James & Anne Robinson Nature Center

Celebrating 10 YEARS!

2022 WINTER

activity guide

INCLUDES SPRING COMPETITIVE SPORTS

Online Registration Begins December 1, 6 PM

From left to right: Director A. Raul Delerme, Director of Robinson Nature Center Katie Peet and County Executive Calvin Ball

Welcome to the 2022 Winter Guide.

With the holiday season upon us and a brand-new year around the corner, there's never been a better time to register for Howard County Recreation & Parks' award-winning programs.

In this guide, you'll find exciting new special events like Robinson Nature Center's 5 Elements Festival and Maple Sugaring & Syrup Tasting Event (page 12), alongside returning favorites like our Public Star Parties at Alpha Ridge Park (page 14) and Family Dances hosted by your local community centers (page 13).

We're offering various fun, enriching activities for your child this winter and spring break, including our lineup of School's Out programs (page 42).

If you're already thinking about your New Year's resolutions, consider our adult programs and classes, such as Chef Ravi and Chef Alba's popular cooking classes (page 50) or Afrobeat Contemporary African Dance with Performing Arts Center for African Cultures (page 52). Our adult programs are a great way to try something new and make great gifts for family or friends.

As always, we continue to offer adult and youth sports leagues, in-person or online specialized fitness classes, and other health and wellness programs you're sure to love. Be sure to sign up early, many of these programs fill quickly!

With so many options to choose from, you and your family are sure to find fun and enriching programs to enjoy in Howard County this winter.

Calvin Ball, Howard County Executive

at the Robinson Nature Center

Celebrating over ten years in operation, the Robinson Nature Center is a unique LEED Platinum-certified nature education center operated by Howard County Recreation & Parks. It leads award-winning programs and features interactive exhibits, a children's discovery room, a newly renovated digital planetarium, the NaturePlace outdoor play area and more.

Since opening its doors in 2011, Robinson has achieved Maryland Green Center status, been named an Autism-Friendly Business by the Howard County Autism Society and won a Maryland Recreation & Parks Association (MRPA) Landscape site award for its outdoor NaturePlace. The Center has been recognized with the International Best Programming Award from the Learning Resources Network (LERN) for a sensory-friendly camp in collaboration with Recreation & Parks' Therapeutic Recreation program and a National Association of Counties (NACo) Achievement Award for "Take Nature Home" programs created to serve families during the pandemic.

Each year, Robinson offers over 250 public programs along with family memberships, birthday parties, rentals, a nature gift shop, and one-of-a-kind special events.

Information: 410-313-0400 (Wednesdays-Sundays, closed Mondays & Tuesdays).

CHILD CARE

Howard County Recreation & Parks offers Recreational Licensed Child Care (RLC) programs for preschool (ELC) and elementary-aged children. Our goal is to provide a safe, nurturing and structured environment for children to have fun while participating in meaningful group recreational activities.

Before a child can participate, parents must complete all licensing and required paperwork, including a health inventory, which requires a physical. All programs must meet and maintain minimum enrollment requirements to run. Fees are subject to change.

Special accommodations or interpretive services can be provided at no additional cost but are not guaranteed; a request must be made at the time of registration. Because of the presence of children with severe allergic reactions, nuts and nut products are not served or permitted at any RLC programs.

If space is available, a $50 non-refundable registration fee is required to enroll. If a program has already filled, you may place your child's name on the waiting list at no cost.

All RLC programs have a behavioral policy with standards of conduct enforced through the use of discipline, up to and including suspension and expulsion from the program. The primary concern of the Department must be the safety and well-being of all participants, even though it may cause inconvenience to parents in a particular case. The Department makes every effort to assist children and their parents in modifying a child's behavior before their actions become a serious enough threat to require suspension. See the Parent Manual for a complete policy statement.

For a list of who to contact and additional program information, visit www.howardcountymd.gov/rap and click on Child Care. For space availability, call 410-313-7275.

Early Learning Center

Our Early Learning Center provides a safe, active, nurturing and creative learning environment for each child. Throughout the program, children enjoy building the skills needed for kindergarten (social and emotional development, reading and math readiness and fine and gross motor skills). They also participate in hands-on activities, including arts and crafts, science, nature, music, drama, and cooking. There are instructional and self-directed activities throughout the day. Staff are successful participants in the Maryland EXCELS program and trained in continuing early childhood education classes yearly. Parents provide a nut-free lunch. Children must be toilet-trained and meet the age requirement by September 1, 2021. Info: RLC Office, 410-313-3706.

Elementary School Before & After Care

Before & After Care for Elementary School 2021-2022 Academic Year

This licensed program provides varied recreational activities. The before care offers low-key programming while the after care incorporates a structured energetic format. Activities include crafts, games, sports, special events, and intramural competitions throughout the school year. Our curriculum is weekly, theme-based and focuses on healthy eating habits and active play to encourage and educate children to make positive life choices. All programs are licensed through the Maryland State Department of Education's Office of Child Care and are participants in the Maryland EXCELS programs. Info: RLC office, 410-313-3706.

~~*Riverdance: The 25th Anniversary Show* at the Kennedy Center~~

~~A celebration of Ireland's cultural heritage, history and mythology, Riverdance revolves around the intricate footwork of traditional Irish dance set to the haunting melodies and rousing rhythms of the nation's musical identity. Created and choreographed by Michael Flatley, the Lord of The Dance himself, this prestigious show heads into its 25th year! Initially featuring Irish dancing champions Flatley and Jean Butler as its principle dancers, the show is now a training ground for Ireland's top dancers as well as the rising stars of Flamenco, Russian and Tap Dancing. Audience members who have been before will be amazed that something so different can also be so familiar as they discover all new lighting, projection and scenery along with a re-recording of the iconic music! Minimal walking required. Proof of vaccination required at The Kennedy Center.~~

Chess Wizards Before & After School

Want to learn chess in a fun, engaging and interactive way? Curriculum is designed by teachers and comedians to impart many benefits – critical thinking, sportsmanship and learning from our mistakes in a challenging and exciting way. In addition to lessons and traditional gameplay, variations of chess games are incorporated to build teamwork and improve logic, planning, discipline, judgment and self-control. All skill levels welcome and are grouped accordingly for lessons and game-play.

Cooking After School with Club SciKidz – Reading in the Kitchen: Eric Carle

In this new series, all of our recipes and activities are based on well-loved children's literature. Everyone knows that the world of Eric Carle is colorful, but did you know that it can be delicious too? We bring *The Very Hungry Caterpillar* to life through a tasty dessert and use *The Mixed-Up Chameleon* as the recipe for some mixed-up (yet delicious) trail mix! We even make something for breakfast after reading *Pancakes, Pancakes!* Join us as we revisit timeless classics in a delicious new way!

Online Early Elementary Spanish

ISL (International School of Languages) provides a well-rounded online Spanish program for those children in grades K-2 & 3-5 that are either starting to learn Spanish or would like to continue adding to their knowledge of Spanish. Apart from the language, children learn about the culture and traditions of countries where Spanish is spoken. Students are introduced to greetings and presentations, the alphabet, the family, the school, numbers, colors, shapes, sizes, animals, parts of the body and senses, professions, places in the city and many more! Topics rotate each session; therefore, those who register for later sessions learn something different each time. Each student receives emails containing pdf files to print at home and use during class!

NEW! School's Out Next Level Gaming Truck

School is out, head to Maryland's most advanced video game truck as it roves around the county! Combine your love of video games with friendship and fun, as you play against your peers in this supervised gaming environment (play and chat only with others at the game truck – No outside opponents or chats!). Players 7-10 years play age-appropriate multiplayer games, such as Rocket League, FIFA, NBA2K, and a variety of games on Nintendo Switch (R) such as Super Smash Bros or Mario Kart. Players 11-14 years enjoy battle royale-style games such as Fortnite, Overwatch, and, Super Smash Bros, in addition to the most popular sports games (FIFA, NBA2K, Madden, Rocket League).

Back to the Future STEM Challenges with Club SciKidz

Head way back in time as you compete in time travel-themed STEM challenges. Our time machine is making stops in several different places. Use all of your engineering and problem-solving skills to solve the problem of the ancients. Travel to ancient India to design and build an efficient irrigation system, then head to the Great Wall of China to design a zip-line that can travel between two guard towers. Next, we head to Egypt to create the fastest chariot. Each of these challenges teach students a little bit about ancient history and allow them to take their STEM knowledge and problem solving to a new level!

Adventures in Science: Journey with us through the branches of biological and physical science! We navigate the ways of the food web, learning about the relationship between predators and prey and exploring what exactly we can learn from an owl's last meal. We continue with biology as we learn about germs: the good, the bad, and the ugly. Conduct an experiment and discover the power of hand washing, then find where germs like to live and grow! In the branch of physical science, we investigate chemical reactions, see how different things interact with one another, and learn the science behind slime!

Future Planning

Retirement Healthcare is Not a Six-Figure Word

Health care costs get a lot of attention – and rightly so. Much of that conversation is around the numbers that often make health care feel like a six-figure word – something no one wants to talk about out loud. What you may be hearing about health care doesn't give you the complete picture. Once you understand what really happens with health care costs in retirement, you'll see that it is something that can be addressed as part of overall retirement planning – and it isn't a six-figure word. Join us for this interactive presentation with Stuart Ritter, CFP®, Senior Financial Planner at T. Rowe Price through This Point Forward.

Build Your Engine Strength Training with Christy Edwards, ACE, Personal Trainer

Time to get back in shape! Build the engine (muscles) that burns the fuel (the food you eat). Starting in our 30s, our metabolism begins to slow down as we naturally start to lose lean muscle mass. The rate of loss accelerates as we age, but we can rebuild muscle with strength training! Change your body composition, help stabilize your joints, improve flexibility, feel stronger, and feel great! In this class, you challenge, strengthen and stretch every muscle group in your body to achieve balance, energy, confidence, better mobility, and an increased metabolism. No strength training experience necessary, beginners welcome and encouraged! It's never too late to get stronger. Bring a mat, hand weights, and water.

Emerge with Pamela Schuckman

Are you an Active Aging participant looking to return to a fitness program after illness, injury or quarantine? Or maybe you've always wanted to start a fitness program, but traditional gyms make you feel a little shy? "Emerge" is the class to help you take the first steps toward realizing your fitness goals while having fun and building confidence. We focus on core strength, balance, and flexibility while teaching participants proper body mechanics and ways to modify or progress exercises. Class is tailored to individual needs. This class has two goals; to help each participant get back to fitness, and to have fun while doing it.

Coaches' and Administrator's Registry
All children's sports coaches and administrators (volunteer or paid) are members of the Coaches' and Administrator's Registry. Membership requirements include:
- Annual National Criminal Background Screening
- American Sport Education Program certification
- Concussion and Cardiac Arrest awareness training
- Membership badge with photo and membership expiration date to be displayed by coach on field/court

League Refund Policy
Unless otherwise directed in the community sport program description, a 20% administrative fee is deducted for all refund requests more than four (4) weeks prior to league starting; a 50% refund if withdrawal requested more than two (2) weeks prior to league starting; no refunds are given less than two (2) weeks prior to the start of the league. Registration is accepted on a first-come, first-served basis up to the registration deadline listed in each league description. Additional teams may be accepted at the league commissioner's discretion. Special requests for youth leagues should be made at the time of registration, are not guaranteed, and are at the discretion of the department.

Aquatics

- Swimming lessons emphasize skills needed to be safe in an aquatic environment. All our instructors have been trained at our facility and are knowledgeable about the programs we teach.
- Be sure to register your child for the appropriate level. If space allows, a participant may be moved to a lower or more advanced level at the discretion of the swim lesson coordinator.
- For multiple sessions, register your child in the same course for a minimum of two sessions. Children often require more than one session to master the skills needed to proceed to the next level.
- Parents and guardians are not permitted to assist child during the lesson, except for the parent-child or Therapeutic Recreation classes. Accompanying adult for children under 16 must remain at the facility.
- Swimming diapers and/or rubber shorts must be worn.
- Read Concussion & Sudden Cardiac Arrest info. Your family's review of this info is required by law before you're allowed to register for sports/swim programs.
- Programs subject to change, check online guide or ActiveNet for updates.
- Registration/Info: 410-313-2764.

Ki-Aikido by Russ Dauber

Martial art and Japanese yoga (Ki) training, as taught by Japan's Shin Shin Toitsu. Aikido kai promotes dynamic movement with unified mind and body. The Ki part is low impact. The Aikido part involves practice with partners and rolling on mats. Effective self-defense techniques flow with and lead attackers' movements. We develop the skills of keeping one point and extending ki. We emphasize safety, knowledge and enjoyment.

Field Trips & Robinson on the Road Outreach Programs
We offer year-round virtual and in-person field trip programming for all ages as well as outreach programming. Programs may be booked Wednesday-Sunday during our hours of operation. Please visit www.howardcountymd.gov/RobinsonNatureCenter under "For Instructors" for details on booking programs.

Rentals
Robinson has two classroom spaces, an auditorium, an outdoor patio space and the NatureSphere planetarium for birthday parties, meetings and special events. Wedding packages are available. Applicants must be at least 21.

General Information

Program information provided in this Guide is tentative. Consult www.howardcountymd.gov/rap for the most up-to-date information.

Registration

Program fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 6.

Waiver you will need to sign when participating in our programs: In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the Organization and above named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any program or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility. For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program.

Children must remain with the program for the full period scheduled. To leave before a day's program is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the program director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, please be aware that our staff does not change diapers.

Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

Canceled Programs

We don't like to cancel programs, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants will be contacted immediately and a full refund credited.

Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your 2021 Federal Tax Transcript and
- Any proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

Make a Donation

You can make a tax-deductible contribution to our Scholarship Fund by www.howardcountymd.gov or call 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

Refunds

We recognize that you may wish to withdraw from a program for a variety of reasons, but we encourage early decisions so as not to inconvenience other participants or affect our ability to efficiently deliver activities.

Customers requesting a refund prior to two weeks before the program starts will be charged a 20% administrative fee, however if you request the credit to be placed on your Howard County Recreation and Parks account for future use, no administrative fee will be charged.

All refunds requested within three weeks of the program starting date will be charged at minimum a 20% administrative fee. Additional fees may be assessed to recover costs (e.g. for shirts, supplies, tickets, equipment etc.) associated with the program. There are no refunds given for missed program days. Trip refunds may reflect pre-paid admissions; but the option to transfer your ticket may be considered. Competitive sport program time-frame for refunds reflects planning time and team selections, check refund details on website.

Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor programs will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If there is inclement weather or an emergency plan is in effect in Howard County, scheduled programs will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.

Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

Rules of Conduct

The following rules must be observed while participating in Recreation and Parks programs. Specific rules may be added for individual programs and needs.

- All tobacco products are prohibited in buildings, school property or County parks
- No food or beverages in unauthorized areas; glass containers are prohibited.
- No soliciting or loitering
- No interference with employee or volunteer duties
- No harassment, bullying, or inappropriate or indecent conduct, language, or clothing
- No unauthorized use of alcohol, drugs, intoxicants or weapons
- No parking in unauthorized areas or driving/parking on field areas
- No alteration or installation of equipment (such as basketball hoops, fences or lining)
- No defacing of property (indoors or outdoors)
- No conduct that may jeopardize the safety of others.

Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed.

We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided to Howard County residents at no additional cost. To ensure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or spotts@howardcountymd.gov.

Other Policies

Additionally, the Department reserves the right to

- Cancel a program for any reasonable cause;
- Deny registration or entry into a program when it deems necessary to assure public safety;
- Suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- Photograph programs, participants and volunteers for publicity purposes; and/or
- Adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.

Public Meetings

For information about Howard County Recreation & Parks Advisory Board meetings, call 410-313-4640. Your comments are welcome at these sessions. Park Board members are David Grabowski (Chair), Edward Coleman (Vice Chair), A. Raul Delerme (Recording Secretary), Antonia Watts (Board of Education), Thomas M. Franklin, Sylvia Ramsey, Herman Charity, Chloe McGeehan (Student Member).

Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department, as well as a listing of jobs within Howard County Government, visit www.howardcountymd.gov/careers-jobs

The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit www.howardcountymd.gov/rap and click on "Forms and Publications" or call 410-313-4639.

Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you'd like to share your time and talent, visit www.hocovolunteer.org to view opportunities and register.

Sponsorships

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising. Info: www.howardcountymd.gov/HCRPSponsors or Anna Hunter, 410-313-4686 or ahunter@howardcountymd.gov.
