# Affordable Multifamily Communities

---

This is a list of the multifamily rental communities in which all or a portion of the units offer affordable rents. Each community has its own application process and tenant screening standards. The method for determining rents may vary by property, but in all cases the affordable rent is directly connected to the unit and cannot be transferred when a tenant vacates the unit.

**You must contact each community to learn what unit sizes are available, the rent charged for each unit, if applications are being accepted and if the waiting list is open or closed.**
