Howard County Health Department Needs Help with Information Regarding Dog Bite Incident

Columbia, MD – The Howard County Health Department is looking for help finding a dog and owner recently involved in a dog bite incident. On Sunday afternoon, May 8, 2022, a resident was bitten by a dog in the vicinity of East Wind Way in Columbia. According to the victim, an older white woman, with white hair and possibly glasses was walking two large dogs. One dog appeared to be a Saint Bernard, the other was a very tall, gray/black Doberman-like dog. The Doberman-like dog is the one involved in the attack. Immediately following the incident, the dog owner/handler left the area giving no information to the victim.

The Health Department is looking for information about the dog in question so appropriate treatment can be given to the victim as quickly as possible.

If anyone has any information about this incident or the animal in question, please contact the Howard County Health Department at 410-313-1773
