Wood Pallet Disposal Changes

The Alpha Ridge Landfill now charges a $80/ton tip fee for wood pallets. Pallets will no longer be accepted in the Woodwaste area for mulching. Loads will be directed to the Waste Transfer Station for disposal. The change is a result of the marketplace no longer accepting mulch containing pallets.

Below is a list of companies that accept pallets for recycling and reuse:

King Pallet - kingpallet.com
Edrich Lumber, Inc. - edrichlumber.com
Frank’s Pallets Service - frankspallets.com
Peter’s Pallets - peterspallets.net
Valleywood Industries - (410) 488-5500
