CAREAPP

Have you heard about CAREAPP?

Collaborate with other organizations
to help connect your clients to vital
community-based resources.

Visit HCcareapp.org

5 reasons to join the CAREAPP network today

Get the word out about your program

Visit hccareapp.org/claims to claim or create your program's listing. Let people know how to connect to your program.

Find other programs for your clients

Search over 1,700 programs serving Howard County to connect your clients with the resources they need.

Streamline your referral process and close referral loops

Screen applicants and manage appointments for intake.

Gain access to helpful analytic dashboards

These dashboards show aggregate data around searches and referrals made to your program.

FREE for community-based organizations to claim their listing and gain access to all of these amazing tools!
