Subject: Information required for File No. [P&Z Project No.]
          [Project Name]

Please be advised that our office has started to receive information required for the preparation of agreements and/or easement documents for the above referenced project. Prior to the preparation of the legal documents, specific information from the Developer, Owner or their authorized agent(s), is needed. Additionally, the Developer and Owner are required to execute all agreements, post all sureties, and pay all fees prior to signature approval and recordation of the original final plat, or signature approval on the Site Development Plan. For this reason, assemble the requested documentation and make all administrative decisions carefully – the written responses are used to prepare legal documents. If documents based on the information provided to our office are required to be revised, there will be a charge of $400 per agreement, up to $1,600.

Please complete and provide this office with the following items as soon as possible:

1. **Instruction Letter(s):** The *Instruction letter* includes information that will be used to prepare the legal agreement(s). Carefully consider the decision for each of the items listed on the form; all fields are required to be completed. All Owner(s), and Developer(s) if applicable, must be listed.

The security forms for the letters of credit and the bonds will be prepared and included in the developer’s package. Likewise, the landscaping, if applicable, will be combined with the performance security of one of the agreements.

The security options are as follows:

- **Checks:**
  To be deposited in a non-interest bearing account by the County.

- **Bonds:**
  To be provided by a bonding company licensed to do business in Maryland, and rated A- or better by AM Best; or rated A or better by Demotech, Inc.

- **Letters of Credit:**
  Provided by a bank with a Maryland demand location.
2. **Entity Information Sheet(s):** Provide an *Entity Information Sheet(s)* for each Owner and/or Developer, and all associated entities.

Listed below are the various types of entities, along with the corresponding form required. Each entity information sheet must be completed in its entirety. By the same token, any entity listed as an authorized officer, member, or partner, must also complete an entity form.

Furthermore, should an authorized signor not be available to execute the legal agreements, a copy of the recorded power of attorney, giving authority to the designated person, will be required.

3. **Title Report:** A title report, effective within 30 days upon delivery to Real Estate Services, is mandatory in order to prepare all legal documents; the title report must include any and all on-site and off-site areas affected. Moreover, the title report must be a full 60-year title search that references the project name and P&Z file number. Similarly, the report shall adhere to the requirements as outlined in *Title Requirements for Developer Projects* page.

   **Contracts of sale and/or other legal agreements:** Provide any/all copy(ies) of active, unrecorded legal documents affecting the property, including, but not limited to, contracts of sale and/or leases.

4. **Preservation Parcel(s):** If the subdivision includes either an on-site or off-site reservation parcel, complete the appropriate *Preservation Easement Checklist* for each preservation parcel.

When the administrative decisions have been made and reviewed for accuracy, return the information requested, along with the title report, to @howardcountymd.gov.

Feel free to contact this office at 410-313-2330 with any additional questions regarding this project.

Thank you,
