September 30

2 - 3 PM: Mastering Virtual Career Fairs

Career fairs, much like most of our jobs and other events, have made the shift to the virtual space to accommodate for the COVID-19 pandemic. While these mirror in-person career fairs, there are some differences due to the virtual setting. This workshop teaches you how to navigate this new environment and learn how to interact with employers to get the most out of the event! [Click here to register!](#)
