Plastic Bottles, Tubs, Jars & Jugs

There are so many types of plastics, our minds are blown too. Don't look for numbers or recycling symbols, just remember to recycle **bottles**, **tubs** (items with detachable lids), **jars** (items with screw-on lids) and **jugs** (containers with a molded handle).

If an item doesn't fit any of these 4 categories, it shouldn't be recycled in your curbside bin. [Hope this helps!](#)

Special thanks to our Frederick County neighbors.
