

## **Fios® TV Rate Notification**

**Fios Local TV Rate Increase:** To continue bringing you quality service, at times we need to raise our rates. On or after 60 days from the date of this bill, the monthly rate for Fios Local TV Service will increase to \$25. Any discount currently applied to your Fios TV Local Service will continue until its expiration date.

**Fios Quantum Gateway Rate Increase:** To continue providing you with quality service and product innovation, on or after 60 days from the date of this bill, the monthly rate for your Fios Quantum Gateway Router will increase by \$2. Any discounts you may be receiving for the router will remain until they expire.

**Set-Top Box Rate Change:** To continue providing you with quality service and product innovation, at times we need to raise our rates. On or after 60 days from the date of this bill, the monthly rate for your Fios® set-top boxes will change to the following:

- The first two boxes on your account will be \$12 each
- Boxes 3-5 will be \$6 each
- Any boxes in excess of 5 will be no charge

Any discounts you're currently receiving associated with your set-top boxes will remain until their expiration. This change affects all Fios TV equipment excluding digital adaptors, cable cards, and DVR recording services. Please visit [myverizon.com](http://myverizon.com) to review your current services and equipment options.

**Set-Top Box Rate Change:** To continue providing you with quality service and product innovation, at times we need to raise our rates. On or after 60 days from the date of this bill, the monthly rate for your Fios® set-top boxes will change to the following:

- The first two boxes on your account will be \$12 each
- Boxes 3-5 will be \$6 each
- Any boxes in excess of 5 will be no charge

To simplify your bill, this change will be reflected by the removal of the TV equipment discount currently applied to your set-top boxes. The change affects all Fios TV equipment excluding digital adaptors, cable cards, and DVR recording services.
