

# February News from Howard County Recycling

## Presidents' Day – No Change

There will be REGULAR CURBSIDE COLLECTIONS on Monday, February 15th and the rest of the week.

Please place all items out by 6am to ensure collection.

## Special HHW Day

We will hold our second of three off-season Household Hazardous Waste collection days at Alpha Ridge Landfill on **Saturday, February 6** from 8am – 4pm. Please see our list of acceptable material.

Can't make it this Saturday? We'll be holding one more special collection event on:

- **Saturday, March 6**

The 2021 HHW season will resume the first Saturday of April.

### Household Hazardous Waste

Saturdays ONLY (April-November) 8am-4pm  
2350 Marriottsville Road, Marriottsville, MD 21104

**Before you visit, don't forget!**  
Alpha Ridge modifications are still in place:

## Alpha Ridge Landfill Modifications

All visitors must wear a face covering **at all times**

Continue **social distancing** (6') when possible

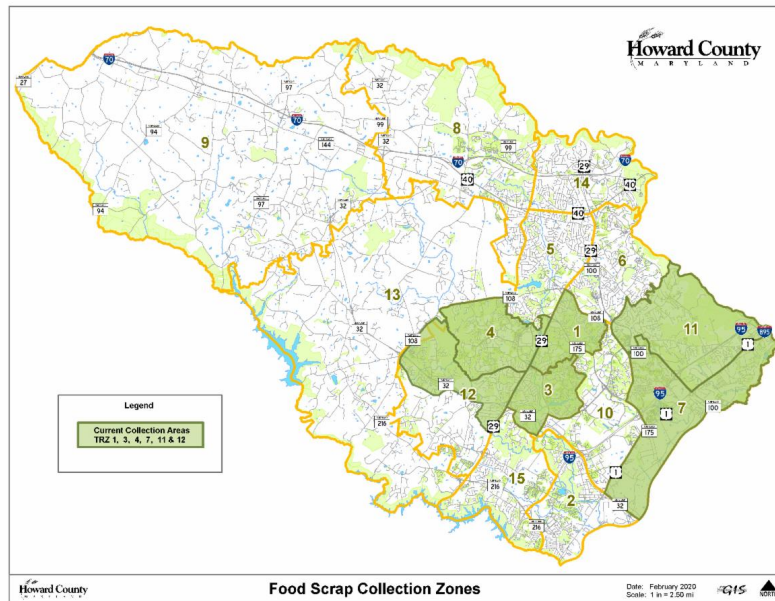

Credit card sales **only**. No cash, check or debit.

Visit our [website](#) for up-to-date information.

## Join your neighbors

[Yard Trim Collection](#) season ended on January 15th but not for those in our [Feed The Green Bin](#) collection program!

This food scrap collection program is only available to certain areas of the County. Food scraps account for about 30% of what we throw away. Your participation in this program helps divert this waste and create a valuable soil amendment, compost! Learn more and [sign up today!](#)

Not in our collection area? No problem! You can participate in our program by dropping food scraps off at the [Residents' Convenience Center](#) at Alpha Ridge Landfill. Want something closer to home? Consider [Backyard Composting!](#)

## Book Recycling

Was your New Year's Resolution to read more?

As you clear off your shelves to make room for new books, consider giving the old ones a second life!

Check out our newest [book recycling](#)

drop-off at the [Residents' Convenience Center!](#)

Partnering with Discover Books has allowed us to accept both paperback and hardback books. Once sorted and processed, books are redistributed to support literacy efforts or resold. Any

remaining books that are not fit for redistribution are recycled into new products.
