Established in 2011 by County legislation, the 13-member Commission was created to support veterans and military families by strengthening Howard County’s capacity to care for them. By connecting them to available resources, promoting educational and employment opportunities, and continuing community outreach efforts, we are committed to honoring our veteran and military families. Monthly meetings are held on the first Thursday of the month at 7:00 pm.

Despite the challenges of the pandemic, the commission had many accomplishments as noted below.

**Veteran Support Group**
In partnership with Howard County National Alliance for Mental Illness (NAMI), four local veterans were certified as peer facilitators and launched the NAMI Howard County Veteran Support Group. The first meeting was an in-person meet and greet, but due to pandemic restrictions, meetings went virtual. The program has been shared by many regional veteran nonprofit organizations and Ft. Meade leadership. Facilitators were featured on Fort Meade Declassified Podcast and all Maryland veteran commissions and boards were encouraged to eventually develop their own program.

**Centenarian Veteran Celebrations**
In partnership with local veteran service organizations, drive-by car parade celebrations with citations were planned for 100-year-old WWII veterans, LTC Gerald Greenfield and COL Lou Schott, during the pandemic.
Additionally, many veterans observed 102-year-old, WWII veteran Vivian “Millie” Bailey, tandem skydive as she checked this awe-inspiring item off her bucket list.

**Grand Opening of Bailey Park**
A ribbon cutting ceremony to recognize the opening of the Vivian “Millie” Bailey Neighborhood Park was held on the Columbia Lakefront with a small outside celebration. The new park offers a picnic area, two playgrounds and an area for the future Howard County Veteran Monument.

**Racial Equity Subcommittee**
A subcommittee was formed to better understand discrimination and systemic racism as it may or may not have affected veterans living in Howard County. A position letter was shared on the Office of Veterans and Military Families webpage and a survey developed to be distributed in early 2021.

Joining a **Veteran Peer Support Group** can help you to feel better in any number of ways, such as:

- Knowing that others are going through something similar
- Learning tips on how to handle day-to-day challenges
- Meeting new friends or connecting to others who understand you
- Learning how to talk about things that bother you or how to ask for help

**Personal Perspectives**

"I've been missing the feeling of community ever since I retired, here I feel accepted as a member of a tight knit group with shared lived experiences."

“\(\text{I have lost some of my friends in combat, and I have the opportunity to express my feelings without being judged.}\)“
