## Welcome to the 2024 Winter Guide!

*Howard County Recreation and Parks is once again here to get you ready for the changing season. As we move into the colder winter months, be ready to stay active and learn while having fun! Residents of all ages can find classes or programs that meet your interests and needs.*

*Whether you're looking for a program that keeps your child engaged before or after school (page 21) or filling the void when schools are closed, there are plenty of options in this guide. Please see page 24 to learn more about the great opportunities, whether it's sports or camping, for your child to stay active and have FUN when schools are closed.*

*There are countless opportunities for adults to also have fun. Our trips and tours (page 9) are a great place to meet up with friends and create lasting memories. Special events (page 5) include something from everyone from chocolate making to shopping. Looking for a new fitness class (pages 54 & 62)? New classes are added each season and provide a plethora of options. How about a fun cooking (pages 14, 18, 38 & 51), art (pages 14, 18, 38, 52 & 59) or dance (14, 19, 39, 53 & 60) class? Our winter sports and spring leagues (page 71) fill quickly as the excitement and enthusiasm on the field/court can't be beat. Sports opportunities include the "norms" and the "trendy" by offering everything from aquatics (page 72) and badminton (page 74) to jump rope (page 82) and Ki Akido (page 84).*

*Our active aging community can find interactive programs, classes and more starting on page 59. These are great ways to make new friends while learning a new hobby. Highlights include rock climbing and geocaching (page 61). Looking to join a league? Basketball (page 76), cornhole (page 79), pickleball (page 86) and volleyball (page 90) are great hit leagues offered during the colder months.*

*While the seasons are changing, I'm excited to introduce our new Recreation and Parks Director Nick Mooneyhan, who filled the position following Raul Delorme's transition to Deputy Chief Administrative Officer. Since filling the position on July 31, the Department has continued to enhance its parks with eight new, standalone pickleball courts at Western Regional Park, a new playground at Warfield's Pond Park, and new lights on the basketball courts at Centennial Park West. The county continues to focus on making its parks, playgrounds, and activities enjoyable for all!*

*We wish you all a safe and wonderful winter season!*

## On the Cover: Preschool Adventures at the Gary J. Arthur Community Center

*This program provides children 2 years, 9 months to 5 years old five weeks of learning to get a head-start before beginning kindergarten. Little ones enjoy story time, music, arts and crafts, and sports-specific activities in the gym. Learn more on page 17.*

*Additional preschool programs include Terrific Threes, Spectacular Science and Magnificent Math (page 18). Children enjoy unique ways of learning as they perform engaging experiments, play games, learn experiential activities, and more.*

*Did you know that Howard County Recreation and Parks has offered preschool education programs for more than 25 years? Many of the educators are retired or former elementary or preschool teachers. They are CPR and First-Aid certified and create curriculums that encourage learning and adapting to a new environment.*

*Let the learning begin and see how well your child is prepared for elementary school.*

### The Kennedy Center – *Shen Yun*

Still among the top shows in the world! Unique artistic vision expands the theatrical experience into a multi-dimensional, inspiring journey through one of humanity's greatest treasures – the five millennia of traditional Chinese culture. This epic production immerses you in stories about the most distant past. Explore realms even beyond our visible world. Featuring one of the world's oldest art forms – classical Chinese dance – along with patented scenographic effects and all-original orchestral works, *Shen Yun* opens a portal to a civilization of enchanting beauty and enlightening wisdom. Traditional Chinese culture – with its profoundly optimistic worldview and deep spiritual roots – was displaced by communism in China. Today, Shen Yun keeps this heritage alive on stage. It's a breath-taking experience! Lunch is onsite, on your own, before the show.

## Tour President Lincoln's Cottage— Washington, D.C.—

President Lincoln and Soldiers' Home National Monument, sometimes shortened to President Lincoln's Cottage, is a national monument on the grounds of the Soldiers' Home, known today as the Armed Forces Retirement Home. During the Civil War, President Abraham Lincoln spent June to November, 1862-1864 in a 34-room Gothic Revival "cottage" there. He reportedly made his last visit to the house on April 13, 1865, the day before his assassination. Lincoln met with political friends and enemies and discussed military strategy at this location. He was staying in this house when he wrote the final draft of the Emancipation Proclamation in September 1862. Bring your lunch and some snacks for this excursion.

# CHILD CARE

## Recreational Licensed Child Care

Howard County Recreation & Parks offers Recreational Licensed Child Care (RLC) programs for preschool (ELC) and elementary-aged children. Our goal is to provide a safe, nurturing and structured environment for children to have fun while participating in meaningful group recreational activities. Before a child can participate, parents must complete all licensing and required paperwork, including a health inventory, which requires a physical. All programs must meet and maintain minimum enrollment requirements to run. Fees are subject to change. Children must attend the same school as the child care program they are registered for.

Special accommodations or interpretive services can be provided at no additional cost but are not guaranteed; a request must be made at the time of registration. Because of the presence of children with severe allergic reactions, nuts and nut products are not served or permitted at any RLC programs. If space is available, a \$50 non-refundable registration fee is required to enroll.

If a program has already filled, you may place your child's name on the waiting list at no cost.

All RLC programs have a behavioral policy with standards of conduct enforced through the use of discipline, up to and including suspension and expulsion from the program. The primary concern of the Department must be the safety and well-being of all participants, even though it may cause inconvenience to parents in a particular case. The Department makes every effort to assist children and their parents in modifying a child's behavior before their actions become a serious enough threat to require suspension. See the Parent Manual for a complete policy statement.

For a list of who to contact and additional program information, visit [www.HowardCountyMD.gov/rap](http://www.HowardCountyMD.gov/rap) and click on Child Care. For space availability, call 410-313-7275.

## Early Learning Center

Our Early Learning Center provides a safe, active, nurturing and creative learning environment for each child. Throughout the program, children enjoy building the skills needed for kindergarten (social and emotional development, reading and math readiness, and fine and gross motor skills). They also participate in hands-on activities, including arts and crafts, science, nature, music, drama, and cooking. There are instructional and self-directed activities throughout the day. Staff are successful participants in the Maryland EXCELS program and trained yearly in continuing early-childhood education classes. Parents provide a nut-free lunch. Children must be toilet-trained and meet the age requirement by September 1, 2023. Info: RLC Office, 410-313-3706.

## Elementary School Before & After Care

### Before & After Care for Elementary School 2023-2024 Academic Year

This licensed program provides varied recreational activities. The before care offers low-key programming while the after care incorporates a structured energetic format. Activities include crafts, games, sports, special events, and intramural competitions throughout the school year. To promote good health and wellness, we implement heart-healthy activities. Our curriculum is weekly, theme-based and focuses on healthy eating habits and active play to encourage and educate children to make positive life choices. All programs are licensed through the Maryland State Department of Education's Office of Child Care and are participants in Maryland EXCELS programs. Info: RLC office, 410-313-3706.

### The Early Years Matter

Help your child get ready for kindergarten. Follow this progression of classes that help build your child's social and emotional skills. (You can start at any stage of this school-readiness program.) More and more children in Maryland are school-ready when they enter kindergarten. Make sure your child is one of them! Staff members do not change diapers.

### Awesome Athletes, Amazing Artists (Parent/Child)

Explore games, gross motor activities, arts and crafts while meeting new friends! Spend the first half of class throwing, kicking and catching with a variety of interactive gym games. Continue the fun in the second half of class with painting, pasting and creating an array of art projects. Parents are required to attend.

### *Schoolhouse Rock Jr!* – Drama After School by CCTA

Join this energetic musical that follows Tom, a young schoolteacher who is nervous about his first day of teaching. He tries to relax by watching TV, when various characters representing facets of his personality emerge from the set and show him how to win his students over with imagination and music. Memorable songs as "Just a Bill," "Lolly, Lolly, Lolly" and "Conjunction Junction" bring his lesson plans to life. Come learn the fundamentals of musical theater (including choreography, character development and stage direction). Program meets for 11 after-school classes and culminates with a 7pm full stage production on the final day of class (complete with theatrical sets, lighting, costumes, and sound) for family and friends. (Production dates are the following: **Northfield ES:** May 9; **Pointers Run ES:** May 7; and **Veterans ES:** May 6). Snow make-up date are one week after the show date.

### Build Your Engine Strength Training

#### with Christy Edwards, ACE, Personal Trainer

Time to get back in shape! Build the engine (muscles) that burns the fuel (the food you eat). In your 30s, your metabolism begins to slow down as you naturally start to lose lean muscle mass. The rate of loss accelerates as you age, but you can rebuild muscle with strength training. Change your body composition, help stabilize your joints, improve flexibility, feel stronger, and feel great! No strength training experience necessary. Beginners are welcome. Bring a mat, hand weights, and water.

### Baby Water Play: Parent/Child

Parents learn how to work safely with their children in the water, including how to appropriately support and hold them. With an adult, children become comfortable in the water and explore safe water practices including submerging, buoyancy, gliding and changing body position in the water through play. Swimming diapers and swimwear must be worn.

Games are played at the Meadowbrook Athletic Complex, North Laurel Community Center and Roger Carter Community Center. Teams provide their own color-coordinated team shirts/jerseys and basketball. Team registration only. Free agents please fill out the Free Agent Questionnaire at [www.hcrpsports.org/freeagent](http://www.hcrpsports.org/freeagent). Info: Adam Zuckerman, [azuckerman@howardcountymd.gov](mailto:azuckerman@howardcountymd.gov) or 410-313-4720.

Our goal is to place your team in a division of similar skills. If there are not enough teams per skill level, then the League Commissioner combines levels within the division. There are three skill levels offered: Recreation D3, Intermediate D2, Competitive D1.

**Recreation division (D3)** is for teams who have played before or have minimal experience. This level is geared toward teams who want to have friendly competition. Teams have a good understanding of the rules and have the basic skills down. Teams at this level don't take the game too seriously and just want to get a workout in, improve their skills, and socialize.

**Intermediate division (D2)** is for teams who have been playing basketball for a while and are looking for competitive games. Teams playing at this level demonstrate a high level of skills in the game and may have previously played JV/Varsity or in the recreation level and are ready to level up. Strong effort and winning is significant to the team.

**Competitive division (D1)** is for teams looking for a seriously competitive game. This level is only meant for teams who have experience playing basketball and are looking for the highest level of play. Teams playing at this level likely played at the high school or college level, or consistently play well and are ready to level up from another division. Maximum effort and winning is imperative to the team.

## Traditional Chen-Style Tai Chi

Taijiquan, also known as Tai Chi, has been inscribed on the Representative List of the UNESCO Intangible Cultural Heritage of Humanity. Characterized by relaxed, circular movements that work in concert with breath regulation and the cultivation of a righteous and neutral mind, this traditional physical practice offers therapeutic benefits for many age- and/or job-related chronic health issues (e.g., body stiffness, pain, numbness, etc.). The traditional Chen-Style Tai Chi is the origin of all variants of modern Tai Chi. As a 12th generation descendant of the traditional Chen-Style Tai Chi, Master Zongqi Xie is one of the best Tai Chi masters from China – for details see <https://taichihealth.life/en/01.html>. This class focuses on fundamental techniques and movements of traditional Chen-Style Tai Chi.

## General Information

*Program information provided in this Guide is tentative. Consult [www.HowardCountyMD.gov/rap](http://www.HowardCountyMD.gov/rap) for the most up-to-date information.*

### Registration

Program fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 4.

#### **Waiver you need to sign when participating in our programs:**

In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the organization and above-named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any program or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

### Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility. For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program.

Children must remain with the program for the full period scheduled. To leave before a day's program is complete, a child must have written parental consent, or the parent/legal guardian must pick the child up after notifying the program director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, please be aware that our staff does not change diapers.

### Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

### Canceled Programs

We don't like to cancel programs, but each one must meet its minimum enrollment. Don't be disappointed, register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants will be contacted immediately and a full refund to original form of payment.

### Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your current Federal Tax Transcript and
- Any proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

### Make a Donation

You can make a tax-deductible contribution to our Financial Assistance Program by calling 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

### Refunds

We recognize that you may wish to withdraw from a program for a variety of reasons, but we encourage early decisions so as not to inconvenience other participants or affect our ability to efficiently deliver activities. Customers requesting a refund prior to two weeks before the program starts will be charged a 20% administrative fee, however if you request the credit to be placed on your Howard County Recreation and Parks account for future use, no administrative fee will be charged.

All refunds requested within two weeks of the program starting date will be charged at minimum a 20% administrative fee. Additional fees may be assessed to recover costs (e.g. for shirts, supplies, tickets, equipment etc.) associated with the program. There are no refunds given for missed program days. Trip refunds may reflect prepaid admissions; but the option to transfer your ticket may be considered. Competitive sport program timeframe for refunds reflects planning time and team selections, check refund details on website.

### Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor programs will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If there is inclement weather or an emergency plan is in effect in Howard County, scheduled programs will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.

## Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

## Rules of Conduct

The following rules must be observed while participating in Recreation and Parks programs. Specific rules may be added for individual programs and needs.

- All tobacco products are prohibited in buildings, school property or County parks
- No food or beverages in unauthorized areas; glass containers are prohibited.
- No soliciting or loitering
- No interference with employee or volunteer duties
- No harassment, bullying, or inappropriate or indecent conduct, language, or clothing
- No unauthorized use of alcohol, drugs, intoxicants or weapons
- No parking in unauthorized areas or driving/parking on field areas
- No alteration or installation of equipment (such as basketball hoops, fences or lining)
- No defacing of property (indoors or outdoors)
- No conduct that may jeopardize the safety of others.

## Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed.

We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided to Howard County residents at no additional cost. To ensure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or spotts@howardcountymd.gov.

## Other Policies

Additionally, the Department reserves the right to

- Cancel a program for any reasonable cause;
- Deny registration or entry into a program when it deems necessary to assure public safety;
- Suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- Photograph programs, participants and volunteers for publicity purposes; and/or
- Adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.

## Public Meetings

For information about Howard County Recreation & Parks Advisory Board meetings, call 410-313-4640. Your comments are welcome at these sessions. Park Board members are David Grabowski (Chair), Edward Coleman (Vice Chair & Planning Board Designee), Nick Mooneyhan (Recording Secretary), Antonia Watts (Board of Education), Gabrielle Demuren (Student Member), Herman Charity, Thomas M. Franklin, and Marian Vessels.

## Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department, as well as a listing of jobs within Howard County Government, visit [www.HowardCountyMD.gov/careers-jobs](http://www.HowardCountyMD.gov/careers-jobs)

The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit [www.HowardCountyMD.gov/rap](http://www.HowardCountyMD.gov/rap) and click on "Forms and Publications" or call 410-313-4639.

## Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you'd like to share your time and talent, visit [www.HoCoVolunteer.org](http://www.HoCoVolunteer.org) to view opportunities and register.

## Sponsorships

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising.
