Columbia Road: From Old Annapolis Road to 1/4 mile east of Hemlock Cone Way
How a road project is modeled:

1. The project area is divided into sections.
2. Each section is represented on a map.
3. Specific elements, such as electrical meters, pedestrian signal poles, and fire hydrants, are marked.
4. Property lines and existing legends are included for reference.
5. The map is oriented with north at the top and south at the bottom for ease of reading.
Columbia Road: From Old Annapolis Road to 1/4 mile east of Hemlock Cone Way

EXISTING LEGEND:
- Electrical Meter
- Pedestrian Signal Pole
- Signal Pole
