

Welcome to Maryland MyIRMobile!

MyIR™ stands for My Immunization Record, a public portal that can securely pull vaccination records from ImmuNet, Maryland's Immunization Information System (IIS). All users must be 18 years or older. Once registered with MyIRMobile, you will be able to obtain official vaccination records for daycare, camps, schools, employment or travel, if you or your children were administered vaccinations in the State of Maryland.

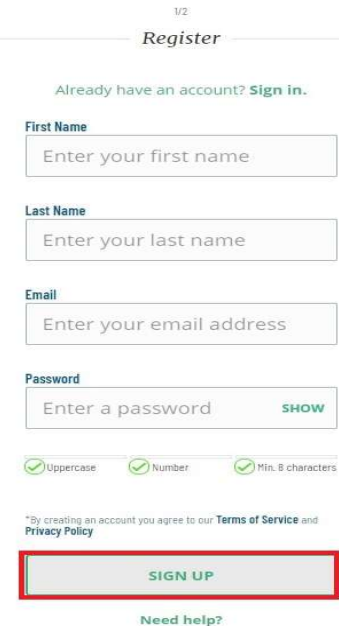

By referring to **Maryland MyIRMobile User Guide** you will be able to:

2. Find Your Vaccination Records

A. Click on 'Find My Records'

- B. Enter the required demographic information (date of birth, gender, phone number).**
Please remember that when filling out these fields, the system will attempt to match your personal information with what is on record in ImmuNet. Next to the phone number field, select if you want to receive a SMS text or phone call for your PIN code/verification code. If there is a record match in ImmuNet, you will receive either a SMS text or phone call with your PIN code/verification code.

- C. When a match is found or your record is located in ImmuNet, it will take you to the page where you will be able to enter the verification code that is sent to your phone via SMS text or phone call. After you enter your 6-digit verification code, click the 'Continue' button. If you did not get a code, please click 'Resend Code'.**

3. View/Print Immunization Records

- A. After you enter the verification code, please click on 'Take Me to My Account' to view your immunization history. Please click on 'Go To Documents' to view and print the following (if available):**
- Immunization History and Needs
 - Maryland Certificate of Immunization (Form 896)
 - Certification of COVID-19 Vaccination

- B. All documents are in pdf format and can be downloaded, printed and saved on your computer, tablet or phone.**
