

Robinson Nature Center Field Trip Sponsorship 2021 - 2022 School Year

The James & Anne Robinson Foundation provides sponsorships for field trips, Robinson on the Road and virtual field trips to the Robinson Nature Center for Howard County's Title I schools.

Details:

1. Only Title I schools in Howard County are eligible to apply.
2. Sponsorships will be paid directly to the Robinson Nature Center.
3. Sponsorships are limited to one field trip/experience per school per school year. This can be a field trip to the Center, a virtual field trip or an in-school field trip (Robinson on the Road) for a classroom or grade level if booked as a single experience. The first completed and signed sponsorship application received from each Title I school will be the only application considered for the sponsorship from that school, during that school year.
4. The maximum sponsorship per field trip/experience is the full Nature Center admission cost for students and eligible chaperones, and only to the extent funds are available.
5. Please direct inquiries to esizemore@howardcountymd.gov or 410-313-0400.
6. In addition to applying for the scholarship, please make sure to fill out the appropriate online request form in order to schedule your in-person field trip, virtual field trip or in-school field trip with the Robinson Nature Center. The request forms can be found on our website under the "For Instructors" section: <https://www.howardcountymd.gov/recreation-parks/RobinsonNatureCenter>
