2021 SPRING SUMMER

activity guide

Online Registration Begins March 3, 6pm
www.HowardCountyMD.gov/rap

INCLUDES FALL COMPETITIVE SPORTS
Welcome to the 2021 Spring/Summer Guide.

We are excited to offer a full range of educational and entertaining programs this spring and summer for Howard County residents and visitors. Open to participants of all ages, we invite you to try our new and returning activities, special events, sports leagues, and more. The health of our registrants is always our priority and we continue to ensure that each program follows Howard County’s COVID-19 safety guidance.

With warm days and evenings approaching, we welcome you to enjoy our outdoor family programs. Stargaze during Alpha Ridge Park’s free Public Star Parties (page 10); save the day with Hero Hustle at the Gary J. Arthur Community Center (page 11); and join Robinson Nature Center for a special (once-every-17-years) Cicada Celebration (page 25). Adults can return to nature through a Ladies Night Hike with friends (page 14), exciting archery lessons and open range sessions (page 20), or pop-up 55+ yoga classes held in Howard County parks (page 71).

For those wanting to get fit and stay active, we offer adult and youth sports leagues and classes, in-person or online specialized fitness classes, and personal trainers at our community centers (page 64). Sign up early, many of these programs fill quickly!

With so many options to choose from, you and your family are sure to find fun and enriching programs to enjoy in Howard County this Spring and Summer.

Calvin Ball, Howard County Executive
Raul Delerme, Department of Recreation & Parks Director

On The Cover: The 2020 Columbia Baseball League’s Summer 5v5 and Fall 7v7 was redesigned to allow children to play baseball in a safe environment during COVID-19.

Playing modified baseball through CBL has been such a boost for our family. While our children normally participate in youth sports for at least three seasons a year, we’ve been very cautious during the pandemic and did not expect there to be a sport we felt comfortable playing.
- JESSICA MAHAJAN, CBL PARENT

We appreciated the lengths the league went to in creating a safe environment for our son to play baseball [last] summer. Because members of our extended family that we see regularly are higher risk, we have to be careful. The CBL program balanced safety precautions with the opportunity for kids to play baseball.
- CHEYENNE AND DOUG EACKER, CBL PARENTS

See page 77 for information on baseball programs and leagues.
We offer online programs for all age levels and topics. Each program is held through Webex or Zoom. To find online-only programs or programs that may move to an online format due to COVID-19 or inclement weather, look for these icons next to program listings.

For a list of up-to-date online programs and free video content, visit www.howardcountymd.gov/athomewithhocorec.

We continue to follow County guidelines in order to decrease the spread of COVID-19. Restrictions may include smaller classes, face coverings, health questionnaires, and more.

Howard County Recreation & Parks offers Recreational Licensed Child Care (RLC) programs for preschool (ELC) through middle school students. Our goal is to provide a safe and structured environment for children to have fun while participating in meaningful group recreational activities.

Before a child can participate, parents must complete all licensing and required paperwork, including a health inventory, which requires a physical. All programs must meet and maintain minimum enrollment requirements to run. Fees are subject to change.

Special accommodations or interpretive services can be provided at no additional cost but are not guaranteed; a request must be made at the time of registration. Because of the presence of children with severe allergic reactions, nuts and nut products are not served or permitted at any RLC programs.

If space is available, a $50 non-refundable registration fee is required to enroll. If a program has already filled, you may place your child’s name on the waiting list at no cost.

All RLC programs have a behavioral policy with standards of conduct enforced through the use of discipline, up to and including suspension and expulsion from the program. The primary concern of the Department must be the safety and well-being of all participants, even though it may cause inconvenience to parents in a particular case. The Department makes every effort to assist children and their parents in modifying a child’s behavior before their actions become a serious enough threat to require suspension. See the Parent Manual for a complete policy statement.

For a list of who to contact and additional program information, visit www.howardcountymd.gov/rap and click on Child Care. For space availability, call 410-313-7275.

RecZone
Join us for an all-day program that keeps your child safely engaged with their peers while in-person learning is currently not in session. Participants have the opportunity to engage in a variety of crafts, activities, games and more when not in virtual school! Program is licensed through the MSDE Office of Childcare; specific documentation required to participate. Participants, with proper technology (laptop, charger cord, headphones) participate in their virtual learning day. We ask all parents to provide a copy of their child's class schedule with the logins listed. Temperature checks and health screening required daily for admission to program.

Early Learning Center
Early Learning Centers provide a safe, nurturing, active and creative learning environment for each child. Throughout the program, children enjoy building the skills needed for kindergarten (social and emotional development, reading and math readiness and fine and gross motor skills). They also participate in hands-on activities, including arts and crafts, science, nature, music, drama, and cooking. There are instructional and self-directed activities throughout the day. All programs are successful participants in the Maryland EXCELS program. Staff is trained in continuing early childhood education classes yearly. Parents provide snack/lunch. Children must be toilet-trained and meet the age requirement by September 1, 2020. If class minimums are not met, a combined class is offered. Due to COVID-19 and the delay in hybrid school beginning, Bushy Park and Triadelphia Ridge locations will be reopening September 2021. Info: RLC office, 410-313-3706.

Elementary School Before & After Care

Before & After Care for Elementary School 2020-2021 Academic Year

This licensed program provides varied recreational activities. The before care offers low-key programming while the after care incorporates a structured energetic format. Activities include crafts, games, sports, special events, and intramural competitions throughout the school year. To promote good health and wellness, we implement heart-healthy activities. Our curriculum is weekly, theme-based and focuses on healthy eating habits and active play to encourage and educate children to make positive life choices. All programs are licensed through the Maryland State Department of Education’s Office of Child Care and are participants in Maryland EXCELS programs. Info: RLC office, 410-313-3706.

Middle School After Care

“Can-TEEN Club” Middle School After-School Program

Our licensed after-school program provides a safe and high-quality environment for teens that enhances leadership skills and develops future leaders. Activities include educational and academic experiences while promoting positive thinking. Each location offers homework time, snack, sporting events and craft projects as part of the daily schedule and encourages healthy eating and exercise essential to everyday living. Participants engage in community service outings and events that include visiting Recreation & Parks’ sponsored after-school programs to mentor 4th and 5th grade students. Special events and outings may require additional fees. All programs are licensed through the Maryland State Department of Education’s Office of Child Care and are participants in the Maryland EXCELS programs. Winterthur Museum, Garden & Library
Almost 60 years ago, collector and horticulturist Henry Francis du Pont (1880–1969) opened his childhood home, Winterthur, to the public. Today, Winterthur is the premier museum of American decorative arts, with an unparalleled collection of nearly 90,000 objects made or used in America between about 1640 and 1860. The collection is displayed in the magnificent 175-room house. Winterthur is set amidst a 1,000-acre preserve of rolling meadows and woodlands. Designed by du Pont, its 60-acre naturalistic garden is among America's best, with magnificent specimen plantings and massed displays of color.

Language

Online Early Elementary Spanish
ISL provides a well-rounded online Spanish program for those children in grades K-2 that are either starting to learn Spanish or would like to continue adding to their knowledge of Spanish. Apart from the language, children learn about the culture and traditions of countries where Spanish is spoken. During this online program, students are introduced to greetings and presentations, the alphabet, numbers, colors, shapes, sizes, animals, and more! Topics rotate each session; therefore, students who register for later sessions learn something different each time. Info: Scott Corning, 410-313-4622 or scorning@howardcountymd.gov.

3D Printing and Design with Idea Lab via Zoom

3D design is a process in which you can add, shape, and put together simple shapes and objects in order to make something big. Jobs such as game designer use 3D design programs to digitally render their objects and characters for use in 3D-generated environments. In addition to creating designs, we print some of them out for you (mailed after class ends)! From trying to replace cracked furniture to creating a new heart for a person, 3D printing is a wonder that can only be seen to be believed. Bricks4Kidz LEGO® After School: Architecture 101

Have you ever gazed up at a skyscraper and wondered how these towering structures stay upright? Or driven across a bridge and marveled at the engineering required to hold the weight of so many vehicles, then you’ll love this unit. We explore the architecture and engineering fundamentals behind some well-known structures such as Dubai’s Burj Khalifa tower and San Francisco’s Golden Gate Bridge. Put your building skills to the test as we transform common LEGO® Bricks into architectural wonders. Science Club After School with Club SciKidz

Spring Theme: Adventures in Science

Journey with us through the branches of biological and physical science! Navigate the ways of the food web, learning about the relationship between predators and prey, and exploring what exactly we can learn from an owl's last meal. Continue with biology as we learn about germs — the good, the bad, and the ugly. Conduct an experiment and discover the power of hand washing, and also find germs' favorite places to live and grow! For physical science, investigate chemical reactions, see how different things interact with one another, and learn the science behind slime! Unleash the Power! – with Club SciKidz

Our world is filled with lots of different sources of energy. Instead of just learning about them, students explore and investigate several different kinds of energy as they build a car! Students make several different “models” of their car, each using a different kind of energy to power it. With each model they build, they learn the basics about that kind of energy and discover the pros and cons of each. Don't miss out on the opportunity to see if you can build a car that unleashes the most power!

The Teen Brain with LERN
One of the most turbulent periods in brain development occurs during adolescence. The teen brain actually functions very differently from the adult brain. Certain kinds of thinking, such as decision-making, actually happen in different parts of the brain for adolescents and adults. Understanding these complex changes can help calm the rough seas of the teen years, but also provide your teen with critical support and understanding that promote better decision-making, better mental health, and better outcomes at school. Come find out the important ways in which the teen brain is developing. Identify behaviors and attitudes that are influenced by these changes. Then learn to offer constructive strategies for establishing a better understanding of and communication with your amazing teen.

Aquatics

- Swimming lessons emphasize skills needed to be safe in an aquatic environment. All our instructors have been trained at our facility and are knowledgeable about the programs we teach.
- Be sure to register your child for the appropriate level. If space allows, a participant may be moved to a lower or more advanced level at the discretion of the swim lesson coordinator.
- For multiple sessions, register your child in the same course for a minimum of two sessions. Children often require more than one session to master the skills needed to proceed to the next level.
- Parents and guardians are not permitted to assist child during the lesson, except for the parent-child or Therapeutic Recreation classes. Accompanying adult for children under 16 must remain at the facility.
- Swimming diapers and/or rubber shorts must be worn.

Group Lessons (0-18 yrs)

Baby Water Play: Parent/Child
Parents learn how to work safely with their children in the water, including how to appropriately support and hold them. The focus of the class is for children to develop water comfort. With an adult, children explore safe water practices including submerging, buoyancy, gliding and changing body position in the water through play. Swimming diapers must be worn in addition to swimwear. Registration/Info: 410-313-2764.

Aikido with Ki by Russ Dauber
Martial Arts (Aikido) and Ki training (Japanese yoga), as taught by Japan's Shin Shin Toitsu Aikidokai, promotes dynamic movement with unified mind and body. This class is for Beginners to advanced. The Ki part is low-impact. The Aikido self defense part involves rolling on mats and sometimes practice with wooden staff and sword. Effective self-defense techniques flow with and lead attackers' movements. We develop the benefits of calmness and extending ki.

YVL Summer Session
Join us for an exciting summer league! This league is designed for players who just want to play; instruction is limited and basic volleyball skills are recommended. Players are placed on teams formed by the League Coordinator. The first two weeks are one-hour practices. The final five weeks include 20 minutes of practice followed by a 1 hour officiated match. All practices and matches will be held on Mondays at the Meadowbrook Athletic Complex. Fee includes a team jersey. Children of volunteer head coaches receive a discount; register in sections .402 or .412. Special requests are not accepted. Registration deadline is 7/5. Info: Carson Nickell, 410-313-4720 or cjnickell@howardcountymd.gov.

Crafts & Fine Arts

Music with Maddie
Adults with developmental disabilities enjoy music, singing and opportunities to use both sides of the brain in this program. This multi-sensory activity incorporates the visual, kinesthetic, auditory and tactile systems. Music with Maddie is also for those individuals that are non-verbal or struggle with language. Everyone can benefit from music and it does not require a participant to have any musical skills or experience. Goals: enhance speech and communication, fine and gross motor skills, social skills, social emotional coping and self esteem.

**General Information**

Program information provided in this Guide is tentative. Consult www.howardcountymd.gov/rap for the most up-to-date information.

**Registration**

Program fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our “How to Register” section on page 5.

*Waiver: In consideration of my (and/or my child’s) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the Organization and above named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any program or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

**Participation**

Only individuals who are registered may participate. Where age or grade restrictions apply, “age” usually refers to the age of the participant at the start of the program and “grade” to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility. For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current. A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program. Children must remain with the program for the full period scheduled. To leave before a day’s program is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the program director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, please be aware that our staff does not change diapers.

**Filled Programs**

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

**Canceled Programs**

We don’t like to cancel programs, but each one must meet its minimum enrollment. Don’t be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants will be contacted immediately and a full refund credited.

**Financial Assistance**

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your 2020 Federal Tax Transcript and
- Any proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

**Make a Donation**

You can make a tax-deductible contribution to our Scholarship Fund by www.howardcountymd.gov or call 410-313-4683. You may also donate online through our online registration site (click on “donation” button).

**Refunds**

We recognize that you may wish to withdraw from a program for a variety of reasons, but we encourage early decisions so as not to inconvenience other participants or affect our ability to efficiently deliver activities. Customers requesting a refund prior to three weeks before the program starts will be charged a 20% administrative fee, however if you request the credit to be placed on your Howard County Recreation and Parks account for future use, no administrative fee will be charged.

All refunds requested within three weeks of the program starting date will be charged at minimum a 20% administrative fee. Additional fees may be assessed to recover costs (e.g. for shirts, supplies, tickets, equipment etc.) associated with the program. There are no refunds given for missed program days.

**Inclement Weather & Program Status Information**

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor programs will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If there is inclement weather or an emergency plan is in effect in Howard County, scheduled programs will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.

For most up-to-date info, visit www.howardcountymd.gov/rap.
Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations. Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed.

We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided to Howard County residents at no additional cost. To ensure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or spotts@howardcountymd.gov.

Other Policies

Additionally, the Department reserves the right to:

- Cancel a program for any reasonable cause;
- Deny registration or entry into a program when it deems necessary to assure public safety;
- Suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- Photograph programs, participants and volunteers for publicity purposes; and/or

Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department, as well as a listing of jobs within Howard County Government, visit www.howardcountymd.gov and click on the “I want to” tab.

The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit www.howardcountymd.gov/rap and click on “Forms and Publications” or call 410-313-4639.

Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you’d like to share your time and talent, visit www.hocovolunteer.org to view opportunities and register.

Sponsorships

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising. Info: www.howardcountymd.gov/HCRPSponsors or Anna Hunter, 410-313-4686 or ahunter@howardcountymd.gov.
