2. **Legislative Monitoring** – Patricia volunteered to sit on the subcommittee, she requested a volunteer. Tracy asked that a position description be drafted in the Fall so that recruitment can begin.

3. **Board Training** - Rosa and Jerome will sit on the subcommittee
   a. Onboarding
   b. Professional Development

4. **Community Engagement** – Young and Trent volunteered to sit on the subcommittee. Volunteers will be needed for the subcommittees. A position description will be written to recruit the volunteers. Volunteers may be called the SWAT team (Seniors with Available Time)

**DCRS’s IT (Tom Bradley) will provide access to a workspace for Board members.**

**FY23 Meeting Schedule**

The board will continue to meet the second Tuesday of the month in FY23.

**Office Report**

Tracy presented the office report – summary of Q1 (first quarter of the year) complaints. 24 out of 54 cases were rental issues. For the future, look at merchant category to see if too many cases fall under retail. Are they really retail issues? For example, FedEx fell under retail, but the questions is should a new category be created for shipping/delivery? Does Comcast fall under telephone or another category? There were 157 calls with questions around landlord/tenant issues. There were 7 complaints about common ownership (HOA and Condos). There were 36 calls under the Other category that need to be better organized.

Outreach – at the AAPI event over 299 attendees stopped by the DCRS table.

April was Financial Literacy month. OCP organized presentations for the community and DCRS staff. A presentation on scams was provided for 20 individual participants at Parkview at Emerson. For the Money Matters presentations on scams there were 20 participants and 57 for home improvement. Two workshops were presented internally. For Debt Collection there were 54 attendees and 25 for the payment apps presentation. OCP also hosted the FTC, CFTC and FINRA for a Money Matters workshop on Crypto Currency for 34 participants.

Distributed 165 English/Korean OCP fliers during the Grab & Go Food event.

Goal is to increase the number of consumer complaints, increasing Office of Consumer Protection’s visibility for consumer (non-L&T) complaints too.

Looking at updating towing laws. In the past calls were made to the Office of Consumer Affairs and the Howard County Police Department. Working with the police department to streamline the process for businesses.
