ONLINE REGISTRATION BEGINS FEBRUARY 3, 6 PM

Due to COVID-19, camps will be added as they are confirmed.
Welcome to the 2021 Sports and Outdoor Camp Guide!

As we approach another summer, Howard County Recreation & Parks will continue to offer the award-winning camp experiences families have come to rely on. While COVID-19 remains a local and global concern, each of our 2021 summer camps will follow strict safety guidelines that prioritize daily health checks, small group sizes, physical distancing, and face mask use.

For 2021, we are splitting our camp guide into two guides. In the pages of this guide, you will find outdoor camps, sports camps and select online camps. This includes Adventure & Outdoor, Nature, History & Archaeology and Sports programs. Campers can learn a new skill with Archery Camp (page 4), uncover the past with Archaeology Field School (page 6) or get up close with Robinson Nature Center’s animal ambassadors in the new Animal Heroes Camp (page 7). Young athletes can enjoy new and returning camps dedicated to baseball, golf, tennis, and more. Best of all, parents can choose from full or half day camp options or bring the fun home with exciting take-home kits and online camps.

A second, separate guide dedicated to our indoor camps will be sent to households later this year.

We wish you a happy and healthy summer in Howard County.

Calvin Ball, Howard County Executive
A. Raul Delerme, Department of Recreation & Parks Director

**General Information**

Camp information provided in this Guide is tentative. Consult [www.howardcountymd.gov/rap](http://www.howardcountymd.gov/rap) for the most up-to-date information.

**Registration**

Camp fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 2.

*Waiver: In consideration of my (and/or my child’s) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the Organization and above named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any camp or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

**Participation**

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility. For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many camps will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program.

Children must remain with the program for the full period scheduled. To leave before a day's camp is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the camp director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, please be aware that our staff does not change diapers.

---

**Filled Programs**

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate camp or place your name on a waiting list. There is no fee to be placed on a waiting list.

**Canceled Programs**

We don't like to cancel camps, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a camp is canceled, registrants will be contacted immediately and a full refund credited.

**Financial Assistance**

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your 2020 Federal Tax Transcript and
- Any proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

**Make a Donation**

You can make a tax-deductible contribution to our Scholarship Fund by [www.howardcountymd.gov](http://www.howardcountymd.gov) or call 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

**Refunds**

We recognize that you may wish to withdraw from a camp for a variety of reasons, but we encourage early decisions so as not to inconvenience other participants or affect our ability to efficiently deliver activities.

Customers requesting a refund prior to three weeks before the camp starts will be charged a 20% administrative fee, however if you request the credit to be placed on your Howard County Recreation and Parks account for future use, no administrative fee will be charged.

All refunds requested within three weeks of the camp starting date will be charged at minimum a 20% administrative fee. Additional fees may be assessed to recover costs (e.g. for shirts, supplies, tickets, equipment etc.) associated with the camp. There are no refunds given for missed camp days.

**Inclement Weather & Program Status Information**

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor camps will be canceled.
- When it appears that lighting is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If there is inclement weather or an emergency plan is in effect in Howard County, scheduled camps will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If schools are closed or dismissed early due to inclement weather, camps in schools will not be held.

HOWARD COUNTY

Junior Counselor Training Corps

- Info: Melissa Byrne, mbyrne@howardcountymd.gov or www.howardcountymd.gov/juniorcounselors.

All new and returning Junior Counselors must attend 2021 training camp before starting weekly field experiences. If COVID-19 health & safety guidelines prevent in-person training, modified virtual training will be offered (in this case, field experiences may not be possible).

Junior Counselor Training Program

This in-person training is designed to be a high-energy, interactive, hands-on learning experience. New counselors complete a three-day training camp and a minimum two-weeks of in-person field experience at a Howard County Recreation & Parks summer camp of their choosing. Returning counselors are required to complete a one-day training and a minimum two-weeks of in-person field experience. During in-person training, mentors review the curriculum and use practical learning that prepares counselors to apply what they learned during field experiences. Extend your day with optional one-hour before & after care. Please note that counselors who participated in modified virtual training during the summer of 2020 are considered New Counselors in 2021 when registering for in-person training.
