Family Shelter Program – Grassroots operates the only general emergency shelter in Howard County at 6700 Freetown Road in Columbia, MD. The program has 33 beds for families and single adult women experiencing a shelter crisis. All clients are accepted into the emergency shelter program on a provisional basis for a period of no more than three months. Each resident is assigned a case manager who works with them to develop a case plan designed to address their

particular needs and challenges. Prior to the end of their 3-month stay, residents may apply for a 3-month extension, for a maximum stay of six months. An additional extension is granted only under extenuating circumstances such as medical necessity. Extensions of stay dependent on the resident's progress achieving the goals in their housing plan (such as getting a job, saving money, attending addictions treatment, applying for benefits for which they may be eligible, meeting regularly with their case manager, etc.), their ability to function cooperatively in the group living setting, and their adherence to basic shelter guidelines.

Motel Shelter – As a back-up to Emergency Shelter, Grassroots has a capacity to house up to three families for up to fifteen days in motel when the shelter is full and there are no immediate alternatives. Staff work intensively with these families to help them find more permanent arrangements including other shelter, their own apartment, or relocating to be with family members or friends.

Randy Sands Men's Shelter- Can serve up to 18 single adult men. The program serves about 55 – 75 men per year. Each resident has a primary counselor or case manager and an individualized housing plan which could include employment, a savings plan, addictions treatment, psychiatric treatment, training or GED, and debt management. All of the support services available to families are also provided to our male residents. The structure of the residents' length of stay applies to the men's shelter as well.

Cold Weather Shelter- Provides overflow shelter from November through March. Congregations host the shelter for one or two weeks and provide volunteers for transportation, meals, laundry and to work shifts in the shelter.
