6 yrs

LEGO® WeDo is featured in this fun-filled week. Learn how to build and program different themes such as animals, people and giants. Bring your LEGO® creations to life by programming them on a computer with LEGO® WeDo software.

Jun 24 Gary J Arthur CC M-F Days: 5 \$199 + \$15 materials fee RP1787.801 WeDo Robotics: Amazing Mechanism 9am-noon RP1788.801 Little LEGO® Engineers 1-4pm Jul 8 St. Johns Lane ES M-F Days: 5 \$199 + \$15 materials fee RP1785.801 WeDo Robotics: Adventure Stories 9am-noon RP1786.801 Little LEGO® Robotics 1-4pm Jul 22 St. Johns Lane ES M-F Days: 5 \$199 + \$15 materials fee RP1784.801 LEGO® WeDo Robotics 9am-noon RP1788.802 Little LEGO® Engineers 1-4pm Aug 12 N Laurel CC M-F Days: 5 \$199 + \$15 materials fee RP1785.802 WeDo Robotics: Adventure Stories 9am-noon RP1784.802 LEGO® WeDo Robotics 1-4pm

LEGO® WeDo Robotics: Enjoy an introduction into different LEGO® WeDo model builds. Learn how to code and program LEGO® WeDo robot builds to move. Construct a helicopter that actually moves! Learn to use different sensors to make your robot move in different ways. Build a racing car and a jumping rabbit... all programmed by you!

Little LEGO® Engineers: Become an engineer and create a forklift, KatZilla, bulldozers, and dragsters with LEGO® WeDo! Not only do you get to build these models but also program them to move with a computer. Learn to build and program LEGO® creations while learning about gears, axels, and motors.

Little LEGO® Robotics: Play with some different WeDo model builds. Learn how to code and program LEGO® WeDo robot builds to move. Construct a giant that awakens when there is movement nearby! Build a racing car, a space shuttle, and a jumping rabbit... all programmed by you!

WeDo Robotics: Adventure Stories: Join us on an adventure using LEGO® bricks and LEGO® WeDo robots to build an airplane rescue, a giant escape, and a sailboat storm. Learn how to program and operate your creations using a laptop computer and LEGO® WeDo software. This is a great camp to get introduced to the beginning stages of programming.

WeDo Robotics: Amazing Mechanism: Enjoy using LEGO® bricks and LEGO® WeDo robots to create a variety of different mechanisms. Projects include a hungry alligator, a flying bird, and a roaring lion. Learn how to program and operate your creations using a laptop computer. This is a great camp to learn the basics of programming!

7-11 yrs

Come build a LEGO® Mindstorms Robot. Each theme focuses on different topics. Learn how to do basic programming to make your robot move and steer. As it gets more advanced, use your new knowledge to solve challenges such as following a path, driving in a square, and avoiding obstacles. Everyone can learn to build and program LEGO® robots!

Advanced LEGO® EV3: Discover the fantastic possibilities with LEGO® EV3 robots! Using LEGO® EV3 software, learn basic and advanced programming. Start with basic programming to move and steer a robot rover. Then use your new knowledge to complete challenges such as making your robot drive in a square, complete a maze, run a race, and more!

LEGO® EV3: Bot Olympiad: Come build a robot that competes in our Robot Olympic Games! Themes include Athletic Training Center, Sprint, Relay and Wrestling. Build a robot and program that robot to complete these missions throughout the week. Add attachments and sensors to your robot throughout the week to complete the different Olympic Games.

Financial assistance available to those that qualify. Info: page 53.

Play-Well TEKnologies LEGO® Camp flickr

Play-Well TEKnologies provides project-based camps designed to teach the principles and methods of engineering using LEGO®. The curriculum is designed by engineers. It builds on the math and science skills you learn during the school year. Utilizing over 20,000 pieces of LEGO® for each class, we engage you by solving real-world engineering challenges that explore concepts in physics, architecture, and engineering. The goal is to foster a greater appreciation of how things work, and to encourage the qualities of inquisitiveness, self-reliance, and self-confidence. Pair with another half-day camp at the same location for a full-day experience with a supervised lunch hour (noon-1pm).

5-7 yrs

Jun 24 Kiw	vanis-Wallas Hall Days: 5	\$199

RP1777.809	Adventures in STEM	9am-noon	M-F
RP1777.810	Transportation Engineering	1-4pm	M-F

Adventures in STEM with LEGO®: Let your imagination run wild! Build engineer-designed projects and use special pieces to create your own unique designs! Projects are rotated seasonally to ensure that both new and returning students can explore the endless creative possibilities of the LEGO® building system.

Pokémon Engineering using LEGO®: Calling all Pokémon trainers! With the Pokémon Championship approaching, join our enthusiastic instructors to build and catch our favorite Pokémon, rescue Pikachu from Team Rocket, take a ride on the S.S. Anne to uncover rare and mystic Pokémon, and battle to see who will hold the title of Pokémon Master. Come along on our journey to catch 'em all!

Transportation Engineering using LEGO®: Break the sound barrier on a supersonic jet, deliver cargo by train, and explore a swamp in your airboat. Build and create different modes of transportation out of more than 20,000 pieces of LEGO® while learning about the engineering concepts that make vehicles and vessels work.

Please check online for new and updated camp sections (tinyurl.com/hcrpregister).

RP1777.808 Minecraft Master Engineering	1-4pm	M-F

Bash 'em Bots using LEGO® Materials: Design your custom LEGO® bot to take on any challenge. Mix and match chassis designs using wheels, treads, or walking legs. Combine these with tools like drills, hammers, and battering rams as you refine your masterpiece by sparring with friends and overcoming obstacles. Apply real-world engineering and physics concepts to help you bash and crash your way to victory.

Minecraft Master Engineering using LEGO® Materials: Bring your favorite Minecraft adventures to life with our enthusiastic instructors. In a Minecraft world powered by LEGO® resources, build shelters to keep out Creepers, craft mystical items that only true masters can wield, and perfect your crossbow skills to stop the Wither from taking over! If you can imagine it, you can build it.

STEM Explorations with LEGO® Materials: Master your engineering skills using LEGO® parts! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects. Projects are rotated to ensure that returning students get a new experience. Come join us to design and build as never before and explore your wildest ideas!

NEW! Snapology LEGO® Camp

Come join Snapology! Learn how to build and design projects using LEGO® bricks, teamwork and engineering. Pair morning and afternoon camps for a full-day experience with a supervised lunch. Parents can view pictures of camp creations on the ClassDojo app.

Brick City: Enjoy designing beautiful buildings, cities, and vehicles for their mini figures? Then this camp is perfect for you! You, as a young architect or city planner, sharpen your design and building skills while having so much fun!

Jedi Masters: Come explore the galaxy with master building skills and an intergalactically-focused curriculum. Motivated to become a Jedi like the heroes in the movies? Then come learn to concentrate on mastering the Force. Use teamwork to build battle drones and AT-Walkers using LEGO® bricks. May the force be with young Padawan as all of you and your new friends rise through the Jedi ranks!

Mini-Figure Mania: Join us as we shrink ourselves to mini-figure size and create our own mini-figure worlds using LEGO® bricks. Welcome to mini-figure mania!

Mining & Building: Travel to the Nether with Snapology, but watch out for those creepers! Come bring Minecraft® to life using LEGO® bricks. Create your own world, including animals, creepers and your very own Minecraft® character.

Pokémania: Come join Snapology for Pokémania. Build and explore the world of Pokémon while creating your own gyms, battles, and a generation of Pokémon using LEGO® bricks. Enjoy learning about real-world science and the habitats of the Pokémon. Have a blast becoming the best Pokémon trainer ever!

Snapology Favorites: Video Game Edition: It's all about games, games, games. Enjoy using LEGO® bricks to recreate some of your favorite video games such as Roblox, Super Mario, Minecraft, and Pokémon. Throughout the week, enjoy mini games and building challenges related to these superpopular games.

Snapology Movie Favorites: Bring your favorite animated movies to life using LEGO® bricks in this super-fun camp. Recreate movies like Toy Story, How to Train Your Dragon, Lion King, Encanto, and Trolls using imagination and LEGO® bricks. Don't miss out on this unforgettable week!

Snapology Scientists: Love science? Come experience different domains of science & nature. Engage in concepts from astronomy, earth science, and biology using LEGO® bricks and other interactive learning tools. We make science fun at Snapology!

Superheroes: To the Batcave! Create your very own superheroes, design secret hideouts, and build epic battle scenes using LEGO® bricks. You're sure to have a blast creating a fantasy world full of your favorite characters and planets from both the DC and Marvel universes. Everyone is destined to unleash some of their own superpowers in this super camp!

Wonderful Wizards: Be transported onto the secretive world of wizards and witches in Snapology's Wizarding program, inspired by the Harry Potter film series! Explore all that makes Hogwarts and learning magic so — well, magical! Create the castle you love, make maps to navigate it, be sorted into one of the four houses, and repeatedly express the pride of your house.

Please check online for new and updated camp sections (tinyurl.com/hcrpregister).

Whiz Kid Academy LEGO® Camp

Come join Whiz Kid Academy at this project-based camp using LEGO® to learn engineering principles. The one-of-a-kind curriculum offers easy-toimplement, hands-on educational activities. Have fun while engaging in enriching new adventures! Pair with another half-day camp at the same location for a full-day experience with a supervised lunch hour (noon-1pm).

6-10 yrs

<u>Jul 15</u>	Kiwa	nis-Wallas Hall	M-F	Days: 5	\$185

RP1794.	.805	Pirate Camp		9am-no	on
RP1794.	.806	Unleash Your W	ild Side	1-4pm	

Magic Beans (Fairy Tales): Ignite imaginations with this STEAM Enrichment Camp. Transform fairy tales like Jack and the Beanstalk and King Midas into engaging hands-on projects. Enhance your fluency, vocabulary, comprehension, and engineering skills by constructing characters and stage props for each folktale. This program combines engineering and a touch of magic to bring fiction to life.

Pirate Camp: From landlubber to swashbuckler, dive into the pirate's life! Set sail on STEM experiments, hands-on design challenges, social-emotional learning, and group discussions on the seven seas. Daily stories ignite senses, curiosity, and creativity. Work together to tackle tasks like crafting catapults, knot-tying, mapping treasure hunts, and reflecting on adventures.

Science of Superpowers: Explore the science behind superpowers through STEM lessons in biology, engineering, design, and technology. Dissect superhero skill sets and soar with Superman, swing webs with Spider-Man, and discover real-world heroes. Dive into the comic universe for character development, multi-subject integration, creative thinking, and community awareness.

Unleash Your Wild Side: Explore the planet's diversity as globe-trotting artists with creative STEAM projects that delve into intricate ecosystems from the Arctic to the high desert. Cultivate art and language skills, global awareness, physical activity, and a passion for STEAM while interacting with Earth's flora, fauna, and incredible habitats.

NEW! Songwriting for Film and TV with Music Blvd Group

This camp is designed for those with a desire to learn how to write and craft theme songs for TV shows and blockbuster films. Want to learn how the theme songs and soundtracks for your favorite tv shows or films are written? Music Blvd Group, who writes songs for hit series like Better Call Saul, All American, Young Rock, The Upshaws, and more is here to teach you. This camp is all about hands-on, immersive learning. Dive into the art of lyric writing, songwriting, storytelling a scene, and dynamic arrangements. By the end of this week, have your very own theme song, and skills and experience to embark on an exciting career in crafting music for the screen. 9-16 yrs Days: 4 or 5 No camp 7/4

Kindergarten Jump Start

This specialized academic program provides a unique summer experience and a jump start to kindergarten. The camp is designed for children who have completed at least one year in a preschool program and will enter kindergarten in Fall 2024. Daily activities include writing, reading and math-readiness skills that support school curriculum goals and encourage socialization and independence. Special summer themes make the learning even more fun! Must be four years old on or before Sept. 1, 2024.

RP1727.801	Northfield ES	Jun 24	9am-2pm	M-Th, M-W, F	\$485
RP1727.802	Pointers Run ES	Jul 15	9am-2pm	M-Th	\$485

Math & Science

Spectacular Science and Magnificent Math STEAM Camp

Ignite your child's imagination with experiential learning in a fun-filled environment. Explore fun reactions, experiment with light and shadows, and make gorgeous art with science and math during our Preschool STEAM class. Math is more fun when experimenting and playing. Learn math concepts through sorting, patterning, counting, graphing and measuring. Explore terrific tangrams and shapes. Songs, art projects and manipulatives are incorporated to help this preschool experience be meaningful and stimulating.

Take These Three Camps for an Exciting Series!

Junior Scientist Camp I

Explore outer space and the ocean. Have you ever wondered how craters are made? Or where sand in the ocean comes from? Want to take a trip to the moon? Then come learn about the stars, the moon, the planets, and the sun. Discover which mysterious creatures live in the ocean. Make your own moon rock, create an ocean in a bottle, and go on a shell hunt.

3½-5 yrs Days: 4

RP1750.803	Northfield ES	Jul 22	9am-1pm	M-Th	\$179

Junior Scientist Camp II

Explore the worlds of dinosaurs and bugs! Learn how a caterpillar becomes a butterfly. Make dirt cups and learn how to classify arachnids, including spiders. Create a fossil and become an honorary paleontologist. Go on a dinosaur egg hunt. Put together dinosaur bones and learn about different types of prehistoric creatures.

3½-5 yrs Days: 4 No camp 7/4

Junior Discoveries flickr

Uncover the possibilities and join a new adventure each week. Sign up for one week or fill your summer with discovery by enrolling in all six sessions. Explore animals and learn about their homes. Be a junior astronaut and investigate the galaxy. Create hands-on messy discoveries. Use your senses to explore, travel back in time to the land of dinosaurs, or discover the mysteries of the ocean. Activities include games, science and nature projects, creative arts, learning centers, music, and outdoor play.

Club SciKidz

4-6 years

Club SciKidz: Jurassic

Dinosaurs may be extinct, but they are very much alive in Camp Jurassic. Learn about a variety of dinosaurs and their habitats. Rocks, minerals and fossils are studied along with a variety of related projects. Sample projects are Dinosaur Model, Panning for Gems & Minerals, Building a Volcano, Casting a Seashell Fossil, and Dinosaur Dig. In addition, campers have additional take-home projects. A special emphasis is placed on observation, inference, data collection, and just plain old fun! This is Geology 101! 4-6 yrs Days: 5

RP2952.801 St. Johns Lane ES Jul 22 8am-5:30pm \$485 RP2952.802 St. Johns Lane ES Jul 22 9am-3:30pm \$415

Club SciKidz: Little Space Explorer

Kids of all ages love space, so we created Little Space Explorer for the younger kiddos! We all enjoy watching the launch of space rockets from NASA, learning about the first steps by man on the moon, watching astronauts float in zero gravity, and seeing those bulky space suits. Campers become astronauts in training while learning and participating in handson activities about the sun, moon, planets, and the life of an astronaut. Projects include making moon sand and fizzing planets, creating a galaxy, participating in an astronaut obstacle course, and more.

Club SciKidz: Jr. Paleontologist

No time machine is needed for this trip back in time! Enjoy an intro to paleontology! This exciting adventure has you doing more than playing in the dirt. Pan for gems and minerals, crack open geodes, and take part in a dinosaur dig. It may seem like you are at Jurassic World learning about dinosaurs and studying fossils with hands-on experiments and activities. Come have the time of your life and bring home all the treasures you find! 6-9 yrs Days: 5

RP2956.801 Gary J Arthur CC Jun 24 8am-5:30pm M-F \$485 RP2956.802 Gary J Arthur CC Jun 24 9am-3:30pm M-F \$415

Club SciKidz: Pokémon Professors

Prepare for your next Pokémon adventure! Not only is your goal to "catch 'em all," you also apply scientific theories along the way. Meet Pokémon of all types and conduct hands-on experiments that grant insight into the wonderful world of Pokémon. Exciting activities include hatching a chemical reaction Pokémon, launching a catapult to catch your own Pokémon, exploring the effectiveness of Pikachu's electricity, observing bug Pokémon and the real insects and organisms they resemble, reflecting on the three states of matter with Ditto slime, and so much more.

NEW! Club SciKidz: Jr. Entomologist

Calling all bug and insect lovers! There are over 900,000 different types of insects. Not only are there lots of them; they are important to the ecosystem! Become entomologists (scientists who study insects) while learning about insects and the amazing things they do. Week includes everything insect (scavenger hunt, identifications, and adaptations). Help your little insect pals! Use engineering skills to make a hornets' nest. Be the architect and designer to construct a bee home. Tap into your agricultural skills to build a bee garden. Participate in 20 projects, experiments, and activities.

Club SciKidz: Sea Adventures

Ahoy, my crew and marine biologists! This is a super-sized version of the former Camp Jolly Roger. Explore the crystal blue oceans by studying the ocean structure, marine life, and environmental issues. Projects include: The Ocean Zone Discovery Model, Map Making, Knot Tying, Ocean Wave Bottle, Shark Tooth Necklace, Urchin Wind Chime, and Shark Survey. There's a whopping 20 make-and-take projects! This sea adventure includes pirate escapades (search of gold, gems, and buried treasure).

6-9 yrs Days: 5

RP2957.801 St. Johns Lane ES Jul 15 8am-5:30pm M-F \$485 RP2957.802 St. Johns Lane ES Jul 15 9am-3:30pm M-F \$415

Club SciKidz: Jr. Physician

Make no bones about it, this camp is for the aspiring Jr. Physician. Learn that your bodies contain miles of blood vessels, hundreds of muscles, thousands of hairs, a furnace, a filter, and a computer! Throughout the week, build a lung model, create a spinal column, become a lab technician as you swab and grow bacteria, and complete many more fun experiments that concentrate on anatomy and physiology. Receive your own stethoscope and percussion hammer.

6-9 yrs Days: 5

RP2959.801 N Laurel CC Aug 5 8am-5:30pm M-F \$485 RP2959.802 N Laurel CC Aug 5 9am-3:30pm M-F \$415

Club SciKidz: Jr. Meteorologist

Become meteorologists for the week and discover why our weather changes! As Jr. Meteorologists, measure and record rainfall, create a water cycle wheel, build a weather station, learn about the Greenhouse Effect, create a terrarium, design your own tornadoes, and create "snow" during the summer! End this fun-filled week by demonstrating the three states of matter by making and eating ice cream. Throughout the week, take home projects (sun prints, UV beads, wind vane, anemometer, and a very cool rain stick)! Before you know it, you may be on the news doing the weather! 6-9 yrs Days: 5

RP2954.801 N Laurel CC Aug 12 8am-5:30pm M-F \$485 RP2954.802 N Laurel CC Aug 12 9am-3:30pm M-F \$415

Club SciKidz: Grossology

Discover loads of horribly fantastic experiments! Projects focus on blood, bones, and body bits! This is science with the squishy bits left in! Tons of chemistry and biology for the aspiring doctor or scientist! Sample projects include Bulging Bag of Brains, Simulated Snot, Baby Diaper Dissection, Eyeball Acrobatics, Bird Barf, and that is just to get you started! Grossologists will indulge in many other sickening body experiments. This is our most disgusting camp!

6-9 yrs Days: 5

RP2958.801 N Laurel CC Aug 12 8am-5:30pm M-F \$485 RP2958.802 N Laurel CC Aug 12 9am-3:30pm M-F \$415

Club SciKidz: Cosmos

Join us as we race across the Milky Way with 20 astronomy projects! This is the camp you will be talking about for a long time! Future rocket scientists, experiment with screaming balloon rockets, use solar glasses, and construct and use a star finder. Then put on your "artist hat" to make a glow-in-the-dark model of Saturn and create a model of our solar system. Build and launch a model rocket! Join us for this fun and engaging camp that's out of this world!

6-9 yrs Days: 5

RP2953.801 Gary J Arthur CC Aug 19 8am-5:30pm M-F \$485 RP2953.802 Gary J Arthur CC Aug 19 9am-3:30pm M-F \$415

9-12 years

· Listed in order by date.

Club SciKidz: Wizarding World

Join Harry for the time of your life as the week includes hippogriffs, dragons, house elves, a basilisk, owls, sorting hats, dementors, potions, spells, and all things magical! Search for Horcruxes throughout the week. Team up for a Harry Potter Trivia Game. Design a broom. Play Quidditch. Paint Hogwarts' castle. Sculpt Dobby or Kreacher the house elf. Draw mythical creatures. Make a Marauder's map. Brew up Butter Beer. Create your own wand, Death Eater's mask, Patronus, and chocolate frogs! Bring your favorite HP book(s) to camp to freshen up on spells, characters, and discuss analogies to the muggle world today. So much magic to do!

9-12 yrs \$15 Lab Fee Days: 5

RP2950.801 St. Johns Lane ES Jul 15 8am-5:30pm M-F \$485 RP2950.802 St. Johns Lane ES Jul 15 9am-3:30pm M-F \$415

Club SciKidz: Forensic Detectives

Become a Crime Scene Investigator and learn about actual crime scene setups! Use the tools used in the field to collect and examine evidence. Conduct an analysis on fingerprints, handwriting, fibers, simulated blood, and DNA! Learn about crime scene models (ex: the Nutshell Studies of Unexplained Death) and how detectives and police used them to learn and practice the art and science of detailed forensic-based detection. As the investigator, bear in mind that there is a two-fold responsibility: to clear the innocent and expose the guilty. Learn how a crime is actually solved and learn how important biology, chemistry and physics are in the investigation! 9-12 yrs Days: 5

RP2963.801 St. Johns Lane ES Jul 22 8am-5:30pm M-F \$485 RP2963.802 St. Johns Lane ES Jul 22 9am-3:30pm M-F \$415

Club SciKidz: Great Masters

Design, draw, build, construct, paint, and sculpt as you explore the great artists and engineers of the world while creating your own distinctive flair! Travel throughout time as you experiment with thick paints like Van Gogh. Go wild with clay a la Pablo Picasso. Design 3D Nevelson installations. Experience first-hand the challenge of doing Michelangelo's ceiling paintings. Discover the playful work of Matisse. Create self-portraits like Frida Kahlo. Learn design engineering skills to build a castle like architect Julia Morgan's Hearst castle. Construct a prototype flying machine like Leonardo da Vinci and the Wright Brothers. And fashion rescue bots via Robin Murphy. This camp offers hands-on imaginative projects while combining art and engineering!

Cyberteck Academy

Cyberteck Academy:

Coding, Design & Minecraft Modding flickr

Morning: Coding & Design with Scratch Software: Scratch 2.0 | Skill Level: Beg.-Int.

Enjoy this introduction into the wonderful world of programming! Learn basic programming concepts using a simple drag-and-drop interface within the software Scratch, a project developed by the MIT Media Lab. Use your imaginations and implement creative thinking, while at the same time learning how to create and program simple games. Use premade art assets or create your own. Then learn how to program them to walk, talk, and interact with objects. Learn logic and visual programming to create a simple, 2D video game in Scratch 2.

Afternoon: Minecraft Modding Software: MCreator | Skill Level: Beg.-Int.

Enjoy creating your own custom game play items and elements using MCreator and Minecraft. Learn how to create artwork for various items and implement them into the game with custom behaviors. Design your own custom blocks, weapons, food, biomes, and more! Do you spend hours playing Minecraft? Then come learn how to improve your gameplay experience and create your own custom mods to take home!

Cyberteck Academy: Coding in Minecraft & Animation Using Minecraft

Morning: Coding in Minecraft with LUA Software: Minecraft | Skill: Beg.-Int.

Using a custom mod called "Computercraft," learn how to program robots called "Turtles" inside the world of Minecraft. Utilize problem-solving skills by learning how to program your robots to complete various tasks and objectives (ex: programming your turtles to automatically build, mine, and craft items and structures). Enjoy this introduction to programming "if-thenelse" statements, "for-while" loops, and implementing your own functions using Lua, a simple scripting language.

Afternoon: Animation using Minecraft Software: Mine-imator | Skill: Beg.

Learn how characters move and look alive in movies and video games!

Become engaged through an intro to basic 2D and 3D animation techniques using Minecraft characters and stages. Expand your perception, observation, timing skills, imagination, and storytelling skills by studying motion in reality; then applying it to animation. Learn how animators work by completing short animation exercises and projects. Apply acting theories and animation principles to scenes you create.

Stemtree of Columbia

- Before camp (7-9am) and after camp (3-6pm) available, visit Stemtree.com/Columbia.
- · Listed in order by first date offered.
- Every camp includes a non-repetitive, hands on, customized curriculum with coding, robotics, electrical engineering, math, and an exciting science theme!

Stemtree: Robotics and Coding

All facets of our life are affected by engineering — genetic, civil, and software are just a few. To be successful in the field of engineering, creative problem-solving abilities are a must. This camp uses the wonder and genius of robots to inspire you to learn engineering and apply your knowledge and skills of basic science. Use model construction, computer programming, and problem solving to explore STEM concepts. Camp includes instructional time, assessments, and hands-on activities to reinforce key concepts while having fun. Robo-Fun is both a perfect introduction to the world of robotics and an opportunity to expand the knowledge. Advance in knowledge each time you join a camp. Pick one week, or all 10 - you will never repeat a curriculum!

Shooting Stars Lacrosse Camp for Girls with Erin Schade **flick***

All-American player and coach Erin Schade directs this camp for novice or experienced players. Come build fundamental skills and enjoy one of the fastest games on foot. Receive instruction in proper stick handling, offensive and defensive techniques and strategies from some of the country's top college coaches and players. Participate in daily scrimmages, drills, games, contests, and fun! Goal-keeping instruction offered. Info: Erin Schade, erin@shootingstarslax.org.

6-17 yrs Days: 5

Lax Rats Lacrosse Camp for Boys

Lace up your cleats and grab your lacrosse stick and gear for this great camp. This camp has a lot to offer current and new lacrosse players. All skill levels welcome. Some of the fun events scheduled include position-specific focused drills, team concepts including EMO (extra man on offense), mandown defense, riding, clearing, and offensive and defensive strategies. 7-17 yrs — Days: 4

RP7504.801 Cedar Lane Pk East Jul 8 9am-noon M-Th \$200

T25 Lacrosse Camp with Coach Mike Machiran

Coach Mike Machiran brings his 20+ years of coaching experience for a one-week. High-energy lacrosse camp! Receive instruction on proper stick handling, offensive and defensive techniques, game strategies, and teamwork. Coach Mike grew up in Howard County, played at Mt. Hebron High School and Towson University, and has been a Howard County volunteer for over a decade. Participate in daily scrimmages, drills, games, and contests with the winners receiving Under Armour prizes for playing hard and having fun! Each camper receives a custom T25 T-shirt. See you on the field!

Multi-Sports

Camp Sports-N-More

Enjoy an exciting, physically active and well-rounded summer camp experience! A typical day at camp consists of group games, sport-specific activities (including basketball, soccer, tee ball and more), music, arts and crafts and snack time (no nut products). You are placed in small groups based on age and will keep the same groups as much as possible throughout the week. Camp runs rain or shine; activities occur indoors and outdoors. Staff does not change diapers. Detailed welcome letter is sent prior to the start of camp. Longfellow ES is for 3-13 years and Schooley Mill Park is just for 3-7 years. School location is subject to change. Info: Kelly Jones, kejones@howardcountymd.gov or 410-313-1694.

MAC Mega Mix Camp 🌞 flickr

Jul 22

Jul 29

Join us for a full day of fun at Meadowbrook Athletic Complex's (MAC) Mega Mix Camp! Activities include a variety of sports skill development, arts and crafts, recess games, themed days, water day, and more. Co-ed campers are divided into small groups based on age and skill development. Camp runs rain or shine, with indoor and outdoor space provided at the Meadowbrook facility, but this is primarily an outdoor camp. A detailed welcome letter is sent prior to the start of camp. Attend one or all 10 weeks of the MAC Mega Mix Camp! Info: Matt Decker, madecker@howardcountymd.gov or 410-313-1162.

Pickleball

NEW! Overtime Athletics Pickleball Camp

The pickleball action is spreading fast! Kids get their first exposure to the fastest growing sport in America. Players are introduced to the equipment, simple ball striking, game fundamentals, court safety and etiquette. Learn the rules of the game, grip, serves, volleys, and forehand and backhand strokes. This camp works on hand-eye coordination, footwork and concentration while participating in game play and stations. Player favorites like Around the World, Popcorn, and Sky Ball keep classes energized and fun and give beginner players plenty of opportunities to build their confidence. Info: Kelly Jones, 410-313-1694 or kejones@howardcountymd.gov.

Volleyball Elite

with Columbia Volleyball Academy (CVA)

This camp is designed to bring you to your highest level in volleyball as an individual and as a team. Focus on individual skills and then quickly advance to team play. You are grouped according to ability and experience. Coaches strive to challenge and help improve your play in a positive and motivating atmosphere with an emphasis on teamwork. Developing mechanics, the right move, and execution are emphasized. CVA coaches and alumni provide instruction. 1-2 years of club experience is required for the Elite section. 3-4 years of club experience is required for the Immersive Advanced section.

Therapeutic Recreation & Accommodation Services

The Department of Recreation and Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations. Individuals with disabilities are encouraged to register for general recreation programs of their choice. Howard County Recreation & Parks has developed an inclusion process to better accommodate individuals with disabilities. This process has been recently updated. To ensure that we meet your program needs, please contact Emily Pendleton, Therapeutic Recreation Supervisor at 410-313-4623 or ependleton@howardcountymd.gov, at least two weeks before the program begins to request accommodation services.

The process to request accommodations is:

- Choose your fun! Look through the guide and find a program you or your family member would like. Howard County Recreation & Parks has many programs to choose from. You are always welcome to call us if you would like some guidance when choosing.
- 2. Once you know what program you'd like to participate in, the next step is to register. When registering, let us know that you will need an accommodation. You can register online, over the phone, or in person at any of our community centers or headquarters.
- 3. Once registered for a program, the next step is to request an accommodation through our Accommodations Portal at www. howardcountymd.gov/Therapeutic-Rec. This portal will ask you for information about the program you have registered for as well as what type of accommodation you are requesting. It will send our Therapeutic Recreation team a notification when your request has been submitted.
- 4. After your request has been made through our portal, an Accommodation Assessment link will be sent to you via email or the postal service. This assessment needs to be completed two weeks prior to the start of a program. This assessment will allow our team to better serve you and your loved one and gives our staff more information on how to make the program a success. Note: You only need to complete the Accommodation Assessment once a year; however, you must send all accommodation requests through the Accommodation Portal for each program you register for.
- 5. Once our team has received the completed Accommodation Assessment, we will reach out to you within three business days with a phone call or an email confirming your request and to discuss strategies for inclusion. Please remember that increasing the staff-to-participant ratio is never guaranteed and is judged on a case-by-case basis. We will make every effort to provide reasonable accommodations on an individual basis. Please note that all required paperwork must be completed for requests to be reviewed.

If you would like to check the status of your request or if you have any questions regarding inclusion services, feel free to contact our therapeutic recreation team. We would be happy to help!

iCan Swim Camp

iCan Swim is designed to teach children with disabilities to swim independently and achieve their aquatic goals as well as learn valuable water safety skills during the week-long program. iCan Swim is a program coordinated and managed by the Therapeutic Recreation Office and in partnership with iCan Shine, Inc. Participants must have a documented disability, attend all five days of the program, and a parents or caregiver must attend all five sessions and orientation meeting on June 23. Info: Ciara Scafide, 410-313-4708 or cscafide@howardcountymd.gov.

iCan Bike Camp **flick**r

O.ma I Daves F

RP4201.805 Cedar Lane School Jun 24 3-4pm

Children, adolescents and adults with disabilities learn how to ride a conventional two-wheel bicycle. Program meets daily for 75 minutes. At the end of the week, riders are transitioned to a family bike and recommendations are provided to continue success toward independence. Goals: Develop skills for independent riding, builds self-confidence, and develops healthy lifestyle. Parent/caregiver must remain on site for the duration of camp and attend the informational orientation on Sunday, July 14. Participants must have their own two-wheeled bike by Wednesday of camp. A documented disability must be indicated. Participants must be able to attend all five days of camp, be at least 8 years old, and not weigh more than 240 pounds. Info: Nick Owens, 410-313-1671 or nowens@howardcountmd.gov.

Financial assistance available to those that qualify. Info: page 53.

General Information

Camp information provided in this Guide is tentative. Consult www.HowardCountyMD.gov/rap for the most up-to-date information.

Registration

Camp fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 2.

Waiver you need to sign when participating in our camps:

In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (and/or my child's) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the Organization and above named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any camp or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility. For many programs, registrants or parents/legal quardians of minor

registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many camps will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both checkin and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program. Children must remain with the program for the full period scheduled. To leave before a day's camp is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the camp director. No refunds will be issued for time missed for this or from

In determining whether child is ready to participate in these activities, please be aware that our staff does not change diapers.

dismissals resulting from disciplinary action.

Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate camp or place your name on a waiting list. There is no fee to be placed on a waiting list.

Canceled Programs

We don't like to cancel camps, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a camp is canceled, registrants will be contacted immediately and a full refund credited.

Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your 2022 Federal Tax Transcript (or 2023 once completed) and
- Any proof of assistance from the Department of Social Services.
 Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form.
 Call 410-313-4659 for additional information and guidelines.

Donate

You can make a tax-deductible contribution to our Scholarship Fund by www.HowardCountyMD.gov or call 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

Refunds

We recognize that you may wish to withdraw from a camp for a variety of reasons, but we encourage early decisions so as not to inconvenience other participants or affect our ability to efficiently deliver activities.

Customers requesting a refund prior to three weeks before the camp starts will be charged a 20% administrative fee, however if you request the credit to be placed on your Howard County Recreation and Parks account for future use, no administrative fee will be charged.

All refunds requested within three weeks of the camp starting date will be charged at minimum a 20% administrative fee. Additional fees may be assessed to recover costs (ex: for shirts, supplies, tickets, equipment, etc.) associated with the camp. There are no refunds given for missed camp days.

Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor camps will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If there is inclement weather or an emergency plan is in effect in Howard County, scheduled camps will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If schools are closed or dismissed early due to inclement weather, camps in schools will not be held.

Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

Rules of Conduct

The following rules must be observed while participating in Recreation and Parks programs. Specific rules may be added for individual camps and needs.

- All tobacco products are prohibited in buildings, school property or County parks
- No food or beverages in unauthorized areas; glass containers are prohibited.
- No soliciting or loitering
- No interference with employee or volunteer duties
- No harassment, bullying, or inappropriate or indecent conduct, language, or clothing
- No unauthorized use of alcohol, drugs, intoxicants or weapons
- No parking in unauthorized areas or driving/parking on field areas
- No alteration or installation of equipment (such as basketball hoops, fences or lining)
- No defacing of property (indoors or outdoors)
- No conduct that may jeopardize the safety of others.

Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed.

We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations

can be provided to Howard County residents at no additional cost. To ensure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or spotts@howardcountymd.gov.

Other Policies

Additionally, the Department reserves the right to

- Cancel a program for any reasonable cause;
- Deny registration or entry into a program when it deems necessary to assure public safety;
- Suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- Photograph programs, participants and volunteers for publicity purposes; and/or
- Adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.

Public Meetings

For information about Howard County Recreation & Parks Advisory Board meetings, call 410-313-4640. Your comments are welcome at these sessions. Park Board members:

David Grabowski (Chair) Thomas M. Franklin
Edward Coleman (Vice Chair) Herman Charity
Nick Mooneyhan (Executive Secretary) Marian Vessels

Antonia Watts (Board of Education) Gabrielle Demuren (Student Member)

Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department, and a listing of jobs within Howard County Government, visit www.HowardCountyMD.gov. The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit www.HowardCountyMD.gov/rap or call 410-313-4639.

Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you'd like to share your time and talent, visit www.HoCoVolunteer.org to view opportunities and register.

Sponsorships

Editor-In-Chief

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising. Info: www.HowardCountyMD.gov/HCRPSponsors or Anna Hunter, 410-313-4686 or ahunter@howardcountymd.gov.
