I. POLICY

The Howard County Department of Police (HCPD) is dedicated to the development and implementation of crime prevention programs, positive community relations, community foot patrols, and effective community policing. Emphasis will be placed on using problem solving strategies while addressing the needs of the community that may be identified by HCPD members and/or Howard County citizens.

II. DEFINITIONS

A. District Community Resource Officer (DCRO): Police Officer assigned to each district station.

B. Mental Health Community Liaison: Members dedicated to assisting HCPD with the mental health needs of the population of Howard County.

C. Cultural Liaison Officers: Community Outreach Police Officers with specialized training in and focus on the multicultural populations of Howard County.

D. Neighborhood Community Resource Officer (NCRO): Police Officer assigned to a specific community due to high crime and/or calls for service.

E. Police Neighborhood Satellite Office (PNSO): A designated location within a specific community established to increase police visibility, public contact, and cooperation, and subsequently deter criminal activity.

F. SARA: Scan, Analyze, Response, and Assess model of problem solving.

G. Senior Liaison Officer: Community Outreach Police Officer with specialized training in and focus on the senior population of Howard County.

H. Youth Liaison Officer: Community Outreach Police Officer focused on building relationships and enhancing involvement with Howard County youth.

III. COMMUNITY POLICING

A. The HCPD is committed to the Community Oriented Policing (COP) philosophy. This philosophy employs the many strengths of traditional law enforcement coupled with an emphasis on community involvement in problem identification, analysis, and resolution.
B. The HCPD’s commitment to the community policing philosophy shall be reflected in the contents of the annual HCPD Goals and Objectives and the HCPD multi-year strategic plan.

C. This commitment extends to initiating and maintaining active partnerships with the corporate and private communities of Howard County to reduce the opportunity for criminal activity.

D. HCPD members shall be committed to utilizing effective problem-solving strategies such as the SARA model when analyzing and resolving problems encountered during their duties.

E. Emphasis shall be placed on developing long-term solutions to problems that impact the quality of life within the communities of Howard County.

IV. MEMBERS’ RESPONSIBILITIES

A. All members of the HCPD are responsible for providing basic crime prevention and awareness information (i.e. identity theft, senior crimes, garage burglaries, engraving personal items, etc.) to citizens when answering calls for service or through other contacts. Members should encourage citizens to participate in the HCPD’s crime prevention programs and activities.

B. The responsibility for achieving the HCPD’s community involvement and community relations objectives is shared by all HCPD members. Only when there is a coordinated effort by all components and members of the HCPD will a beneficial relationship exist between the police and community.

C. HCPD members shall be responsible for providing crime prevention assistance to citizens in situations where such assistance would be beneficial and when mandated by specific HCPD directives.

D. All HCPD members are to communicate to the District and Neighborhood Community Resource Officers (CROs) any concerns being voiced by the community; community problems being addressed; recommendations from the member for addressing community concerns; and progress being made on any previously identified community problems. The method of communication may be in the form of personal contact, email, memo, a copy of an Incident Report, etc.

E. When a member receives a request for a Residential Security Survey he shall conduct the survey himself, if certified, or, if he is not certified, he shall forward the request to the Special Operations Bureau for assignment to an Auxiliary Officer.

F. All requests for community meetings shall be forwarded to the Community Outreach Division Commander or his designee, who will determine if an HCPD member will attend and ensure any scheduled HCPD appearances are posted on the Outreach calendar. All meeting requests will be logged electronically and issued an event number by the Community Outreach Division (COD) Administrative Assistant. Records of all logged events will be maintained by the COD.

V. POLICE NEIGHBORHOOD SATELLITE OFFICES (PNSO)

A. The following are procedures for PNSOs:

1. PNSOs shall be established and maintained in designated communities by the Operations Command.

2. Members shall routinely use PNSO facilities when conducting area foot patrols or follow-up investigations, hosting interviews, preparing written reports, and meeting with area residents.

3. Members utilizing a PNSO shall keep it clean and orderly.

1 CALEA 42.2.8e
2 CALEA 45.2.3 and 45.2.2c
4. Members shall utilize HCPD computers at a PNSO consistent with General Order ADM-40, Computer Operations. Only authorized HCPD personnel may access HCPD computers.

5. PNSOs shall be kept secured and may not be occupied by citizens except in the presence of HCPD personnel. The last HCPD member leaving is responsible for ensuring the PNSO is secured.

6. PNSOs are the ultimate responsibility of the NCRO Section. Members using the PNSOs who notice a need for repairs to equipment or additional supplies shall email the NCRO Section Supervisor.

7. The Community Outreach Division Commander or his designee shall conduct monthly inspections of each PNSO. Results of the inspection shall be recorded on the monthly report.

B. The following are procedures for unstaffed Police Satellite Offices:

1. The HCPD may identify certain off-site locations where members can perform administrative duties. Such facilities are not PNSOs and shall be kept clean and secure by officers using them.

2. The appropriate District Commander shall assign personnel to make periodic inspections of such facilities to ensure these locations function efficiently. Assigned personnel shall forward a memo to the appropriate District Commander stating any needs or concerns that affect the operability of these locations.

C. At the direction of the Chief of Police, the Quality Assurance Unit shall make periodic inspections of Police Satellite Offices.

VI. COMMUNITY FOOT PATROLS

A. Community foot patrols create many opportunities for mutually beneficial interactions between the community and the HCPD such as:

1. Encouraging a cooperative informational dialogue;

2. Reducing citizens’ fear of criminal activity;

3. Increasing patrol officer visibility in residential and business communities;

4. Disseminating crime prevention information;

5. Identifying criminal or suspicious behavior; and

6. Reducing the opportunities for crime and disorder.

B. Community foot patrols help to promote the HCPD’s COP philosophy and enhance police-community relations. Any actions that promote positive police-community interaction are encouraged.

C. Patrol officers will actively seek contact with citizens and business representatives to identify concerns and to provide information and service.

D. Patrol officers have the following responsibilities when conducting community foot patrols:

1. Conduct a minimum of two (2) foot patrols per shift in their assigned beat. Efforts should be geared to speaking with as many different citizens and business owners or employees as possible. The foot patrol locations will include but are not limited to:

   a. Shopping and Village Centers;
b. Public parks and other open space areas;
c. Isolated business locations;
d. Apartment complexes;
e. Residential areas conducive to foot patrol; and
f. PNSOs and unstaffed Police Satellite Office

2. Advise communications or log via MDC that they have initiated a foot patrol and provide the location. The patrol officer will carry his portable radio and be available for dispatched calls. Upon clearing the foot patrol, the officer will notify communications or clear via MDC.

3. Document each foot patrol location, date, and start and finish times on the officer’s monthly activity report.

E. Supervisors responsibilities pertaining to community foot patrols are as follows:

1. Ensure that patrol officers under their supervision are performing foot patrols consistent with this policy.
2. Assign officers specific foot patrols, such as residential or commercial areas, to positively impact problem or target areas.
3. Closely review the monthly activity form for accuracy and legibility, noting any deficiencies regarding self-initiated activities, and promptly bringing it to the patrol officer’s attention for appropriate action.
4. Actively participate in initiating their own foot patrol activities whenever possible.

F. Watch Commander responsibilities pertaining to community foot patrols are as follows:

1. Regularly monitor compliance with this policy and hold squad supervisors accountable for the patrol officers’ participation with community foot patrols.
2. Capture foot patrol statistics from the officers’ Monthly Activity Form and forward them to the District Commander or his designee.

VII. PATHWAY PATROL

A. The Pathway Patrol Section shall be responsible for year-round monitoring of the pathways throughout Howard County, focusing on high visibility, community interaction, and enforcement efforts.

B. Officers will use traditional bicycles, Zero Motorcycles, and the electric utility vehicle.

C. Pathway Patrol responsibilities shall include:

1. High visibility pathway monitoring;
2. Attend community meetings;
3. Routine interaction with community leaders and members; and
4. Conduct bike safety and other crime prevention presentations and enforcement activities.
VIII. DISTRICT COMMUNITY RESOURCE OFFICERS (DCROs)

A. District CROs shall be responsible for the development, coordination, implementation, and evaluation of HCPD crime prevention programs, and shall maintain the organizational responsibility for structured community relations programs.

B. DCROs shall be responsible for the following activities within each district in areas not covered by the Neighborhood CROs:

1. Develop and facilitate the delivery of HCPD crime prevention programs. These programs will target specific geographic areas when crime trends arise.3

2. Assist in the proactive organization of crime prevention groups in residential and business areas and maintaining relationships with these and other interested community groups.4
