DEPARTMENT OF PLANNING AND ZONING
RULES OF PROCEDURE FOR TEMPORARY USES

These procedures are adopted pursuant to the Howard County Zoning Regulations Sections 100.0.H and the Howard County Code, Title II, Subtitle 1 "Administrative Procedure Act." The procedures delineate the public hearing and application process for Temporary Uses as identified in Section 132.0 of the Howard County Zoning Regulations. Any property owner ("Petitioner") may petition the Department of Planning and Zoning for a Temporary Use. The Director of the Department of Planning and Zoning ("Director") or a member of the Department of Planning and Zoning staff authorized by the Director to preside ("Director's Designee") shall hold a public hearing on a Temporary Use petition. In these Rules of Procedure, the Director or the Director's Designee shall be collectively referred to as Director. The Temporary Use application and hearing process shall be administered by the Department of Planning and Zoning staff ("DPZ staff").

A. FILING OF PETITIONS

1. **PETITION APPLICATION FORM:** The Department of Planning and Zoning shall prescribe the content of petition applications and supporting materials. A Petitioner may obtain the petition application form from the Department of Planning and Zoning. The application shall be completed in full and signed by the Petitioner or an authorized agent. An application signed by an agent of the Petitioner shall be submitted with written authorization from the Petitioner authorizing the agent to act on behalf of the Petitioner. It shall be the Petitioner's responsibility to ensure that the petition application form is properly completed, that all information therein is correct, and that sufficient copies are provided. The DPZ staff shall make a preliminary review of the petition application form and supporting materials upon its filing and shall permit the Petitioner to make corrections or to provide additional information that is necessary for the petition application to be accepted for processing.
2. **APPLICATION FEE:** The Temporary Use process is subject to the fees and charges established in accordance with County Council Resolution No. 73-2021, as amended. In addition to the application fee, a public notice poster fee is assessed for every Temporary Use petition. The total fee amount is not required to be paid at the time the petition application is filed, but must be paid in full by the Petitioner at the time the public notice posters are received. The petition shall not be processed further by the DPZ staff without the correct fee. Checks shall be made payable to the Director of Finance of Howard County.
3. **PETITION SPECIFICATIONS:** DPZ shall indicate the requirements for the petition application on the form, including, but not limited to, the number of copies and the submission procedure. DPZ shall not process the petition until these application requirements are met.
4. **AMENDMENTS TO THE PETITION:** The petition application may be amended any time until the public hearing date. However, when an amendment is made by the Petitioner which the Director determines significantly alters the substance of the petition, the Director shall require that the public hearing date be rescheduled, if necessary, such that the full public notice period can be provided after the amendment and before the public hearing. In the event any re-posting is necessary due to such rescheduling, the Director may require the Petitioner to pay an additional fee for all required posters.

5. **SUBSTANTIVE PETITION CONTENTS:** A Temporary Use petition shall include a written statement which demonstrates how the Temporary Use request meets the criteria specified in Section 132.0.C of the Zoning Regulations.

6. **TEMPORARY USE PLANS:** Petitions for Temporary Uses shall include copies of a plan. Plans for Temporary Use shall include the following information at a minimum:
 - (a) Courses and distances of property lines
 - (b) Size of property
 - (c) North arrow
 - (d) Scale of plan
 - (e) Zoning of subject property and adjoining property
 - (f) Location, address, parcel or lot number of subject property
 - (g) Boundary of area being considered as part of the Temporary Use
 - (h) Existing and proposed uses, structures, natural features, landscaping, number of parking spaces, driveways, and points of access on the subject property
 - (i) Location of well and private sewerage easement, if applicable
 - (j) Floor area and height of structures and other numerical values necessary for examination of the petition
 - (k) Any other information as may be necessary for full and proper consideration of the petition.

Temporary Use plans should be drawn to scale; however, the Director may accept plans which provide sufficient information for evaluation by indicating dimensions and distances.

Temporary Use plans shall be drawn to scale. The Petitioner shall fold all plans to be no larger than 9 inches by 14 inches unless otherwise indicated on the petition application form.

7. **PUBLIC NOTICE POSTING:** The subject property shall be posted with a public notice poster or posters, indicating the place, time, date and topic of the public hearing.

The DPZ staff shall prepare the posters and an Affidavit of Posting form which describes the method of securing the posters and the required posting period. The Petitioner shall pick up the posters and the Affidavit of Posting form, pay the required fees, and erect the poster. On the day of the public hearing, the Petitioner shall submit the Affidavit of Posting form, which shall be signed by the Petitioner.

The posters shall be continuously displayed on the property for a period starting from 15 days prior to the scheduled hearing date and ending 15 days after the hearing date, provided, however that when the Director finds that the Petitioner has made a good faith effort, and that the DPZ Staff has verified the initial posting, the Director may sanction substantial compliance with the public notice posting requirement for lesser periods. The Petitioner shall maintain the posters during the entire posting period. The Petitioner shall remove the posters from the property after the end of the posting period.

B. PUBLIC HEARING

1. **PLACE AND TIME OF HEARING:** Generally, public hearings will occur in a hybrid manner, both in-person at the Department of Planning and Zoning in the George Howard Building; Ellicott City, Maryland and remotely via virtual telepresence, unless another location or means is specified by the Director. The time of the hearing shall be as scheduled by the Director. The Director shall schedule the public hearing to permit sufficient time for the required public notice posting period. The DPZ staff shall notify the Petitioner as to the hearing date, time, and place of the public hearing.

When a hybrid hearing occurs, Petitioner shall appear in-person for the hearing at the George Howard Building or other physical location designated by the Director. The Petitioner's witnesses, counsel, consultants and any other interested parties may participate in the hearing either in-person or remotely via virtual telepresence.

If the Director determines a hybrid hearing to be impracticable, the Director or their designee may conduct the hearing entirely in-person or entirely remotely through virtual telepresence. If a hearing is conducted entirely remotely via virtual telepresence, the Petitioner shall also participate via virtual telepresence.

If an individual provides testimony, whether in-person or virtually, they shall remain available for cross-examination.

2. **PUBLIC ATTENDANCE:** The public is invited to attend all Temporary Use hearings held by the Department of Planning and Zoning by being either physically in the hearing room or participating through a virtual telepresence, as applicable.
 - a. **IN-PERSON ATTENDANCE:** An individual intending to testify while physically present in the hearing room shall write their name, address, telephone number and email address on the hearing attendance sheet provided.
 - b. **VIRTUAL TELEPRESENCE:** An individual intending to attend through virtual telepresence, shall register to participate through the virtual platform no later than 12:00PM the business day prior to the scheduled hearing and shall provide their name, address, telephone number and email address. An individual registered by the deadline herein may testify at the hearing.
3. **MAINTENANCE OF ORDER:** Persons in attendance may not engage in conduct, including visual demonstrations such as waving of placards, signs, or banners that disrupts the hearing or that interferes with the right of members of the public to attend, observe and hear the meeting. The Director may require the removal of disruptive persons, including by muting the person's microphone and turning off any video of the person, and may request police assistance to restore order. The Director may recess the hearing to restore order.
4. **RECORD OF HEARING:** The DPZ Staff shall record the hearing. This recording and any exhibits admitted into evidence during the hearing shall constitute the official record of the hearing and, together with the petition file and Decision and Order issued by the Director, shall be made available by the DPZ Staff for public review for a period as required by law.

5. **CONDUCT OF HEARINGS:** Public hearings shall be conducted in accordance with the following process:

- a. **PRELIMINARY MATTERS:** The Director states the Petitioner's name and the nature of the request. The Director provides his or her name and identifies the DPZ Staff present at the hearing. A general review of the hearing procedures is explained to the Petitioner and all present at the hearing. The Director also explains the process and department of cross-examination questioning.
- b. **INCORPORATION OF PERTINENT LAWS:** The Director incorporates the appropriate regulations into the public record by reference. These regulations may include, but are not limited to, the Howard County Zoning Regulations, the Howard County Subdivision and Land Development Regulations, and the Administrative Procedure Act of the Howard County Code. The Director shall identify Section 100.0.H of the Zoning Regulations as amended from time to time. For Temporary Uses, the Director shall refer to and identify Section 130.0.B.3 of the Zoning Regulations, as amended from time to time, and shall read this section verbatim into the public record.
- c. **RULES OF EVIDENCE:** Any evidence which would be admissible under the rules of evidence applicable in judicial proceedings in the State of Maryland shall be admissible in Temporary Use hearings. The Director is not bound by the technical rules of evidence but will apply those rules so that probative evidence may be conveniently brought forth. The Director shall exclude immaterial evidence and may exclude unduly repetitious testimony and other evidence and may limit the number of witnesses and duration of their testimony when the testimony is cumulative in nature.

All testimony shall be directed to the Director presiding at the public hearing and not to other persons in attendance.

To allow all parties adequate opportunity to evaluate potential evidence and to facilitate the orderly progression of hearings, exhibits to be considered shall be submitted to DPZ no later than 12:00PM the business day prior to the scheduled hearing. DPZ staff will scan and make all exhibits submitted by the deadline prescribed herein available electronically. The Director shall state whether an exhibit submitted as evidence with testimony is accepted or rejected. All exhibits accepted by the Director shall be marked with the case number and an exhibit number by the DPZ Staff and shall be held in the official record. Exhibits rejected by the Director either shall be marked with the case number and a notation indicating that the exhibit is rejected and held in the official record, or, if requested by the offering party, shall be returned to the offering party. The Director may reject any exhibit which is unreliable, irrelevant, or unduly repetitious of an exhibit previously accepted. Exhibits shall not be mounted and shall be folded or capable of being folded to a maximum size of 9 inches by 14 inches unless otherwise indicated on the petition application form.

- d. **OATH:** Prior to giving any testimony, a witness shall give his or her name and address and shall take the following oath which shall be stated verbatim by the Director: "Do you solemnly promise to speak truthfully in all the testimony you are about to give?"

- i. **DIRECTOR'S ACTION:** If the Director requests additional evidence in order to make the proper decision, the Director may recess the case to receive the additional evidence at a later time. The Director may not consider any additional evidence from either side after the hearing is concluded and the record is closed; however, the Director, on personal initiative or in response to a request made in open session, may receive or require legal memoranda summarizing the presentations of the Petitioner or the Opposition. Before filing the Decision and Order, the Director may reopen a case to receive additional evidence, if the Director deems it essential in making the proper decision.

At the end of the presentation, the Director may grant or deny the petition by stating findings of fact and conclusions of law or may take the case under advisement for further deliberation and later decision.
