Dear employees,

Howard County Government has partnered with the Howard County Health Department to ensure that all employees who wish to receive a COVID-19 vaccination have the opportunity to be vaccinated. At this point, we are no longer surveying our employees or sending email links to register for vaccination. Any employee that still wishes to receive a vaccine may sign up directly with the Health Department, the mass vaccination site at the Columbia Mall or at one of the many mobile vaccination sites including Thursday, May 6 at the Recreation and Parks Headquarters at 7120 Oakland Mills Road. Walk ups are welcome at many of these sites but registration is encouraged to save time. To register for a vaccine, employees may access the following link:

The following link lists additional vaccination sites throughout the state:

If you have any questions, please feel free to contact John Peterson with County Administration at (410) 313-4439.

Thank you.
