

Promote. Preserve. Protect.

Recovery Support Services

State Care Coordination Services provide recovery support services for individuals with substance use/co-occurring disorders. Those who qualify can access services which include assistance with:

- Recovery Housing
- Transportation
- Employment Services
- Vital Records
- Medical and Dental Services

Services are designed to help recipients remain engaged in their recovery while promoting independence, self-sufficiency and stability.

To qualify you should:

- Be 18 years of age or older
- Live in Howard County
- Meet income guidelines
- Have a substance use or co-occurring disorder diagnosis

For questions or more information, contact the Health Department State Care Coordinator:
