Welcome to the 2025 Spring/Summer Guide – your chance to get up, get out, and get active!

With this snowy winter coming to a close, make sure to warm up with Howard County Recreation and Parks! Our Spring/Summer Activity Guide is filled with fantastic programs, classes, trips, sports, and more. Take some time now to review it and be ready to sign up when registration opens (some programs fill quickly).

As the days get longer and warmer, enjoy our many great, outdoor programs – from hiking, kayaking, or playing in a fun sports league. Or join our staff (both indoors and outdoors) in a wonderful activity that keeps your mind and body active (including cooking, painting, yoga, and more).

The Department continues to offer a wonderful mix of new and returning programs and special events. Our annual Kid's Fest (page 6) is a great outdoor opportunity for the entire family to enjoy on the Saturday before Easter. And Wine in the Woods (page 7) is our annual, two-day festival for those over 21 years old. This popular favorite (for over 30 years) features food vendors, crafters, and Maryland wine & craft beer!

We'd also like to give you a quick update. Progress continues to be made on the future Elkridge Community and 50+ Center. This is the cornerstone of our strategic vision for the Elkridge Civic District. Updates can be found at www.HowardCountyMD.gov/elkridge-center.

This spring and summer, whether you're taking a walk in our parks, visiting Robinson Nature Center, trying a new class, attending a special event, or joining a sports league, we are ready to greet you and look forward to your continued support.

Sincerely,

Calvin Ball, Howard County Executive
Nick Mooneyhan, Director of Recreation & Parks

County Executive Calvin Ball

New York City:

Statue of Liberty and Ellis Island Tour

The Statue of Liberty rises up from New York Harbor. It welcomed the immigrants who once entered through nearby Ellis Island. Visit Lady Liberty and learn the stories of those who passed through on this fantastic tour. Liberty Island is home to a beautiful park, an innovative museum, and America's most iconic symbol of promise and possibility. As you explore the grounds, view Lady Liberty from different angles, noting her design details and how her appearance changes with the light. Beautifully restored to its peak operating period, the main building at Ellis Island allows you to step into travelers' shoes for a sense of the immigrant journey. At the Ellis Island National Immigration Museum, voyages come to life through a stunning collection of artifacts. Exhibits chronicle America's immigration history from the 1500s through to today. Lunch is onsite on your own at a local venue or if you prefer, you can bring your own. Be sure to pack snacks for the bus trip!

Hillwood Estate: From Exile to Avant-garde:

The Life of Princess Natalie Paley

Princess Natalie Pavlovna Paley (1905-1981) was a twentieth-century icon. She was a muse, model, actor, and socialite. Born to Grand Duke Paul Alexandrovich (1860-1919), uncle of Emperor Nicholas II of Russia, and Princess Olga Valerianovna (1865-1929), Natalie enjoyed an idyllic childhood in Boulogne-sur-Seine, France, just outside of Paris. She rose from her family's fabled and tragic history -- and left a stylish and indelible mark on the century's culture and design. This unique exhibition is the first to explore her exceptional glamour and enigmatic life. This exhibition was inspired by Hillwood's acquisition of 335 pieces that once belonged to Paley and the Romanovs, including imperial portraits, rare linens, and essential archival documentation from five generations of the family. Lunch is on your own at the on-site café.

CHILD CARE

Howard County Recreation & Parks offers Recreational Licensed Child Care (RLC) programs for preschool (ELC) and elementary-aged children. Our goal is to provide a safe, nurturing and structured environment for children to have fun while participating in meaningful group recreational activities.

Before a child can participate, parents must complete all licensing and required paperwork, including a health inventory, which requires a physical. All programs must meet and maintain minimum enrollment requirements to run. Fees are subject to change. Children must attend the same school as the child care program they are registered for.

Special accommodations or interpretive services can be provided at no additional cost but are not guaranteed; a request must be made at the time of registration. Because of the presence of children with severe allergic reactions, nuts and nut products are not served or permitted at any RLC programs.

If space is available, a \$50 non-refundable registration fee is required to enroll.

If a program has already filled, you may place your child's name on the waiting list at no cost.

All RLC programs have a behavioral policy with standards of conduct enforced through the use of discipline, up to and including suspension and expulsion from the program. The primary concern of the Department must be the safety and well-being of all participants, even though it may cause an inconvenience to parents in a particular case. The Department makes every effort to assist children and their parents in modifying a child's behavior before their actions become a serious enough threat to require suspension. See the Parent Manual for a complete policy statement.

For a list of who to contact and additional program information, visit www.howardcountymd.gov/rap and click on Child Care. For space availability, call 410-313-7275.

Early Learning Center

Our Early Learning Center provides a safe, active, nurturing and creative learning environment for each child. Throughout the program, children enjoy building the skills needed for kindergarten (social and emotional development, reading and math readiness, and fine and gross motor skills). They also participate in hands-on activities, including arts and crafts, science, nature, music, drama, and cooking. There are instructional and self-directed activities throughout the day. Staff are successful participants in the Maryland EXCELS program and trained yearly in continuing early-childhood education classes. Parents provide a nut-free lunch. Children must be toilet-trained and meet the age requirement by September 1, 2024. Info: RLC Office, 410-313-3706.

Elementary School Before & After Care

Before & After Care for Elementary School 2024-2025 Academic Year

This licensed program provides varied recreational activities. The before care offers low-key programming while the after care incorporates a structured energetic format. Activities include crafts, games, sports, special events, and intramural competitions throughout the school year. To promote good health and wellness, we implement heart-healthy activities. Our curriculum is weekly, theme-based and focuses on healthy eating habits and active play to encourage and educate children to make positive life choices. All programs are licensed through the Maryland State Department of Education's Office of Child Care and are participants in Maryland EXCELS programs.

Pre-K Music ABCs with Keyboarding at Olenka School of Music (Parent/Child)

Music is a powerful multi-vitamin for your child's brain. This class uses a unique, progressive curriculum that is uniquely designed for preschool music beginners. The curriculum helps each child explore the Universal Language of Music with their parent or special adult. Everyone is engaged in learning to read and write music; and create music stories. Activities include singing, dancing, music brain games, and multi-rhythmic exercises to spark curiosity and imagination. (This is a proprietary program, only offered at OSM.) There is a family showtime at the end of each session. Class educational materials are included (2 songbooks, online music access, and coloring worksheets).

Build Your Engine Strength Training with Christy Edwards, ACE, Personal Trainer

Time to get back in shape! Build the engine (muscles) that burns the fuel (the food you eat). In your 30s, your metabolism begins to slow down as you naturally start to lose lean muscle mass. The rate of loss accelerates as you age, but you can rebuild muscle with strength training. Change your body composition, help stabilize your joints, improve flexibility, feel stronger, and feel great! No strength training experience necessary. Beginners welcome. Bring a mat, hand weights, and water. **If you are unable to attend the first three classes, please contact the program supervisor. Late registration after the first three classes is allowed with instructor permission.**

Make a 6-8-piece stained glass window hanging using the copper foil technique.

Beginners: Particular emphasis is placed on learning the skills needed to score and break glass, foil and solder the pieces into a window hanging as these are challenging skills. This workshop focuses on straight line cuts and work from patterns such as snowflakes, stars and Mondrian squares.

Intermediate: Learn to cut curves in this intermediate workshop.

Emphasis is on techniques to score, break, and foil more complex shapes.

Patterns contain curved lines, such as flowers, birds and seasonal designs.

Cutting and foiling skills are improved with more challenging designs.

It is recommended to take both the beginner and intermediate workshops.

Advanced: Create a spinner piece in this June 3rd class!

Historical Archaeology in Howard County: What I've Learned About Its Key Sites & People

The tools and techniques of archaeology are used to highlight some of the premiere historic sites (mills, furnaces, farms) in Howard County, including the Warfields of Longwood & Bushy Park, the Owings, Simpsons, Brayshaws, Wellings, Myers, Peters and Igleharts of Simpsonville, the Browns of Mt. Pleasant, and the Dorseys and Walkers of Elkridge.

Iconic Artifacts, Documents, Remains and Discoveries from Our Prehistoric and Historic Past

In their quest to reconstruct the past, archaeologists and human paleontologists have excavated thousands of sites and have recovered signature artifacts and remains critical to our understanding of human history. This presentation includes examples of local diagnostic artifacts/remains and those from sites throughout the world. All have been instrumental in understanding human history; and have often resulted in rewriting history. Included are iconic documents (letters, diaries, wills, land records, and census data) from archives, basements, and attics that have allowed archaeologists to include people, previously omitted, from history books.

NEW! Ranger Book Club:

Women's History Month

Celebrate Women's History Month by joining a special book club session with a Howard County Park Ranger. Discuss "My Double Life: Memoirs of a Naturalist" by Frances Hamerstrom. This memoir recounts Hamerstrom's groundbreaking career as a field biologist, where she became the only woman to earn a graduate degree under famed ecologist Aldo Leopold, in an era when most educated women were either schoolteachers or governesses. Through her work with wildlife, including her pioneering research on Wisconsin's sharp-tailed grouse, Hamerstrom broke barriers in a male-dominated field, leaving a lasting legacy in conservation and ecology. Limited to 10 spots only; the book is out of print and may be borrowed from the Harriet Tubman Cultural Center once you register. Coffee, tea, and hot chocolate available.

- Roger Carter Community Center offers instruction for all ages and swimming abilities, whether you're a beginner learning the basic principles or a seasoned swimmer seeking to improve the strokes you know.
- Be sure to register your child for the appropriate level. If space allows, a participant may be moved to a lower or more advanced level at the discretion of the swim lesson coordinator.
- When signing up, consider registering your child in the same level for multiple sessions. Children often require more than one session of lessons to master the skills needed to proceed to the next level. Evaluations will take place on the last day of class with a recommendation for the next level.

Parent/Child - Lessons: 8 - 1 parent to 1 child ratio

Baby Water Play

(6 mos-2 yrs)

RP4007

Prerequisite: None

Swimming diapers must be worn in addition to swimwear.

Parents learn how to work safely with their child in the water, including how to appropriately support and hold them. The focus of the class is for children to develop water comfort. With an adult, children explore safe water practices including buoyancy and changing body position in the water through play.

Aqua Tots

(3-4 yrs)

RP4008

Prerequisite: None

Swimming diapers must be worn in addition to swimwear for non-potty-trained children.

Parents support their children as they become more independent and familiar with the aquatic environment. Children are introduced to basic water skills such as safe water entry and exits, conditioning, cueing, breath control, buoyancy, and floating. Kicking and basic arm motions are also practiced. Once the child has developed proper breath control, submerging and assisted floats are practiced.

Preschool Swimming (4-5 yrs) - Lessons: 8 - *Parents/guardians not permitted to assist during lesson*

Level 1

RP4009

Prerequisite

1. Students must be able to function well in a group setting without parents.
2. If there is a fear of the water, contact coordinator.
(Child may need a private lesson prior to a group lesson.)

Children become familiar with the aquatic environment and learn basic water skills such as water entry and exit, blowing bubbles, breath control and submerging underwater. With support, they begin to float, glide and swim on their front and back. This class creates the foundation for safe water practices.

Level 2

RP4010

Prerequisite: Preschool Swimming Level 1 or...

1. Perform all skills comfortably in the water with assistance.
2. Blow bubbles through nose and mouth for 5 seconds.
3. Bob under water, fully submerged, for 5 seconds.

Children who are comfortable submerging underwater become more independent through more advanced fundamentals of breath control, buoyancy, gliding on the front and back, treading in deeper water and develop swim-float-swim sequence, with assistance as needed.

Level 3

RP4011

Prerequisite: Preschool Swimming Level 2 or...

1. Front and back float without assistance for 5-10 seconds.
2. Front and back glide without assistance for 8 feet.
3. Comfortable in 5 feet of water AND able to tread water for 10 seconds with assistance.

Children who are comfortable submerging, floating, and gliding will practice independent water entry and exit, greater breath control, buoyancy, treading in deeper water and develop swim float swim sequence at a more proficient level. Emphasis is on improved coordination of simultaneous and alternating arm and leg action on their front and back.

Aqua Kids (6-10 yrs) - Lessons: 8

Level 1

RP4012

Prerequisite

1. Students must be able to function well in a group setting without parents.
2. If there is a fear of the water, contact coordinator.
(Child may need a private lesson prior to a group lesson.)

In this introduction to swimming, learn basic water safety and skills. Skills include safe entry and exit, breath control, submerging underwater, floating, gliding, and introduction to swimming on the front and back.

Level 2

RP4013

Prerequisite: Aqua Kids Level 1 or...

1. Front and back float without assistance for 5-10 seconds.
2. Front and back glide without assistance for 8 feet.
3. Bob underwater and remain submerged for 5 seconds AND blow bubbles through mouth and nose.
4. Comfortable in 5 feet of water AND able to tread water for 5-10 seconds.

Build on the fundamental skills of entry and exit, breath control, and buoyancy. Emphasis on combined alternating arm and leg action on the front and back at a more proficient level. Learn how to swim unassisted for longer lengths. Treading in deep water is introduced (taught in deep water).

Level 3

RP4014

Prerequisite: Aqua Kids Level 2 or...

1. Front and back glide unassisted for distance of 10 feet.
2. Front and back crawl unassisted for ½ length of the pool.
3. Comfortable swimming in deep water (10 feet).
4. Tread water for 15 seconds.

Improve your freestyle and back stroke skills with proper form and breathing. Begin to learn breaststroke kick, head-first entries and basic diving techniques. Participants must be comfortable in 10 feet of water; class is taught in deep water.

Learn to Swim (11-15 yrs) - Lessons: 8

Beginner

RP4015

Prerequisite

1. Students must be able to function well in a group setting without parents.
2. If there is a fear of the water, contact coordinator.
(Child may need a private lesson prior to a group lesson.)

Learn basic water safety and skills. These skills include safe entry and exit, breath control, buoyancy, gliding, changing direction and swimming on the front and back. Learn how to submerge underwater, blow bubbles, combine arm and leg motions without support, and independently float and glide on the front and back.

Intermediate

RP4016

Prerequisite: Learn to Swim Beginner or...

1. Bob underwater, blow bubbles through mouth and nose, and remain submerged for at least 5 seconds.
2. Front and back floats unassisted for 5-10 seconds.
3. Front and back glide unassisted for distance of 10 feet.
4. Freestyle and backstroke unassisted for ½ length of pool.

Build on your swimming fundamentals. Begin breaststroke kick, freestyle and back stroke with proper form and breathing for longer distances. Deep water safety, treading, and head-first entries/ basic diving techniques are introduced.

Swim Team Prep (6-18 yrs) - Lessons: 8

Pre-Swim Team Skills

RP4018

Prerequisite: Must be able to...

1. Freestyle and backstroke unassisted for 25 yards
2. Perform all swimming skills unassisted in 10 feet of water.
3. Tread water for 30 seconds.

In this stroke improvement course, work on the freestyle and backstroke for longer distances, and be introduced to breaststroke and butterfly. The basics of turning at the wall and diving are presented. This is the perfect course for those who are interested in joining the swim team!

Non-competitive Swim League

RP4022

Prerequisite: Must be able to...

1. Freestyle (rotary breathing) and backstroke for 50 yards.
2. Breaststroke for 25 yards.
3. Continuous combined swim (free, back, breast) for 100 yards.

This recreational league teaches you the basics of swim team drills, timing, legal stroke techniques, turns, diving starts. Practices are one hour, twice a week on Saturday mornings and Monday evenings.

Stroke and Turn Clinic

RP4024

Prerequisite: Must be able to...

1. Freestyle (rotary breathing) for 100 yards
2. Backstroke and breaststroke for 50 yards.
3. Continuous combined swim (free, back, breast) for 200 yards.

Are you a competitive swimmer? Work on perfecting each stroke and learn flip turns for competitions and fitness.

Adult Swim Lessons (16 yrs +) - Lessons: 8

Beginner

RP4019

Prerequisite: None

Adults who never learned how to swim or are beginners, this is the class for you! Learn and build on the fundamentals of swimming through breath control, buoyancy, treading, changing direction and swimming on the front and back.

Intermediate

RP4023

Prerequisite: Adult Swim Lessons Beginner or...

1. Bob underwater, blow bubbles through mouth and nose, and remain submerged for at least 5 seconds.
2. Front and back floats unassisted for 5-10 seconds.
3. Front and back glide unassisted for distance of 10 feet.
4. Freestyle and backstroke unassisted for ½ length of pool

Refine your stroke, turn, and breathing skills for continuous swimming. Safe deep-water swimming and treading skills are introduced.

Masters (18 yrs +)

RP4035

Lessons: 4 or 8

Prerequisite: Must be able to...

1. Swim 300 yards consecutively
- *Knowledge of all 4 competitive strokes is encouraged, but not required.*

RCCC Masters is a year-round program for swimmers with a focus on fitness. Join an experienced coach and fellow swimmers for a 90-minute workout each weekend. Workouts can consist of between 2,500-4,000 yards total.

Fee includes eight-game schedule, playoffs, awards, staff, facility rental, and administration. Each team is responsible for \$45 (cash) referee fee per game onsite (\$90 forfeit fee). All teams qualify for playoffs. Playoffs may be played on a different night of the week than regular-season games. Games are played at the Meadowbrook Athletic Complex, N. Laurel & Roger Carter Community Centers. Teams provide their own color-coordinated team shirts/jerseys and basketball. Team registration only. Free agents, please fill out the Free Agent Questionnaire at www.hcrpsports.org/freeagent. Info: Krista Billingsley, 410-313-4703 or kbillingsley@howardcountymd.gov.

Our goal is to place your team in a division of similar skills. If there are not enough teams per skill level, then the League Commissioner will join levels within the division.

Recreation (D3) is for teams who have played before or have minimal experience. This level is geared toward teams who want to have friendly competition. Teams have a good understanding of the rules; have the basic skills down; don't take the game too seriously; and just want to get a workout in, improve their skills, and socialize.

Intermediate (D2) is for teams who have been playing basketball for a while and are looking for competitive games. Teams playing demonstrate a high level of skills in the game and may have previously played JV/Varsity or in the recreation level and are ready to level up. Strong effort and winning is significant to the team.

Competitive (D1) is for teams looking for a seriously competitive game. This level is only meant for teams who have experience playing basketball and are looking for the highest level of play. Teams playing likely played at the high school or college level, or consistently play well and are ready to level up from another division. Maximum effort and winning is imperative to the team.

Ki Aikido by Russ Dauber

Martial art and Japanese yoga (Ki) training promotes dynamic movement with unified mind and body, as taught by Japan's Shin Shin Toitsu Aikido Kai. The Ki part is low impact. The Aikido part involves practice with partners and rolling on mats. Effective self-defense techniques flow with and lead attackers' movements. We develop the skills of keeping one point and extending Ki. We emphasize safety, knowledge and enjoyment.

Traditional Chen-Style Tai Chi

Taijiquan, also known as Tai Chi, has been inscribed on the Representative List of the UNESCO Intangible Cultural Heritage of Humanity. Characterized by relaxed, circular movements that work in concert with breath regulation and the cultivation of a righteous and neutral mind, this traditional physical practice offers therapeutic benefits for many age- and/or job-related chronic health issues (ex: body stiffness, pain, numbness, etc.). The traditional Chen-Style Tai Chi is the origin of all variants of modern Tai Chi. As a 12th generation descendant of the traditional Chen-Style Tai Chi, Master Zongqi Xie is one of the best Tai Chi masters from China (<https://taichihealth.life/en/01.html> for more details). This class focuses on fundamental techniques and movements of traditional Chen-Style Tai Chi, and included Chen-Style Tai Chi routines designed to provide relief to many age- and/or job-related health issues and improve the overall wellbeing of the body and soul. Please feel free to contact Master Xie at taichihealth.life@gmail.com for more details about this class.

Boys and girls have fun learning and playing the fascinating game of touch rugby with the Ellicott City Express or Howard County Hurricane programs. The league is designed for beginners through advanced players. Learn and improve skills needed to be successful in this fast Olympic sport. 5-16-year-olds (co-ed) play a two-hand touch version. 15-19-year-olds (boys) can play a tackle version and participate in tournaments. All players compete with teams from surrounding counties in the Maryland Rugby State-Based Organization. Games are played on Saturdays at different locations. Practices begin the first week of June. Games are mid-June to first week of August. Age determination date is 9/1/2024.

Adult Leagues

Adult Soccer Leagues flickr

Leagues play without any playoffs. Shin guards are required. Each team is responsible for referee fee per game onsite (cash). Teams provide their own color coordinated team shirts/jerseys and soccer ball. All game fields are synthetic turf. Team registration only.

Our goal is to place your team in a division of similar skills. If there are not enough teams per skill level, then the League Commissioner will join levels within the division. There are three skill levels offered, please self-assess as accurately as possible.

Recreation Division (D3) is for teams who have played before or have minimal experience. This level is geared toward teams who want to have friendly competition. Teams have a good understanding of the rules and have the basic skills down. This level doesn't take the game too seriously and just wants to get a workout in, improve their skills, and socialize.

Intermediate Division (D2) is for teams who have been playing soccer for a while and are looking for competitive games. Those playing at this level demonstrate a high level of skills in the game and may have previously played JV/Varsity or in the recreation level and are ready to level up. Strong effort and winning is significant to the team.

Competitive Division (D1) is for teams looking for a serious, competitive game. This level is only meant for teams who have experience playing soccer and are looking for the highest level of play. Those playing at this level likely played at the high school or college level, or consistently play well and are ready to level up from another division. Maximum effort and winning is imperative to the team.

Complete rules: www.howardcountymd.gov/soccer.

Info for Tuesday & Sunday Divisions: Matt Decker, 410-313-4716 or madecker@howardcountymd.gov.

Info for Thursday & Friday Divisions: Adam Zuckerman, 410-313-4720 or azuckerman@howardcountymd.gov.

General Information

Program information provided in this Guide is tentative. Consult www.HowardCountyMD.gov/rap for the most up-to-date information.

Registration

Program fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 2.

Waiver you need to sign when participating in our programs:

In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the organization and above-named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any program or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility. For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program.

Children must remain with the program for the full period scheduled. To leave before a day's program is complete, a child must have written parental consent, or the parent/legal guardian must pick the child up after notifying the program director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, please be aware that our staff does not change diapers.

Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

Canceled Programs

We don't like to cancel programs, but each one must meet its minimum enrollment. Don't be disappointed, register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants will be contacted immediately and a full refund to original form of payment.

Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your current Federal Tax Transcript and
- Any proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

Make a Donation

You can make a tax-deductible contribution to our Financial Assistance Program by calling 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

Refunds

We recognize that you may wish to withdraw from a program for a variety of reasons, but we encourage early decisions so as not to inconvenience other participants or affect our ability to efficiently deliver activities. Customers requesting a refund prior to two weeks before the program starts will be charged a 20% administrative fee, however if you request the credit to be placed on your Howard County Recreation & Parks account for future use, no administrative fee will be charged.

All refunds requested within two weeks of the program starting date will be charged at minimum a 20% administrative fee. Additional fees may be assessed to recover costs (e.g. for shirts, supplies, tickets, equipment etc.) associated with the program. There are no refunds given for missed program days. Trip refunds may reflect prepaid admissions; but the option to transfer your ticket may be considered. Competitive sport program timeframe for refunds reflects planning time and team selections, check refund details on website.

Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department, as well as a listing of jobs within Howard County Government, visit www.HowardCountyMD.gov/careers-jobs

The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit www.HowardCountyMD.gov/rap and click on "Forms and Publications" or call 410-313-4639.

Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor programs will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If there is inclement weather or an emergency plan is in effect in Howard County, scheduled programs will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.

Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

Rules of Conduct

The following rules must be observed while participating in Recreation and Parks programs. Specific rules may be added for individual programs and needs.

- All tobacco products are prohibited in buildings, school property or County parks
- No food or beverages in unauthorized areas; glass containers are prohibited.
- No soliciting or loitering
- No interference with employee or volunteer duties
- No harassment, bullying, or inappropriate or indecent conduct, language, or clothing
- No unauthorized use of alcohol, drugs, intoxicants or weapons
- No parking in unauthorized areas or driving/parking on field areas
- No alteration or installation of equipment (such as basketball hoops, fences or lining)
- No defacing of property (indoors or outdoors)
- No conduct that may jeopardize the safety of others.

Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed.

We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided to Howard County residents at no additional cost. To ensure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or spotts@howardcountymd.gov.

Other Policies

Additionally, the Department reserves the right to

- Cancel a program for any reasonable cause;
- Deny registration or entry into a program when it deems necessary to assure public safety;
- Suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- Photograph programs, participants and volunteers for publicity purposes; and/or
- Adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.

Public Meetings

For information about Howard County Recreation & Parks Advisory Board meetings, call 410-313-4640. Your comments are welcome at these sessions. Park Board members are Mary Catherine Cochran (Chair), Herman Charity (Vice Chair), Antonia Watts (Board of Education), Mason Godsey (Planning Board), David Grabowski, Marian Vessels, Shaun Lehmann Shreya Dinesh (Student Member), and Nick Mooneyhan (Executive Secretary).

Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you'd like to share your time and talent, visit www.HoCoVolunteer.org to view opportunities and register.

Sponsorships

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising. Info: www.HowardCountyMD.gov/HCRPSponsors or Anna Hunter, 410-313-4686 or ahunter@howardcountymd.gov.
