## Welcome to the 2022 Fall Guide!

Howard County Recreation & Parks is excited to share with you a full range of activities as we move from these warm summer months to the crisp fall days. Just because it will soon start to cool off, doesn't mean you can't still get up, get out and get active.

We'd like to start by sharing some big news. The cover gives it away, but we're excited to announce that the Harriet Tubman Cultural Center in Columbia will be opening later this summer. This project has been years in the making and provides an exciting opportunity for HCRP. For more information about the project's history, read the "On The Cover" section below.

Now, we'd like to bring your attention to a change in the guide that we believe will improve your experience. On the next page, you should notice a new format for our Table of Contents. There was nothing wrong with the old format, but these changes should make it easier to find programs specific to the intended person. Rather than search by category and then age group, we've simplified it so that everything is broken down by age – from Pre-K all the way to Active Aging (55 +). There are a few exceptions, but we hope this change makes it easier for you to find the right program!

We continue to offer adult and youth sports leagues and classes, in-person or online specialized fitness classes, programs at our community centers, and a host of events at Robinson Nature Center – just to name a few. As you flip through the pages, many of the same activities and events that you've grown accustomed to over the years will still be there, and there are a few new ones too.

Join us this fall for great events like *The Floating Pumpkin Patch* (page 7), *Sensory-Friendly Sunday* (page 6), and *Holiday Train Garden at B&O Ellicott City Station Museum* (page 9). Also, be sure to check out our *Before & After School programs* (page 26).

Sign up early as many of our programs fill up quickly. We hope to see you out and about this fall at one of our many programs here in Howard County.

We hope our guide provides you with a wealth of knowledge and opportunities.

If you have any questions, don't hesitate to call us at 410-313-4700.

## Harriet Tubman CULTURAL CENTER

**On The Cover:** Later this summer, Howard County Recreation & Parks is opening the Harriet Tubman Cultural Center after renovating the historic school in Columbia.

The Harriet Tubman School opened in 1949 as Howard County's only all-Black high school until it was closed through desegregation in 1965. It was then used by the Howard County Public School System (HCPSS) for more than 50 years.

On October 16, 2015, a Memorandum of Understanding was executed between the county and HCPSS to transfer ownership of the Harriet Tubman School building and surrounding property to Howard County to be preserved as a historic, educational, and cultural center. Ownership of the Harriet Tubman School site was transferred to Howard County on April 4, 2018.

To prepare the site for its new use, years of planning and construction followed. The new cultural center includes a museum that tells the history of slavery in the county. There will also be exhibits to spotlight African Americans who were the firsts at their jobs here in Howard County and to honor the alumni who attended the Harriet Tubman School. Additionally, the center has plans to offer events, classes, trips, recording space, and more. Rooms and the auditorium can also be rented.

The Harriet Tubman Cultural Center commemorates the history and significance of the Harriet Tubman High School legacy, and the impact of African Americans in Howard County and beyond.

## Park Ranger Programs Page 49

# CHILD CARE

Howard County Recreation & Parks offers Recreational Licensed Child Care (RLC) programs for preschool (ELC) and elementary-aged children. Our goal is to provide a safe, nurturing and structured environment for children to have fun while participating in meaningful group recreational activities.

Before a child can participate, parents must complete all licensing and required paperwork, including a health inventory, which requires a physical. All programs must meet and maintain minimum enrollment requirements to run. Fees are subject to change. Children must attend the same school as the child care program they are registered for.

Special accommodations or interpretive services can be provided at no additional cost but are not guaranteed; a request must be made at the time of registration. Because of the presence of children with severe allergic reactions, nuts and nut products are not served or permitted at any RLC programs.

If space is available, a \$50 non-refundable registration fee is required to enroll.

If a program has already filled, you may place your child's name on the waiting list at no cost.

All RLC programs have a behavioral policy with standards of conduct enforced through the use of discipline, up to and including suspension and expulsion from the program. The primary concern of the Department must be the safety and well-being of all participants, even though it may cause inconvenience to parents in a particular case. The Department makes every effort to assist children and their parents in modifying a child's behavior before their actions become a serious enough threat to require suspension. See the Parent Manual for a complete policy statement.

For a list of who to contact and additional program information, visit [www.howardcountymd.gov/rap](http://www.howardcountymd.gov/rap) and click on Child Care. For space availability, call 410-313-7275.

## Early Learning Center

Early Learning Center provides a safe, nurturing, active and creative learning environment for each child. Throughout the program, children enjoy building the skills needed for kindergarten (social and emotional development, reading and math readiness and fine and gross motor skills). They also participate in hands-on activities, including arts and crafts, science, nature, music, drama, and cooking. There are instructional and self-directed activities throughout the day. They are successful participants in the Maryland EXCELS program. Staff is trained in continuing early childhood education classes yearly. Parents provide snack/lunch. Children must be toilet-trained and meet the age requirement by September 1, 2022. Info: RLC office, 410-313-3706.

## Elementary School Before & After Care

### Before & After Care for Elementary School 2022-2023 Academic Year

This licensed program provides varied recreational activities. The before care offers low-key programming while the after care incorporates a structured energetic format. Activities include crafts, games, sports, special events, and intramural competitions throughout the school year. To promote good health and wellness, we implement heart-healthy activities. Our curriculum is weekly, theme-based and focuses on healthy eating habits and active play to encourage and educate children to make positive life choices. All programs are licensed through the Maryland State Department of Education's Office of Child Care and are participants in Maryland EXCELS programs. Info: RLC office, 410-313-3706.

## School's Out Cooking with Club SciKidz: Garden Party

Enjoy this farm-to-table day! (The majority of the ingredients for this program come straight from the garden and farm.) We focus on fruits, vegetables, grains, and natural sweeteners such as honey. Your child has a choice of vegetables to use when making and baking their own Farmer's Flatbread. As the class works together to make a steamy pot of homemade vegetable soup, learn and practice chopping and cutting skills. Don't forget dessert! Come create a delicious berry crumble and a granola bar snack. Info: Adam Wienckowski, 410-313-4714 or [awienckowski@howardcountymd.gov](mailto:awienckowski@howardcountymd.gov).

### NEW! Science in the Kitchen -

#### Cooking After School with Club SciKidz

Students, come enjoy being both a scientist and chef in this exciting class! Learn about science concepts (ex: chemical reactions and non-Newtonian fluids) when performing experiments using kitchen ingredients and equipment. Each class makes a snack that connects the science concept of the day (ex: enjoy lemon burst cookies after you erupt lemon volcanoes). Put the scientific method to work by dissolving mints in various liquids and then whip up a tasty peppermint dip. Roll up your sleeves because we're making oobleck (corn starch and water); guess the tasty treat that goes with that! Join us for weeks of fun mixing, measuring and baking up scientific goodies!

### Holiday Gingerbread House Decorating

#### Extravaganza with Club SciKidz (Parent/Child)

Bring the family for some holiday cheer and decorating hosted by Club SciKidz MD! Enjoy the fun of decorating gingerbread houses but leave the planning, prep and clean-up to us! Each family registration (up to two adults and two children) will receive one gingerbread house to decorate with all of the needed supplies. Additional gingerbread houses can be purchased for \$15. Enjoy hot cocoa, cookies and a few holiday-themed science activities and crafts as well! Children must be accompanied by an adult. Unfortunately, due to the nature of this program, we are unable to accommodate food allergies.

### NEW! Fall Favorites with Chef Michelle

Fall cooking is more than pumpkin spice, even though it is so delicious! In this new and inspired cooking series, Chef Michelle explores all parts of a menu, from start to finish, while infusing delicious fall flavors. Some menu items to look forward to are pumpkin spice cupcakes with maple frosting and the intriguing curry-scented butternut squash soup with the surprise ingredient of granny smith apples. We finish the soup with a garnish of pepita (pumpkin) seeds and creme fraiche (French sour cream). We make another scrumptious creation, red wine short ribs with smashed fall vegetables (sweet potatoes, parsnips, and baby red potatoes). Chef Michelle discusses cooking for small groups as well as how to freeze food successfully. You eat your creations at the end of class. Hands-on cooking class.

## Build Your Engine Strength Training with

### Christy Edwards, ACE, Personal Trainer

Time to get back in shape! Build the engine (muscles) that burns the fuel (the food you eat). In your 30s, your metabolism begins to slow down as you naturally start to lose lean muscle mass. The rate of loss accelerates as you age, but you can rebuild muscle with strength training. Change your body composition, help stabilize your joints, improve flexibility, feel stronger, and feel great! No strength training experience necessary. Beginners welcome. Bring a mat, hand weights, and water.

## Archaeology

### Prehistoric Archaeology in Howard County and Beyond

Join Archaeologist M. Lee Preston Jr. for an overview of the key sites and artifacts associated with 12,000 years of Indian occupation. The entrance of Native Americans into the New World from Asia is chronicled through images of items that have been excavated by archaeologists. Artifacts associated with Native American adaptive strategies in Howard County include projectiles,

arrowheads, knife blades, stone axes, pottery and bone tools. Learn about the techniques utilized by archaeologists to find, date and preserve our history. Examples of diagnostic stone and bone tools as well as pottery are passed around for hands-on analysis by all attendees.

### Aquatics

- Swimming lessons emphasize skills needed to be safe in an aquatic environment. All instructors have been trained at our facility and are knowledgeable about the programs we teach.
- Be sure to register your child for the appropriate level. If space allows, a participant may be moved to a lower or more advanced level at the discretion of the swim lesson coordinator.
- For multiple sessions, register your child in the same course for a minimum of two sessions. Children often require more than one session to master the skills needed to proceed to the next level.
- Parents and guardians are not permitted to assist child during the lesson, except for the parent-child or Therapeutic Recreation classes. Accompanying adult for children under 16 must remain at the facility.
- Swimming diapers and/or rubber shorts must be worn.
- Please read Concussion & Sudden Cardiac Arrest info. Your family's review of this info is required by law before you're allowed to register for sports/swim programs.

#### Ki - Aikido by Russ Dauber

Martial art and Japanese yoga (Ki) training promotes dynamic movement with unified mind and body, as taught by Japan's Shin Shin Toitsu Aikido Kai. The Ki part is low impact. The Aikido part involves practice with partners and rolling on mats. Effective self-defense techniques flow with and lead attackers' movements. We develop the skills of keeping one point and extending ki. We emphasize safety, knowledge and enjoyment.

## 55+ Pickleball Drop-In Play

Pickleball is a paddleball sport that combines elements of badminton, table tennis, and tennis. Two or four players use solid paddles made of wood or composite materials to hit a perforated polymer ball, much like a whiffle ball, with 26-40 round holes, over a net. The sport shares features of other racquet sports: the dimensions and layout of a badminton court, and a net and rules somewhat similar to tennis, with several modifications. Participants bring their own paddle and balls. Teams will rotate play during these sessions.

# General Information

*Program information provided in this Guide is tentative. Consult [www.howardcountymd.gov/rap](http://www.howardcountymd.gov/rap) for the most up-to-date information.*

## Registration

Program fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 4.

### **Waiver you will need to sign when participating in our programs:**

In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the organization and above-named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any program or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

## Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility. For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program.

Children must remain with the program for the full period scheduled. To leave before a day's program is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the program director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, please be aware that our staff does not change diapers.

## Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

## Canceled Programs

We don't like to cancel programs, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants will be contacted immediately and a full refund credited.

## Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your 2021 Federal Tax Transcript and
- Any proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

## Make a Donation

You can make a tax-deductible contribution to our Scholarship Fund by [www.howardcountymd.gov](http://www.howardcountymd.gov) or call 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

## Refunds

We recognize that you may wish to withdraw from a program for a variety of reasons, but we encourage early decisions so as not to inconvenience other participants or affect our ability to efficiently deliver activities. Customers requesting a refund prior to two weeks before the program starts will be charged a 20% administrative fee, however if you request the credit to be placed on your Howard County Recreation and Parks account for future use, no administrative fee will be charged.

All refunds requested within two weeks of the program starting date will be charged at minimum a 20% administrative fee. Additional fees may be assessed to recover costs (e.g. for shirts, supplies, tickets, equipment etc.) associated with the program. There are no refunds given for missed program days. Trip refunds may reflect pre-paid admissions; but the option to transfer your ticket may be considered. Competitive sport program timeframe for refunds reflects planning time and team selections, check refund details on website.

## Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor programs will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If there is inclement weather or an emergency plan is in effect in Howard County, scheduled programs will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.

## Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

## Rules of Conduct

The following rules must be observed while participating in Recreation and Parks programs. Specific rules may be added for individual programs and needs.

- All tobacco products are prohibited in buildings, school property or County parks
- No food or beverages in unauthorized areas; glass containers are prohibited.
- No soliciting or loitering
- No interference with employee or volunteer duties
- No harassment, bullying, or inappropriate or indecent conduct, language, or clothing
- No unauthorized use of alcohol, drugs, intoxicants or weapons
- No parking in unauthorized areas or driving/parking on field areas
- No alteration or installation of equipment (such as basketball hoops, fences or lining)
- No defacing of property (indoors or outdoors)
- No conduct that may jeopardize the safety of others.

## Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed.

We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommoda-

tions can be provided to Howard County residents at no additional cost. To ensure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or [spotts@howardcountymd.gov](mailto:spotts@howardcountymd.gov).

## Other Policies

Additionally, the Department reserves the right to

- Cancel a program for any reasonable cause;
- Deny registration or entry into a program when it deems necessary to assure public safety;
- Suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- Photograph programs, participants and volunteers for publicity purposes; and/or
- Adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.

## Public Meetings

For information about Howard County Recreation & Parks Advisory Board meetings, call 410-313-4640. Your comments are welcome at these sessions. Park Board members are David Grabowski (Chair), Edward Coleman (Vice Chair), A. Raul Delerme (Recording Secretary), Antonia Watts (Board of Education), Thomas M. Franklin, Marian Vessels, Herman Charity.

## Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department, as well as a listing of jobs within Howard County Government, visit [www.howardcountymd.gov/careers-jobs](http://www.howardcountymd.gov/careers-jobs)

The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit [www.howardcountymd.gov/rap](http://www.howardcountymd.gov/rap) and click on "Forms and Publications" or call 410-313-4639.

## Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you'd like to share your time and talent, visit [www.HoCoVolunteer.org](http://www.HoCoVolunteer.org) to view opportunities and register.

## Sponsorships

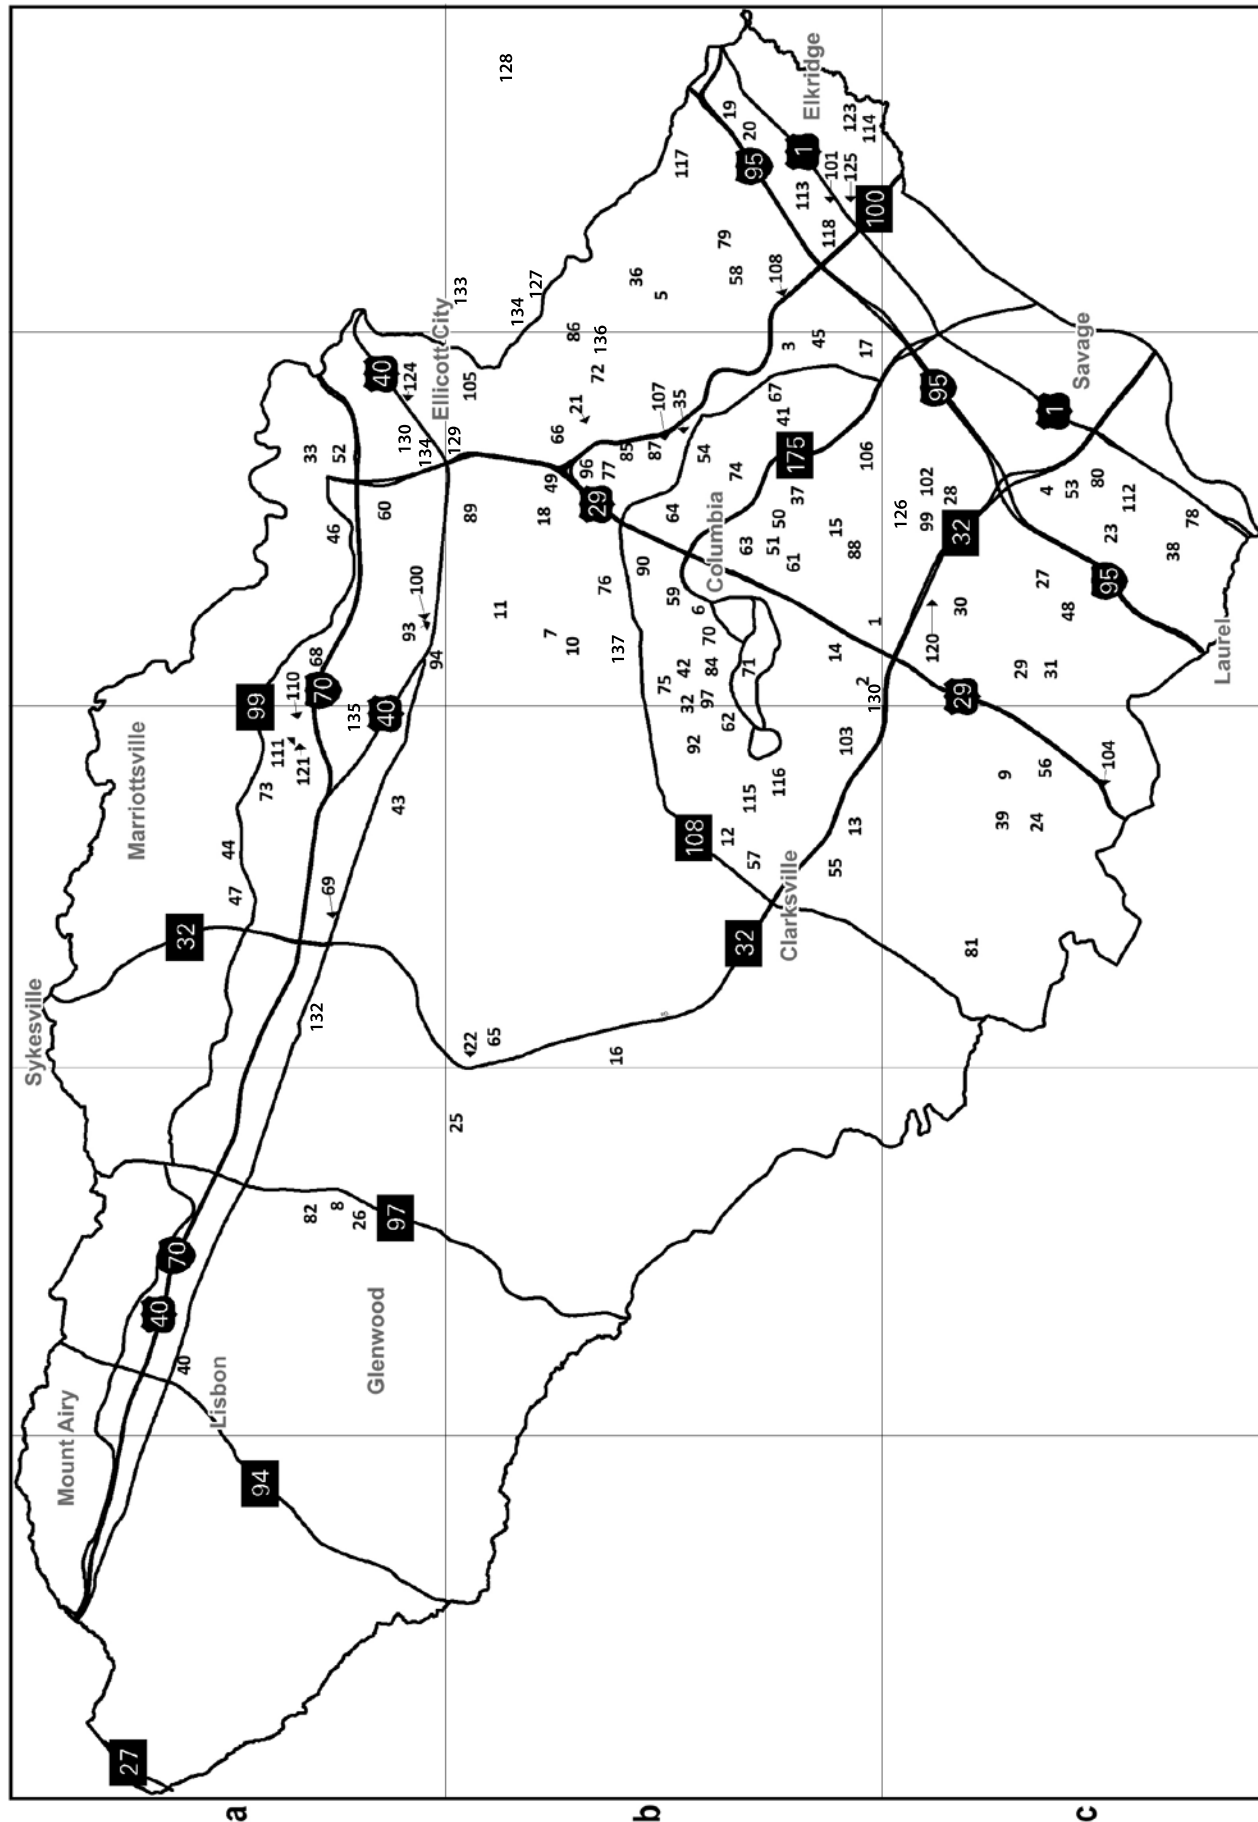

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising.
