# Laura Wetherald

AUGUST 6, 1955 - FEBRUARY 19, 2021

Howard County is saddened by the recent loss of our Recreation Bureau Chief, Laura Wetherald. A gifted recreation professional and thoughtful friend, Laura brought warmth and enthusiasm to the lives of her colleagues and the local community.

Joining Howard County Recreation & Parks in 1987, Laura helped shape the department's then-new Therapeutic Recreation program and was a passionate advocate for individuals with disabilities in the years that followed. In 1998, Laura was named the department's Bureau Chief of Recreation. Laura would go on to serve as the President of the Maryland Recreation and Parks Association (MRPA) and as a member of both the National Recreation & Parks Association's CAPRA Commission and the Learning Education Resource Network (LERN)'s Recreation Council.

Throughout her life, Laura demonstrated the value of hard work and perseverance. She was the Howard County Employee of the Year in 1998, received MRPA's Member of the Year award multiple times and was named a Hope Award Honoree for excellence in the field.

In addition to her many professional accomplishments, Laura was a loving wife, mother, and friend. She was proud to give back to the Howard County community, serving with many local community organizations including the Columbia Festival of the Arts Board of Trustees, the local PTA, her children's sports booster clubs, and more.

Laura spoke passionately about recreation programming and management, whether at the office or in her daily life. In her own words, she reminded us each day that "the benefits of recreation and parks are endless!" We hope you will join us in remembering Laura's life and her achievements as we follow her example in our own lives.

"Over the course of her 34-year career, Laura grew with the department and made so many of our programs known to the local community. It's amazing what she accomplished in that time for the residents of Howard County, particularly those with developmental disabilities. We are lucky to have had her in our lives."

– Howard County Recreation & Parks  
Director Raul Delorme

"Laura was a dedicated public servant who impacted many throughout the years with her kindness and enthusiasm. She believed that you don't work for the government, you work for people. She was so well-known and respected by our community. She leaves behind a valuable legacy, but her passing leaves a tremendous void for us all."

– Howard County Executive Calvin Ball

## All-Day Camps

- Camp start dates are tentative as they are dependent on the last day of Howard County public schools.
- Camps listed by age first, then alphabetical.
- All-day camps: bring a non-perishable, nut-free lunch and beverage.

### Child Care

For the most up-to-date information, please check the RLC webpage: [www.howardcountymd.gov/childcare](http://www.howardcountymd.gov/childcare).

We are also lucky enough to be able to continue a partnership with the Howard County Public School System and we are able to provide a lunch and snacks (free of charge) to all of our participants. As part of the check-in process, children will be able to choose their lunch option. If your child's dietary needs may not be met or you prefer to, please feel free to send your child in with a nut-free lunch.

These hands-on camps provide a variety of activities based on weekly themes (all camps follow MSDE Office of Child Care regulations and maintain a 1:15 ratio). Morning and afternoon snack provided to those attending from 7am-6pm.

**Cooking Ever After (Part 1) with Club SciKidz** - Our favorite children's stories and fairy tales come to life through cooking. Become a fairy and create your own Pixie Dust. Read and act out stories and create your own Stone Soup. The Three Little Bears come to life as we create a bear mask and "beary" cute treat. Join the Lost Boys of Peter Pan to create Pirate Ship Pizzas.

**Cooking Ever After (Part 2) with Club SciKidz** - Join us for another delicious adventure as we combine our two favorite things, reading and cooking! Read different versions of The Little Red Hen and try your hand at using cooperation to make the recipes from each book. Take a humorous look at cause and effect with the book *If You Give a Pig a Pancake*. Our themed craft is a tasty-looking paper pancake, but never fear, we'll get to enjoy edible pancakes as we make pancake art!

**Culinary Creations with Club SciKidz** - Come join us for a week of culinary creations! Focus on a new theme each day. Travel under the sea to learn about various sea creatures and make Octopus Cupcakes. Travel back to land and learn about insects and bugs by making Lady Bug Cookies and a healthy snack like Vegetable Bugs. Enjoy learning about our world while learning new and fun recipes.

**Cupcake Wars with Club SciKidz** - Tie on your apron and prepare for battle! Come learn about the principles of baking. Take these tools to the kitchen as you compete in a different cupcake baking challenge each day. Begin with the basics and by the end of the week make cupcakes and frosting from scratch. Each day has a different theme where campers get to use the skills they have been learning and their creativity to create amazing cupcakes! Prepare to get creative and enjoy the journey.

**Delectable Desserts with Club SciKidz** - Step into the kitchen and get ready to make delicious desserts. Chefs, come measure, mix, roll, and bake while learning new recipes that won't disappoint. Make and learn a variety of skills useful in making desserts. Create cupcakes from scratch! Test your culinary skills and, best of all, taste the results!

**Eating the Alphabet with Club SciKidz** - Who knew the alphabet could be so delicious? Come learn about letters and basic reading skills by using delicious recipes, food, and crafts. Practice writing your letters using pudding, salt and tasty pretzel dough! Learn about the letters "M" and "P" as we make peaches and cream muffins. Focus on the letter "C" by making your own C-shaped cookies and Cookie Monster Cupcakes! Join us for this tasty adventure!

**Galactic Kitchen with Club SciKidz** - Blast off into space with this brand-new camp. Learn about our cosmos through delectable treats and crafts. Bake and create Space Rocks from scratch! Identify constellations and bake Constellation Cookies. Create Cosmic Cupcakes from scratch and decorate it with an alien on top!

**Jurassic Chef: Prehistoric Pantry with Club SciKidz** - Travel back in time to the land of dinosaurs. Learn about the dinosaurs through cooking. Create your very own Dinosaur Footprint Flapjacks. Hatch a Dinosaur Egg by creating a chemical reaction. Explore the prehistoric era by creating a fossil egg and Dinosaur Dirt. Discover animals locked in time by creating Dino DNA Amber Treats.

**Kitchen Chemist with Club SciKidz** - In this camp, the kitchen becomes a scientific laboratory where you are both a scientist and chef. Create delicious chemical reactions through cooking and tasting your creations. Use Lemon Clocks to learn about electricity and erupting lava cakes teach the science behind explosions.

**Nailed It! with Club SciKidz** - Just like in the TV show, each day you are given a culinary task to recreate. You are provided with the inspiration and the recipe to recreate the masterpiece. Use your creativity and resourcefulness in the kitchen to make a masterpiece. Can your "Nail It?" Some examples of what you recreate include Minion Cupcakes and homemade hamburger cakes.

**School of Culinary Wizardry with Club SciKidz** - Join Harry in the kitchen and try your hand at some magical and mystical culinary creations. Your adventure begins with Sorting Hat cupcakes and choosing and creating your magic wand. Continue to Hogsmade and create Butterbeer and Golden Snitch Truffles. What magical spells will you use in your creations?

### American Girl Camps

by Rita Snyder & Associates **flickr**

Hands-on activities make each day especially fun with related arts and crafts, cooking, games, music and more! Make different recipes for each camp. Personalize a cookbook of the recipes made in camp. Full day and half day options available.

#### NEW! Learn to Cook with American Girl Blaire

Enjoy using your creativity to make yummy farm-to-table recipes using fresh fruits and vegetables, just like Blaire! Make homemade goodies from scratch. Have fun measuring and mixing ingredients, putting them in the oven and waiting for the magic to begin. Each day has different treats on the farm restaurant menu (ex: cupcakes, muffins, and crème brûlée), just like Blaire would make! Cooking emphasizes reading comprehension, math and chemistry. While waiting for the goodies to cook, make gardening and cooking crafts for you and your doll, and more.

#### NEW! Journey to Fun with the American Girls 3

Design and make crafts, theme-related clothes, accessories, and recipes for you and your doll! Themes may include STEM Discovery Day, Get Creative with Art Day, Winter Wonderland Day, Doll Fashion Design and Room Decor Day. Each day's activities also include cooking, games and more!

#### NEW! Journey to Fun with the American Girls of Today 4

Design and make crafts, clothes and accessories for you & your doll! Themes may include It's a Party Day, History Day with the Historical AG Dolls, Get Active Day and Doll Fashion Design Day. Each day's activities also include cooking, games and more!

#### NEW! Learn to Bake with American Girl Grace

Bake treats like Grace! Make homemade goodies from scratch. Have fun measuring and mixing ingredients, putting them in the oven and waiting for the magic to begin. Each day has different treats on the bakery menu (ex. cookies, cupcakes, and even French pastries) just like Grace would make! While waiting for the goodies to cook, make a doll apron, oven mitt, and baking accessories. Baking emphasizes reading comprehension, math and chemistry.

## Journey to Hogwarts with Harry Potter by Rita Snyder & Associates **flickr**

Pack your bags and meet at Platform 9 ¾ to travel to Hogwarts School of Witchcraft and Wizardry. The books come alive as you visit each house (Gryffindor, Hufflepuff, Ravenclaw, Slytherin) and take classes with Harry through his years at Hogwarts. Each camp includes creating different crafts, plenty of hands-on activities, playing Quidditch (on brooms!) and competing for the House Cup with Harry Potter trivia. You'll have more fun if you've read the books, but it's not required. Each camp offers a unique experience. Campers do different activities based on the book for each camp, but Quidditch is played at every camp! Camps can be taken in any order. Full day and half day options available.

### Harry Potter 1 (HP1): *The Sorcerer's Stone*

Your invitation to Hogwarts has arrived! First-year students visit Diagon Alley to make your necessary school supplies, transform ordinary clay into wizard money, make your own spell book and learn to write with a quill, brew a special potion in Potions class, play Quidditch, and more!

### Harry Potter 3 (HP3): *The Prisoner of Azkaban*

Third-year students have a special trip in store for them---visiting Honeydukes and making wizard candy! You'll also make your own Marauder's map, learn the art of reading tea leaves in Divination class, realize your worst fear as you create your own boggart and the spell to banish it in Defense Against the Dark Arts class, make a special edible potion to bring you luck in Potions class, play Quidditch, and much more!

### Harry Potter 2 (HP2): *The Chamber of Secrets*

Welcome back to Hogwarts for your second year! Activities include learning spells and joining the Dueling Club, creating your own unique magical creature during Care of Magical Creatures class, making mandrakes during Herbology, creating your own wizard trading card, concocting Polyjuice in Potions class, playing Quidditch, and more!

### Harry Potter 4 (HP4): *The Goblet of Fire*

For fourth year students, camp begins at the Quidditch World Cup! Find out what country you'll be playing Quidditch for in the play-offs. Write predictions with a quill in Divination class and contribute an article to the Summer 2021 edition of the Daily Prophet to take home! The biggest adventure of all is competing in the Triwizard Tournament, and completing each of the three tasks, if you dare!

### Harry Potter 5 (HP5): *The Final Saga (based on books 5-7 in the Harry Potter series: The Order of the Phoenix, The Half-Blood Prince, The Deathly Hallows)*

Your last years at Hogwarts find you testing your wizarding mettle against the dark forces of Voldemort. Train for Dumbledore's Army, take apparating lessons, design and make your own product for Weasley's Wheezing Wheezes, make food and attend Slughorn's party, and hunt for horcruxes and much more!

### Harry Potter 6 (HP6): *The Magic Continues*

Want more Harry Potter? Explore in depth Hogwarts classes including Potions, Defense Against the Dark Arts, Divination, Quidditch and more! Discover the "muggle" history of the magic at the heart of the Harry Potter stories. Learn about fantastic beasts and where to find them as described by the famous magizoologist, Newt Scamander. Concoct potions, create other new crafts based on Hogwarts subjects, learn "real" magic tricks from a visiting professor, play Quidditch (on brooms!) as well as do some activities you've loved from the other Harry Potter camps.

### NEW! Harry Potter 7 (HP7): *Baking Magical Sweets and Treats*

Experience the world of Harry Potter in an entirely different way--by making foods from the Harry Potter books! Learn to bake from-scratch cauldron cakes and pumpkin pasties sold on the Hogwarts Express, special cookies from the Hogwarts School of Witchcraft and Wizardry, yummy treats found at Honeydukes, edible Golden Snitches, and much more! While waiting for the magical concoctions to bake, you'll play Quidditch (on brooms!), cast spells, and make wizardry crafts, including your own wand and broom. Compete for the House Cup with Harry Potter trivia. You'll have more fun if you've read the books, but it's not required. Personalize a cookbook with all recipes made in camp to have on hand for your next Harry Potter party!

Come join Club SciKidz as we learn how to build and program LEGO®. In our 4-6-year-old camps, we feature LEGO® WeDo. Campers learn how to build and program different themes such as animals, people and giants. Each day campers bring to life their LEGO® creations by programming them on a computer with LEGO® WeDo software. In our 7-11-year-old camps, campers build a LEGO® Mindstorms robot. Each week, campers focus on a different theme and program their robot to solve these challenges. For example, program a robot to fix a broken pipeline in Sea World Adventures, or compete in the Robot Olympic Games in Bot Olympiad. Every day brings a new challenge, and anyone can learn to build and program LEGO® robots!

**Adventure Stories** - Use LEGO® bricks and LEGO® WeDo robots to build an airplane rescue, a giant escape, and a sailboat storm. Learn how to program and operate your creations using a laptop computer.

**Amazing Mechanism** - Come enjoy using LEGO® bricks and LEGO® WeDo robots to create a variety of different mechanisms. Projects include a hungry alligator, a flying bird, and a roaring lion. Learn how to program and operate your creations using a laptop computer.

**Bot Olympiad** - Come build a robot that competes in our Robot Olympic Games! Themes include Athletic Training Center, Basketball, Hockey, Tug of War, Sprint, and Wrestling. Create a robot and program to complete missions throughout the week! Add attachments and sensors to your robot throughout the week to complete a different Olympic Game!

**Doctors & Surgeons** - Enjoy an intro to the world of building and programming basic robots. Throughout this camp, enjoy exploring different ways in which a robot could be utilized in the medical field. Topics include medical intern, setting a bone, harmful bacteria, administering aid, robo-therapy and robo-operation. Build a base robot and attach different attachments and sensors to complete these challenges. Learn real programming for each robot!

**EV3 – Envirobots** - Using the LEGO® EV3 platform, build and program a robot to complete a different task or theme each day! Utilize the color sensor to pick up ambient light, learn about solar energy and managing stored energy. Program a robot to be efficient in reaching a goal, simulating how a solar-powered robot might act. Use advanced programming modules to record information in your robot while reinforcing the concept of efficiency in logistics. Build one robot and learn to program it to complete different missions! Learn real programming!

**Little Engineers** - Sir Isaac Newton never had this much fun! Immerse yourself in our toy maker's workshop by constructing and taking home different toy projects. Each project teaches an important physical property. Sample projects: Pocket Rocket, Marshmallow Shooter and Snap Circuit Board.

**Little Robotics** - This program introduces new LEGO® WeDo model builds! Learn how to code and program LEGO® WeDo robot builds to move. Construct a giant that awakens when there is movement nearby! Build a racing car, a space shuttle and a jumping rabbit all with LEGO® coded by you!

**Play Soccer** - This camp is a perfect mixture of fun and learning, using LEGO® WeDo robots. Using LEGO® bricks, build a goal scorer, an airplane pulling a banner, and more. Learn how to program and operate your creations using a laptop computer.

**Robotic NXT Robot Rumble** - This is a brand-new camp based on feedback from our campers! Build different model robots throughout this week-long camp that focuses more on the building and engineering of the builds. Learn to program each of these robots differently! Come build a Robotic Catapult, Robotic Bumper Car, Robotic Electric Guitar, and more.

**Sea World Missions** - Come design and program robots to protect the ocean and ocean life by releasing a dolphin into the ocean, fixing a broken pipeline, and maintaining an oil platform. Enjoy using LEGO® Robotics and computers to learn principles of robotics, computer programming, and teamwork. Tech Scientific believes children are natural engineers, and we inspire to create the next generation of Engineers! Build a robot and program that robot to complete these missions throughout the week!

**Search & Rescue** - Using the LEGO® EV3 platform, build and program robots to complete a different theme each day! Themes include Earthquake, Searching for Survivors, Avalanche, Broken Bridge, Stranded in the Woods, and Apocalypse! Build a robot, then add different sensors and attachments in order to complete Search and Rescue missions! Learn how to program this robot to complete each mission!

**Tech Machines** - This is the perfect camp to learn science and design technology concepts using LEGO®'s Early Simple Machines and Tech Machine Sets. Build fun and simple models such as a rolling vehicle, spinning top, and raft. By building these devices, learn about simple machines such as levers, gears, and wheels while exploring energy, buoyancy, and balance. For extra excitement, we add Tech Vehicles to learn about machines and the tools used to work on them.

**WeDo LEGO® Meets Scratch** - Bring your coding skills to life with Scratch as you learn to code WeDo LEGO® Robotics. Take LEGO® to the next level by using this popular coding program. Go beyond the basics and build projects such as a Hopping Frog, Batmobile, Space Shuttle and more!

## Bricks4Kidz LEGO® Camp

This camp is a fresh and fun way for you to spend your summer! Pair with another Bricks4Kidz LEGO® half-day camp for a full-day camp with supervised lunch hour (noon-1pm). Guided by our experienced teachers and built around exciting themes using LEGO® bricks to build specially-designed Bricks4Kidz models and play LEGO® games. Using specialized LEGO® pieces, work in pairs to construct a variety of Bricks4Kidz models, as well as build creations of your own.

**Amusement Park Designers** - Let's get those engineering minds thinking as we plan the coolest amusement park around! Our LEGO® mini figures are ready for a brick-sized adventure park! Develop your tech-building skills with our motorized LEGO® models. By the end of the week, design your own rides!

**Brick Architects** - Let's build a city! Learn, plan and build together. Test out engineering and architecture principals as you build models of skyscrapers, buildings, parks, playgrounds, waterways, and bridges, all using LEGO® tech-nic motorized components and basic bricks. Have a blast building custom vehicles to move people of the city around town - brick by brick!

**Brick Critters: The Secret Life of Pets** - Ever wonder what your pets do while you are at school? Join Max, an adorable dog, and Snowball the rabbit on this fun and furry adventure. Dive into the depths of the ocean with Dory to help her search for her family and build other favorite aquatic movie sea life. Build critters, motorized buzzing bees, fluttering butterflies, and more.

**Brick Movie Making** - This new format camp is a fun introduction to stop motion animation using LEGO® elements. With a focus on storytelling and set construction, this entry-level camp is a great way for your child to start on their movie making journey!

**Brick Olympics** - Calling all sports fans! On your mark, get set, build! Celebrate the Olympics with cool models of sports from cycling to soccer, basketball to gymnastics. Take a break from the heat and compete indoors to set your own Brick Olympics records with exciting sports-themed challenges! Winners receive Bricks4Kidz medals.

**Brick Pirate Adventures** - Join Captain Black Brick and his crew on this fun adventure of the high seas. Love Captain Jack and the scallywags of the Pirates of the Caribbean? How about Jake and the Neverland Pirates, or good ol' Peter Pan and Captain Hook? Come on a fun, swashbuckling adventure!

**Brick Video Game Design** - Let's build our own video game mini-model built with LEGO® bricks. Think creatively, reason systematically, and work collaboratively to create a game. Each game progressively teaches more advanced capabilities within the video game design software.

**Bricks4Girlz-Summer Travel Adventures** - Each day is themed after a particular LEGO® Friend and where she might spend her summer holiday. Come build with us, play some fun games, and make some cool crafts, all based on the LEGO® Friends characters.

**Bricks4Girlz-Coding and Crafting** - In this "Girlz Only" space, enjoy problem solving and collaborating. Energize your creative side - through teamwork, friendship, and building LEGO® brick sets.

**Bricks4Girlz: Friends** - Grab your friends and hang out with us for a girls-only week of crafting and creating with LEGO® bricks. Introduce your friends to our "friends" as we get to know LEGO®'s girl-themed models. Build adorable houses, cafes and more for a cast of female characters including Olivia and her friends. Enjoy building lots of other unique things with bricks, from jewelry making to brick art, with a take-home project each day.

**Building is Awesome: Emmet's Wild Adventures** - Enjoy Emmet's adventures in the LEGO® Movies. Your favorite characters make an appearance in our motorized models, 3D models and mosaics. Come play fun games and make cool crafts based on the movie. Whether you take an imaginary ride on MetalBeard's ship or Emmet's double-decker couch, every day is awesome!

**Extreme Gaming Adventures** - Get in the creative mode! We challenge you with cool new models based on today's most popular video games as well as some retro faves! Come "level up" with your LEGO® building!

**Galaxy Space Wars** - Inspired by NASA and Star Wars®, this camp is packed full of models that make your imagination blast off! Each day, learn about real-life space exploration and build models related to the NASA space program. In addition, the day includes LEGO® Star Wars® - themed models, video games, group games, challenges and more.

**Jurassic Bricks Camp** - Ready for the adventure of a lifetime? Put on your hiking boots and camouflage, you're about to enter Jurassic Brick World! Build a world that comes to life with gentle Brontosaurus, ferocious Velociraptor, terrible T-Rex, and more! Learn about dinosaurs and other extinct prehistoric animals that roamed the Earth millions of years ago!

**Lights, Camera, Movie Mix-up** - Build LEGO® models from our favorite movie franchises including Toy Story, How to Train Your Dragon, Teenage Mutant Ninja Turtles, Jurassic Park and more! If you love the big screen and some brick building, then this is the camp for you!

**Mining & Crafting** - Create anything you can imagine. Experience the world of Minecraft with LEGO® bricks! Craft a shelter and some of the mobs, critters and tools using LEGO®. Face new challenges each day, build motorized models and craft key elements from the popular Minecraft game.

**Ninja Training** - Do you love the Ninjago®? Play games and have challenges that are based on the LEGO® Ninjago television show and model sets. Enjoy arena battles, doing ninja related crafts, and building models. Discover zip line racing, skeleton bowling and all sorts of adventure.

**Robotics Coding and More** - Want to start learning about computer science and coding? Do you hope robotics is in your future? This fun camp is set up to be an engaging and entertaining introduction to computer coding and robotics. Using fun formats including LEGO® WeDo 2.0, Ozobots, Wonder Workshops Dash and Dot and more, we engage in fun, educational activities.

**Super Heroes Unite** - Enjoy a week building Super Heroes with LEGO® bricks. Explore all the caped crusaders and discover their super powers. Create a fantasy world and protect it against all your evil arch enemies with custom contraptions made with LEGO® bricks.

**Transforming Brick Creations** - Transformers, more than meets the eye! We've taken the popular Transformers toys and created a fun camp with LEGO® models that can be transformed into new creations! From vehicles to robots and back. Enjoy games and builds based on Transformers and Rescue Bots.

**Wild About Animals: Brick Zoology** - Does your child love animals? In this science-packed camp, we explore the wild and wacky, gross and goofy animal world in a very brick building way. Throughout the week, fill your "explorers guide" with facts and build some really cool motorized LEGO® models and awesome brick creations.

**Wizards vs Beasts** - We are taking our popular Harry Potter-themed camp and mixing in some fun "fantastic beasts" action! Grab your wands, pick your house and have some fun! Come build motorized LEGO® models of cauldrons and quidditch matches. Build 3D models and mosaics of dragons and beasts.

### Circus

#### Big Top Buddies by Michael Rosman

Young circus stars are introduced to circus skills with an emphasis on manipulation skills, such as spinning plates, balancing feathers/sticks and juggling scarves. Tumbling (acrobatics) is introduced along with clowning skills and gags. Circus-themed arts and crafts round out the days, with a performance on last day. Campers get to pie the instructor on Pie in the Face Day. Camp directed by Michael Rosman, a graduate and veteran of the Ringling Bros. and Barnum & Bailey Circus College with 20 years experience teaching circus arts.

Join for a week of Roblox, game design and coding with full and half day options. Info: Holly Harden, 410-313-4625 or [harden@howardcountymd.gov](mailto:harden@howardcountymd.gov).

### Roblox, Imaginative Game Design (Morning)

Learn how to use coding fundamentals to strategically engineer cosmos while providing students with hands-on experiences in innovation and the underlying mechanics of 3D gaming.

### Coding and Design Games with Scratch (Afternoon)

Learn basic programming concepts using a simple drag-and-drop interface within Scratch software. Using pre-made art assets or your own creations, learn how to program them to walk, talk and interact with objects. Teach students logic and visual programming in order to create a simple, 2D video game in Scratch 2.

# Therapeutic Recreation & Inclusion Services

The Department of Recreation and Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs of their choice. Howard County Recreation & Parks has developed an inclusion process to better accommodate individuals with disabilities. This process has been recently updated.

To ensure that we meet your program needs, please contact Tori Taylor, Therapeutic Recreation Coordinator, at least two weeks before the program begins to request accommodation services.

## The Process to Request Accommodations:

1. Choose your fun! Look through the guide and find a program you or your family member would like. Howard County Recreation & Parks has many programs to choose from. You are always welcome to call us if you would like some guidance when choosing.
2. Once you know what program you'd like to participate in, the next step is to register. When registering, let us know that you will need an accommodation. You can register online, over the phone, or in person at any of our community centers.
3. Once registered for a program, the next step is to request an accommodation through our Accommodations Portal at [www.howardcountymd.gov/Therapeutic-Rec](http://www.howardcountymd.gov/Therapeutic-Rec). This portal will ask you for information about the program you have registered for as well as what type of accommodation you are requesting. It will send our Therapeutic Recreation team a notification when your request has been submitted
4. After your request has been made through our portal, an Accommodation Assessment link will be sent to you via email or the postal service. This assessment needs to be completed two weeks prior to the start of a program. This assessment will allow our team to better serve you and your loved one and gives our staff more information on how to make the program a success. Note: You only need to complete the Accommodation Assessment once a year; however you must send all accommodation requests through the Accommodation Portal for each and every program you register for.

5. Once our team has received the completed Accommodation Assessment, we will reach out to you within three business days with a phone call or an email confirming your request and to discuss strategies for inclusion. Please remember that increasing the staff to participant ratio is never guaranteed and is judged on a case-by-case basis. We will make every effort to provide reasonable accommodations on an individual basis. Please note that all required paperwork must be completed for requests to be reviewed.

If you would like to check the status of your request or if you have any questions regarding inclusion services, feel free to contact our therapeutic recreation team. We would be happy to help!

## Therapeutic Camp Refund Policy

Any refund request received by May 19 will be processed with a 10% administrative fee withheld. From April 15 until 48 weeks prior to the camp start date, a 50% administrative fee will be withheld. There will be no refund given for requests received less than four weeks prior to the camp start date except for medical reasons accompanied by a doctor's note, the amount to be refunded will be determined by the program's manager.

Camp dates are subject to change depending upon Howard County extended school year program and approval of space from the Howard County Board of Education.

COVID-19 precautions and procedures may impact participation in program and program being offered. For the latest updates on Therapeutic Recreation programs, visit [www.howardcountymd.gov/therapeutic-rec](http://www.howardcountymd.gov/therapeutic-rec).

# General Information

*Camp information provided in this Guide is tentative. Consult [www.howardcountymd.gov/rap](http://www.howardcountymd.gov/rap) for the most up-to-date information.*

## Registration

Camp fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 4.

**\*Waiver:** In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the Organization and above named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any camp or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

## Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility.

For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many camps will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program. Children must remain with the program for the full period scheduled.

To leave before a day's camp is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the camp director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, please be aware that our staff does not change diapers.

## Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate camp or place your name on a waiting list. There is no fee to be placed on a waiting list.

## Canceled Programs

We don't like to cancel camps, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a camp is canceled, registrants will be contacted immediately and a full refund credited.

## Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your 2020 Federal Tax Transcript and
  - Any proof of assistance from the Department of Social Services.
- Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

## Make a Donation

You can make a tax-deductible contribution to our Scholarship Fund by [www.howardcountymd.gov](http://www.howardcountymd.gov) or call 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

## Refunds

We recognize that you may wish to withdraw from a camp for a variety of reasons, but we encourage early decisions so as not to inconvenience other participants or affect our ability to efficiently deliver activities.

Customers requesting a refund prior to three weeks before the camp starts will be charged a 20% administrative fee, however if you request the credit to be placed on your Howard County Recreation and Parks account for future use, no administrative fee will be charged.

All refunds requested within three weeks of the camp starting date will be charged at minimum a 20% administrative fee. Additional fees may be assessed to recover costs (e.g. for shirts, supplies, tickets, equipment etc.) associated with the camp. There are no refunds given for missed camp days.

## Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor camps will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If there is inclement weather or an emergency plan is in effect in Howard County, scheduled camps will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If schools are closed or dismissed early due to inclement weather, camps in schools will not be held.

## Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

## Rules of Conduct

The following rules must be observed while participating in Recreation and Parks programs. Specific rules may be added for individual camps and needs.

- All tobacco products are prohibited in buildings, school property or County parks
- No food or beverages in unauthorized areas; glass containers are prohibited.
- No soliciting or loitering
- No interference with employee or volunteer duties
- No harassment, bullying, or inappropriate or indecent conduct, language, or clothing
- No unauthorized use of alcohol, drugs, intoxicants or weapons
- No parking in unauthorized areas or driving/parking on field areas
- No alteration or installation of equipment (such as basketball hoops, fences or lining)
- No defacing of property (indoors or outdoors)
- No conduct that may jeopardize the safety of others.

## Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed.

We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided to Howard County residents at no additional cost. To ensure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or [spotts@howardcountymd.gov](mailto:spotts@howardcountymd.gov).

## Other Policies

Additionally, the Department reserves the right to

- Cancel a program for any reasonable cause;
- Deny registration or entry into a program when it deems necessary to assure public safety;
- Suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- Photograph programs, participants and volunteers for publicity purposes; and/or
- Adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.

## Public Meetings

For information about Howard County Recreation & Parks Advisory Board meetings, call 410-313-4640. Your comments are welcome at these sessions. Park Board members are Sylvia Ramsey (Chair), Edward Coleman (Vice Chair), A. Raul Delorme (Recording Secretary), Thomas M. Franklin, David Grabowski, Eduardo Marin (Student Member).

## Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department, as well as a listing of jobs within Howard County Government, visit [www.howardcountymd.gov](http://www.howardcountymd.gov).

The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit [www.howardcountymd.gov/rap](http://www.howardcountymd.gov/rap) or call 410-313-4639.

## Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you'd like to share your time and talent, visit [www.hocovolunteer.org](http://www.hocovolunteer.org) to view opportunities and register.

## Sponsorships

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising. Info: [www.howardcountymd.gov/HCRPSponsors](http://www.howardcountymd.gov/HCRPSponsors).

## Junior Counselor Training Corps

• Info: Melissa Byrne, [mbyrne@howardcountymd.gov](mailto:mbyrne@howardcountymd.gov) or [www.howardcountymd.gov/juniorcounselors](http://www.howardcountymd.gov/juniorcounselors).

All new and returning Junior Counselors must attend 2021 training camp before starting weekly field experiences. If COVID-19 health & safety guidelines prevent in-person training, modified virtual training will be offered (in this case, field experiences may not be possible).

### Junior Counselor Training Program

This training is designed to be a high-energy, interactive and hands-on learning experience. New counselors complete a three-day training camp and a minimum two weeks of in-person field experience at a Howard County Recreation & Parks summer camp of their choosing. Returning counselors are required to complete a one-day training and a minimum two weeks of field experience. During in-person training, mentors review the curriculum and use practical learning that prepare counselors to apply what is learned during field experiences. Please note that counselors who participated in modified virtual training during the summer of 2020 are considered new counselors in 2021 when registering for in-person training. Extend your day with optional one-hour before and after care.
