Stay Active and Create Wonderful Memories with Recreation and Parks

This winter, we invite you to stay energized and engaged with a variety of classes, one-day events, leagues, and sports programs. Whether you're keeping traditions alive or trying something new, this guide includes festive fun for all ages and abilities!

Beloved annual events like Holiday Mart, Climbing with Santa, and our third annual National Girls & Women in Sports Day (pages 5-7) continue to bring our community together. Parents and grandparents, come share the magic of the season with little ones at the Mitten Winter Tea (page 5) designed for children as young as four. This charming event at the Robinson Nature Center includes tea, treats, a story, and a crisp winter walk—perfect for creating lasting memories. Updates continue in our parks and buildings. This fall, we opened six lighted pickleball courts and a new playground at Rockburn Branch Park. In 2026, more courts, playground renovations, and the North Laurel Community Center's expansion (with two pools) will open!

2026 is a historical year as it marks the 250th anniversary of the United States. And while the signing of the Declaration of Independence was on July 4, 1776, the country, state, and county are having special events throughout the year. In this guide, read about two special presentations (pages 6-7) being held as part of the "HoCo250."

To all, we wish you a joyful, healthy, and active winter season as you get up, get out, and active with Recreation & Parks!

Sincerely,

Calvin Ball, Howard County Executive

Nick Mooneyhan, Director of Recreation & Parks

County Executive Calvin Ball

Director Nick Mooneyhan

Toby's Dinner Theater – "Elf: The Musical"

"The best way to spread Christmas cheer is singing loud for all to hear," said Buddy, a young orphan who mistakenly crawls into Santa's bag of gifts, and is transported to the North Pole. Unaware that he is actually human, Buddy's size and poor toy-making abilities force him to face the truth. With Santa's permission, Buddy embarks on a journey to New York City to find his birth father, discover his true identity, and help New Yorkers remember the true meaning of Christmas. This modern-day holiday classic is sure to make everyone embrace their inner elf. A delicious dinner buffet is included!

CHILD CARE

Howard County Recreation & Parks offers Recreational Licensed Child Care (RLC) programs for preschool (ELC) and elementary-aged children. Our goal is to provide a safe, nurturing and structured environment for children to have fun while participating in meaningful group recreational activities.

Before a child can participate, parents must complete all licensing and required paperwork, including a health inventory, which requires a physical. All programs must meet and maintain minimum enrollment requirements to run. Fees are subject to change. Children must attend the same school as the child care program they are registered for.

Special accommodations or interpretive services can be provided at no additional cost but are not guaranteed; a request must be made at the time of registration.

Because of the presence of children with severe allergic reactions, nuts and nut products are not served or permitted at any RLC programs.

If space is available, a \$75 non-refundable registration fee is required to enroll. If a program has already filled, you may place your child's name on the waiting list at no cost.

All ELC and RLC programs have a behavioral and elopement policy that contain expectations, with standards of conduct enforced through the use of a redirection and discipline policy. Repetitive behavior can lead to safety breaks (suspension) and expulsion from the program. The primary concern of the Department must be the safety and well-being of all participants and staff. The Department makes every effort to assist children and their parents in addressing and modifying a child's behavior before their actions become a serious enough threat to require suspension. See the Parent Manual online for a complete behavior and elopement policy statement.

For a list of who to contact and additional program information, visit www.HowardCountyMD.gov/rap and click on Child Care. For space availability, call 410.313-7275.

Early Learning Center

Our Early Learning Center provides a safe, active, nurturing and creative learning environment for each child. Throughout the program, children enjoy building the skills needed for kindergarten (social and emotional development, reading and math readiness, and fine and gross motor skills). They also participate in hands-on activities, including arts and crafts, science, nature, music, drama, and cooking. There are instructional and self-directed activities throughout the day. Staff are successful participants in the Maryland EXCELS program and trained yearly in continuing early-childhood education classes. Parents provide a nut-free lunch. Children must be toilet-trained and meet the age requirement by September 1, 2025. Info: RLC Office, 410-313-3706.

Elementary School Before & After Care

Before & After Care for Elementary School 2025-2026 Academic Year

This licensed program provides varied recreational activities. The before care offers low-key programming while the after care incorporates a structured, energetic format. Activities include crafts, games, sports, special events, and intramural competitions throughout the school year. To promote good health and wellness, we plan and offer recreational activities that promote physical movement, which contribute to a healthy lifestyle. Monthly plans are theme-based which include active play to inspire and educate children to make positive life choices. All programs are licensed through the Maryland State Department of Education's Office of Child Care and are participants in Maryland EXCELS programs. Info: RLC office, 410-313-3706.

Pre-K Music ABCs with Keyboarding at Olenka School of Music (Parent/Child)

Music is a powerful vitamin for your child's brain. This unique, progressive curriculum is designed for preschoolers to explore the Universal Language of Music with their parent or caregiver. Everyone is engaged in learning to read and write music through fun games. Activities include singing, dancing, rhythm movement, and multi-rhythmic exercises to spark your child's curiosity and imagination. Pre-K Music ABCs is a proprietary program, only offered at OSM. Family Showtime performance is held at the end of each session.

Save \$20: participants who register for both sessions are entitled to \$245 price for session 2 (call 410-313-7275 to register at the reduced rate). Info: Adam Wienckowski, awienckowski@howardcountymd.gov or 410-313-4714.

with Club SciKidz: How to Feed Your Dragon

Training a dragon is hard work! And both trainer and dragon work up an appetite! Use our favorite characters from the movies as the inspiration for what we make, bake, and create! Join Hiccup in his quest to become a Viking and decorate cupcakes. Make a tasty dessert that looks like Toothless and Light Fury. Feature dragon eggs in two recipes! Design your own candy dragon eggs, which you use to decorate a cupcake. Then try your hand at making savory Deviled Dragon Eggs! Make a flying dragon and have a competition to test its skills! School's Out Science with Club SciKidz:

Penny For Your Thoughts

A penny by itself may not be worth very much, but the science a penny can do is priceless! Historically, pennies were made of mostly copper – and that is the day's theme. Use pennies for our experiments and also look at some of the properties of copper. While a handful of pennies may not be worth much, they can be a bit heavy, so let's use pennies to test the weight of the bucket towers we make. Then use pennies to help make some amazing balancing robots. Before the day is over, learn about a famous landmark that is made of copper and use what we discovered in our experiments to tell us more about the landmark. (We make a themed craft to take home too!) Info: Carson Nickell, cjnickell@howardcountymd.gov or 410-313-4721.

NEW! School's Out Cooking with Club SciKidz: Wicked in the Kitchen of Oz

Today, our kitchen is in the emerald city of Oz; and everything is inspired by Elphaba and Glinda. Since Wicked starts with the ending of the Wizard of Oz, start by baking and decorating Melted Wicked Witch Cookies. The sweet treats continue as each leading lady has her own dessert: Glinda's Berry Cream Trifle, and Elphaba's Wicked Mini Cheesecakes. Pay tribute to Glinda's favorite mode of transportation – the bubble – and do a little bubble science! Show your loyalty for either Team Pink or Team Green as you do a painting craft! While this program may not defy gravity, it is definitely popular! Info: Adam Wienckowski, awienckowski@howardcountymd.gov or 410-313-4714.

NEW! Silver Knights Club and Team

We're taking chess club to the next level! You now have the option to do club or this club plus team. During Chess Club, time is divided between lessons and practice games. Lessons range from the basic rules to advanced strategies. During the second "team hour," there's a focus on preparing for tournaments, solving puzzles, and playing tournament-style games. All chess supplies are provided. Receive a ChessKid Gold Membership with the program. The after-school sections meet one day a week for two hours, and the before-school section meets two days a week for one hour.

Build Your Engine Strength Training with Christy Edwards, ACE, Personal Trainer

Time to get back in shape! Build the engine (muscles) that burns the fuel (the food you eat). In your 30s, your metabolism begins to slow down as you naturally start to lose lean muscle mass. The rate of loss accelerates as you age, but you can rebuild muscle with strength training. Change your body composition, help stabilize your joints, improve flexibility, feel stronger, and feel great! No strength training experience necessary. Beginners are welcome. Bring a mat, hand weights, and water. If you are unable to attend the first three classes, please contact the program supervisor. Late registration after the first three classes permitted with instructor permission.

Beginner/Intermediate

Stained Glass Workshops **flickr**

Make a 6-8-piece stained-glass window hanging using the copper foil technique. **Beginners:** Particular emphasis is placed on learning the challenging skills needed to score and break glass, foil, and solder the pieces into a window hanging. This workshop focuses on straight-line cuts and work from patterns such as snowflakes, stars and Mondrian squares.

Intermediate: Learn to cut curves in this intermediate workshop. Emphasis is on techniques to score, break, and foil more complex shapes. Patterns contain curved lines (flowers, birds and seasonal designs). Improve cutting and foiling skills with more challenging designs. It is recommended to take both the beginner and intermediate workshops.

Archaeology

The Patapsco Female Institute and 19th Century Values Found Therein

Built in 1837, the building of the Greek-revival structure in Ellicott Mills was a symbol of the Democratic-Republican values of early 19th century America. This presentation explores the arrival of the well-known educator Almira Hart Lincoln Phelps in 1841 and the institute's population growth. Mrs. Phelps, a prolific author, instituted a diverse curriculum not associated with most female schools. Letters, school catalogs and Mrs. Phelps's writings illustrate how the school reflected 19th century values, and its effects on women's education before, during, and after the Civil War.

Iconic Artifacts and Remains from Our Past: Part 2

In their quest to reconstruct the past, archaeologists and human paleontologists have excavated thousands of sites and recovered signature artifacts and remains critical to our understanding of human history. This presentation includes examples of local diagnostic artifacts/remains and primary source documents, and those from sites throughout the world. All have been instrumental in our understanding of our past; and, in many cases, rewriting it.

AQUATICS: GROUP SWIM CLASSES

- Don't know where to start? Center offers free skill evaluations on Monday evenings (7-8pm) on a first-come, first-served basis.
- Students may NOT enter the water until swim instructor starts lesson. All must promptly exit the pool after their lesson concludes.
- Classes are held at Roger Carter Community Center. For make-ups, refunds, and general questions: www.HowardCountyMD.gov/RCCC.

Parent/Child (1 parent to 1 child ratio) - Lessons: 8

Baby Water Play (1-2 yrs) RP4007	<u>Prerequisite: None</u> Swimming diapers must be worn in addition to swimwear	Parents learn how to work safely with their child in the water, including how to appropriately support and hold them. The focus of the class is for children to develop water comfort. With an adult, children explore safe water practices including submerging, buoyancy, gliding and changing body position in the water through play.
Aqua Tots (3-4 yrs) RP4008	<u>Prerequisite: None</u> Swimming diapers must be worn in addition to swimwear for non-potty-trained children.	Parents support their children as they become more independent and familiar with the aquatic environment. Children are introduced to basic water skills such as safe water entry and exits, conditioning, cueing, breath control, buoyancy, and floating. Kicking and basic arm motions are also practiced. Once the child has developed proper breath control, submerging and assisted floats are practiced.

Preschool Swimming (4-5 yrs) - Lessons: 8

Level 1 RP4009	<u>Prerequisite: None</u> Students must be able to function well in a group setting without parents.	Children become familiar with the aquatic environment and learn basic water skills such as water entry and exit, blowing bubbles, breath control and submerging underwater. With support, they begin to float, glide and swim on their front and back. This class creates the foundation for safe water practices.
Level 2 RP4010	<u>Prerequisite: Preschool Swimming Level 1 or...</u> 1. Perform all skills comfortably in the water with assistance. 2. Blow bubbles through nose and mouth for 3-5 seconds. 3. Bob under water, fully submerged, for 3-5 seconds.	Children who are comfortable submerging underwater become more independent through more advanced fundamentals of breath control, buoyancy, gliding on the front and back, treading in deeper water and swimming on the front and back with assistance as needed.
Level 3 RP4011	<u>Prerequisite: Preschool Swimming Level 2 or...</u> 1. Front and back float without assistance for 5-10 seconds. 2. Front and back glide without assistance for 8 feet. 3. Comfortable using swim, float, swim sequence in deep water (5 ft) with assistance.	Children who are comfortable submerging, floating, and gliding independently practice independent water entry and exit, breath control, buoyancy, treading in deeper water and swimming on the front and back at a more proficient level. Emphasis is on improved coordination of simultaneous and alternating arm and leg action on their front and back.

Aqua Kids (6-10 yrs) - Lessons: 8

Level 1 RP4012	<u>Prerequisite: None</u> Students must be able to function well in a group setting without parents.	In this introduction to swimming, learn basic water safety and skills. Skills include safe entry and exit, breath control, submerging underwater, floating, gliding, and introduction to swimming on the front and back.
Level 2 RP4013	<u>Prerequisite: Aqua Kids Level 1 or...</u> 1. Front and back float without assistance for 5-10 seconds. 2. Front and back glide without assistance for 8 feet. 3. Bob underwater and remain submerged for 3-5 seconds AND blow bubbles through mouth and nose. 4. Comfortable swimming in 5ft of water with assistance.	Build on the fundamental skills of entry and exit, breath control, and buoyancy. Emphasis on combined alternating arm and leg action on the front and back at a more proficient level. Learn how to swim unassisted for longer lengths and independently tread in deeper water.
Level 3 RP4014	<u>Prerequisite: Aqua Kids Level 2 or...</u> 1. Front and back glide unassisted for distance of 10 feet. 2. Freestyle and backstroke unassisted for 20 feet. 3. Comfortable swimming in deep water (10 feet). 4. Tread water for 15 seconds.	Improve your freestyle and backstroke skills with proper form and rotary breathing. Begin to learn breaststroke kick, head-first entries and basic diving techniques. Participants must be comfortable in 10 feet of water; class is taught in deep water.

Our goal is to place your team in a division of similar skills. If there are not enough teams per skill level, then the League Commissioner combines levels within the division. There are three skill levels offered: Recreation D3, Intermediate D2, Competitive D1.

Recreation division (D3) is for teams who have played before or have minimal experience. This level is geared toward teams who want to have friendly competition. Teams have a good understanding of the rules and have the basic skills down. Teams at this level don't take the game too seriously and just want to get a workout in, improve their skills, and socialize.

Intermediate division (D2) is for teams who have been playing basketball for a while and are looking for competitive games. Teams playing at this level demonstrate a high level of skills in the game and may have previously played JV/Varsity or in the recreation level and are ready to level up. Strong effort and winning is significant to the team.

Competitive division (D1) is for teams looking for a seriously competitive game. This level is only meant for teams who have experience playing basketball and are looking for the highest level of play. Teams playing at this level likely played at the high school or college level, or consistently play well and are ready to level up from another division. Maximum effort and winning is imperative to the team.

Cornhole baseball is a dynamic twist on two beloved American pastimes, baseball and cornhole. This game is designed to bring the active-aging community together through friendly competition and skill-based play. Game concept: Players toss beanbags at a custom cornhole board featuring four distinct holes labeled first base, second base, third base, and home plate. Successful tosses allow players to "advance" runners just like in traditional baseball. Skills include hand-eye coordination, aiming precision, teamwork and strategic thinking, sportsmanship, and friendly rivalry.

Small Group Indoor Tennis Lessons

Small group lessons for QuickStart Tennis Players. Drills, instruction and QuickStart tennis techniques designed by the U.S. Tennis Association are used for beginning players to learn tennis fundamentals, balance and coordination skills. This is an exciting new play format for learning tennis, designed to bring kids into the game by using specialized equipment, shorter court dimensions, and simplified scoring, all tailored to match youth age and size. Bring a junior-size racket (21" to 25").

General Information

Program information provided in this Guide is tentative. Consult www.HowardCountyMD.gov/rap for the most up-to-date information.

Registration

Program fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 2.

Waiver you need to sign when participating in our programs:

In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the organization and above-named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any program or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility. For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program. Children must remain with the program for the full period scheduled. To leave before a day's program is complete, a child must have written parental consent, or the parent/legal guardian must pick the child up after notifying the program director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, please be aware that our staff does not change diapers.

Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

Canceled Programs

We don't like to cancel programs, but each one must meet its minimum enrollment. Don't be disappointed, register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants will be contacted immediately and a full refund to original form of payment.

Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your current Federal Tax Transcript and
- Any proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

Make a Donation

You can make a tax-deductible contribution to our Financial Assistance Program by calling 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

Refunds

We recognize that you may wish to withdraw from a program for a variety of reasons, but we encourage early decisions so as not to inconvenience other participants or affect our ability to efficiently deliver activities. Customers requesting a refund prior to two weeks before the program starts will be charged a 20% administrative fee, however if you request the credit to be placed on your Howard County Recreation and Parks account for future use, no administrative fee will be charged.

All refunds requested within two weeks of the program starting date will be charged at minimum a 20% administrative fee. Additional fees may be assessed to recover costs (e.g. for shirts, supplies, tickets, equipment etc.) associated with the program. There are no refunds given for missed program days. Trip refunds may reflect prepaid admissions; but the option to transfer your ticket may be considered. Competitive sport program timeframe for refunds reflects planning time and team selections, check refund details on website.

Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department, as well as a listing of jobs within Howard County Government, visit www.HowardCountyMD.gov/careers-jobs

The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit www.HowardCountyMD.gov/rap and click on "Forms and Publications" or call 410-313-4639.

Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor programs will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If there is inclement weather or an emergency plan is in effect in Howard County, scheduled programs will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.

Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

Rules of Conduct

The following rules must be observed while participating in Recreation and Parks programs. Specific rules may be added for individual programs and needs.

- All tobacco products are prohibited in buildings, school property or County parks
- No food or beverages in unauthorized areas; glass containers are prohibited.
- No soliciting or loitering
- No interference with employee or volunteer duties
- No harassment, bullying, or inappropriate or indecent conduct, language, or clothing
- No unauthorized use of alcohol, drugs, intoxicants or weapons
- No parking in unauthorized areas or driving/parking on field areas
- No alteration or installation of equipment (such as basketball hoops, fences or lining)
- No defacing of property (indoors or outdoors)
- No conduct that may jeopardize the safety of others.

Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed.

We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided to Howard County residents at no additional cost. To ensure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or spotts@howardcountymd.gov.

Other Policies

Additionally, the Department reserves the right to

- Cancel a program for any reasonable cause;
- Deny registration or entry into a program when it deems necessary to assure public safety;
- Suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- Photograph programs, participants and volunteers for publicity purposes; and/or
- Adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.

Public Meetings

For information about Howard County Recreation & Parks Advisory Board meetings, call 410-313-4640. Your comments are welcome at these sessions. Park Board members are Mary Catherine Cochran (Chair), Herman Charity (Vice Chair), Antonia Watts (Board of Education), Mason Godsey (Planning Board), Marian Vessels, Shaun Lehmann, Shreya Dinesh (Student Member), and Nick Mooneyhan (Executive Secretary).

Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you'd like to share your time and talent, visit www.HoCoVolunteer.org to view opportunities and register.

Sponsorships

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising. Info: www.HowardCountyMD.gov/HCRPSponsors or Anna Hunter, 410-313-4686 or ahunter@howardcountymd.gov.
