*****UPDATE*** Howard County Health Department Needs Help with Information Regarding Dog Bite Incident**

Columbia, MD – The Howard County Health Department is looking for help finding a dog and owner recently involved in a dog bite incident. On Sunday afternoon, May 8, 2022, a resident was bitten by a dog in the vicinity of East Wind Way in Columbia. According to the victim, an older white woman, with white hair and possibly glasses was walking two large dogs. New information regarding the description of the dog has come to light. While one dog appeared to be a Saint Bernard, the other is now said to have been a tall, gray/black Australian Cattle Dog-like breed. The Cattle Dog is the one involved in the attack. Immediately following the incident, the dog owner/handler left the area giving no information to the victim.

The Health Department is looking for information about the dog in question so appropriate treatment can be given to the victim as quickly as possible.

If anyone has any information about this incident or the animal in question, please contact the Howard County Health Department at 410-313-1773
